Open Access - Full Text links

Some Open Access publishers are:

- Armenian Journal of Physics (Arm. J.Phys.) is peer-reviewed electronic open access journal. http://www.flib.sci.am/eng/journal/Phys/index.html
- Bentham Science: 150 plus peer-reviewed open access journals in Science, Technology and Medicine. http://www.benthamscience.com/cmm/index.htm
- Biomedical Optics Express is OSA's principal outlet for serving the biomedical optics community with rapid, open-access, peer-reviewed papers related to optics, photonics and imaging in the life sciences. http://www.opticsinfobase.org/boe/home.cfm
- **Directory of Open Access Journals:** http://www.doaj.org/
- Electronic – Liquid Crystal Communications: http://www.e-lc.org/index.php
- European Physical Journal (EPJ) EPJ.Open. EPJ.Open is a series of new, fully open access physics journals to complement the existing portfolio of EPJ titles published by Springer, EDP Sciences and the Italian Physical Society. http://www.physmathcentral.com/pmcphysa/content
- Hindawi Publishing Corp publishes 525 peer-reviewed, are open access journals covering a wide range of academic disciplines http://www.hindawi.com/
- Institute of Electrical Engineer of Japan transactions on Fundamentals and Materials: https://www.jstage.jst.go.jp/browse/ieejfms/124/10/_contents
- Institute of Condensed Matter Physics: is adopting a policy of completely open-access model of publishing.
- Interactions.Org particle physics news and resources from the world's particle physics laboratories: http://www.interactions.org/cms/?pid=1900
- International Scientific Publications and Consulting Services (ISPACS): http://ispacs.com/acte/ Advanced Computational Techniques in Electromagnetic.
- Japanese Society of Applied Physics: http://www.ipap.jp/jjap/article/showArticle.cgi?sec=OS

- Journal of the European Optical Society Rapid Publications is fully open access. https://www.jeos.org/index.php/jeos_rp/issue/archive
- Journal of the Optical Society of Korea (JOSK): published in English by the Optical Society of Korea (OSK) and is made available through Optics InfoBase in partnership with OSA as of January 2010. JOSK is supported by author fees and is fully open access for readers. http://www.opticsinfobase.org/josk/journal/josk/about.cfm
- Journal of the Vectorial Relativity: The open access Journal of Vectorial Relativity (*JVR*) is an international scientific periodical devoted to the publication of high quality original research papers on all experimental, theoretical and mathematical aspects of Physics. http://jvr.freewebpage.org/TableOfContents/Volume6/Menu2/Index.htm
- Light: Science & Applications is an open access journal seeking to promote research from all aspects of optics and photonics. http://www.nature.com/lsa/about/open_access.html
- Mathematical Physics Electronic journal run by Angel Jorba and Jaume Timoneda, Universitat de Barcelona. The subscriptions are free, the access is free. http://www.ma.utexas.edu/mpej/MPEJ.html
- NISCAIR Online Periodicals Repository (Indian): http://nopr.niscair.res.in/
- Polish Academy of Science: Free direct access to Acta Physica Polonica A & B. http://info.ifpan.edu.pl/ACTA/acta.home.html
- Progress of Theoretical Physics Online Archive: All papers in PTP Online became permanently free to read at the end of 2012. http://ptp.ipap.jp/journal/
- Scientific Research Publishing (SCIRP) is one of the largest Open Access journal publishers. http://www.scirp.org/aboutUs/Index.aspx
- SpringerOpen - Springer's portfolio of over 100 peer-reviewed fully open access journals: http://www.springeropen.com/journals. Examples: Journal of cloud computing.
