

These were old electronic drawings made to bond per Jacki Smith.

They were located on someone's home directory.

Received 1/11/2000

These drawings can be found in the flat file located in DCG's room 225

Lawrence Berkely Laboratory

Foreign Dwg #	Title	Rev	Year
21J5093	Extended range anderson-braun neutron rem meter moderator boronated spacer	-	1993
21J5103	Extended range anderson-braun neutron rem meter moderator boronated enclosure	-	1993
21J5114	Extended range anderson-braun neutron rem meter moderator detector mount adapter	-	1993
21J5124	Extended range anderson-braun neutron rem meter moderator detector mount adapter cover	-	1993
21J5144	Extended range anderson-braun neutron rem meter moderator detector mount adapter insulator	-	1993
21J5153	Extended range anderson-braun neutron rem meter moderator spacer	-	1993
21J5163	Extended range anderson-braun neutron rem meter moderator inner casing	-	1993
21J5173	Extended range anderson-braun neutron rem meter moderator lead bottom cover	A	1993
21J5183	Extended range anderson-braun neutron rem meter moderator lead cylindrical body	A	1993
21J5193	Extended range anderson-braun neutron rem meter moderator lead top cover	A	1993
21J5204	Extended range anderson-braun neutron rem meter moderator outer casing	-	1993
21J5214	Extended range anderson-braun neutron rem meter moderator outer casing cover	-	1993
