

Printing to a network printer using PC Based Electronic Job Ticket

1. Open a New job ticket.
2. Select **Add Docs** at the bottom of the page.

3. In search attributes area there is a **Document Number** box, type in a drawing number you are looking for.

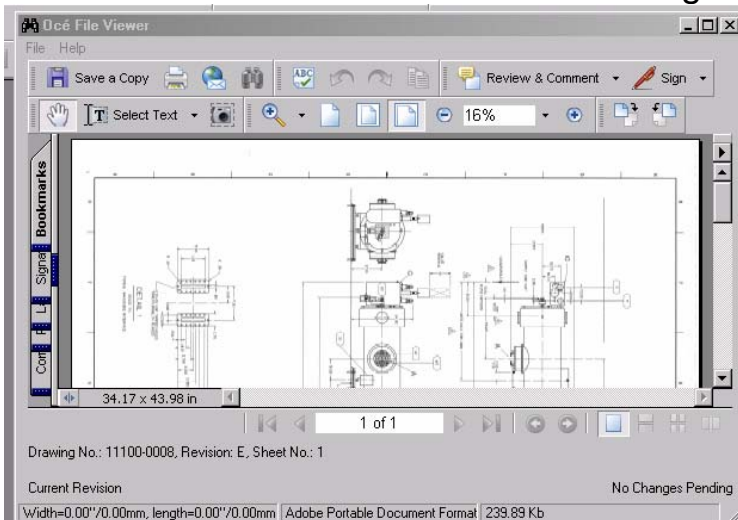

4. When the drawings load up, select the drawing you need and highlight it.

	Drawing Size	Document Number	SheetN
▶	E	11100-0008	2
	F	11100-0008	3

5. The select the **View** button at the bottom of the Add Docs window.

6. An Adobe Acrobat PDF file of the drawing will now open.

7. To make a copy of this drawing select the **Printer ICON** in the upper left hand corner of the Adobe window.

8. After clicking the **Printer ICON** a printer menu window will open that will allow you to select the size and printer you want to send it to. (You can only print to network printers you have downloaded to your PC.)
9. Once you have set up your print job click the **Print** button.
