CLAS Meeting October 2015

New Charter
Rework applications questions to outline process rather than simply ask about the person and the work. Major changes: • that membership will handle the initial processing of term applications • FULL membership is open to people that have been members for 2 years
New Charter rules summary
membershipRULES/MEMBERSHIP2015.doc

New Institutes (now adding members			
Ritman, James Institutsleiter IKP-1	Juelich 106	Experimentelle Hadronenstruktur Julich, Germany [Institute fur Kernphysik]	CLAS full

Stoler	RPI	limited all=40		move
sober 200	CUA	limited all=40		move
Natalie Walford	CUA	remain TERM		done
Bijya Nepal	Catholic University	F. Klein	6	leaving
check Matt&McKrkken done the email works if the one on the publication page is used➔ Matt gets and email Michael doesn't but he is not eligiblebased on data period SO the email list seems ok.				done
updated the email pub announce to not send mail but will print list to tmp/ sendpubannounceemail.php This email list is always printed to a tmp folder so you can check past emails. $emailfilename = "tmp/Zemail_{$date_of_generation}_{$gusername}.txt"; mail members ------ f($function == "generatelist"){ $outfile = "tmp/emailList_{$gusername}.txt";
