We are evolving

- This is our fourth workshop
- The number of participants grows (from 35 in 2011 to 80 in 2014)

QCD has evolved into quite some different sub-fields

QCD EVOLUTION 2014

organized jointly by

Alexei Prokudin

QCD Evolution 2014, May 12-16 2014, Santa Fe, NM

Zhongbo Kang

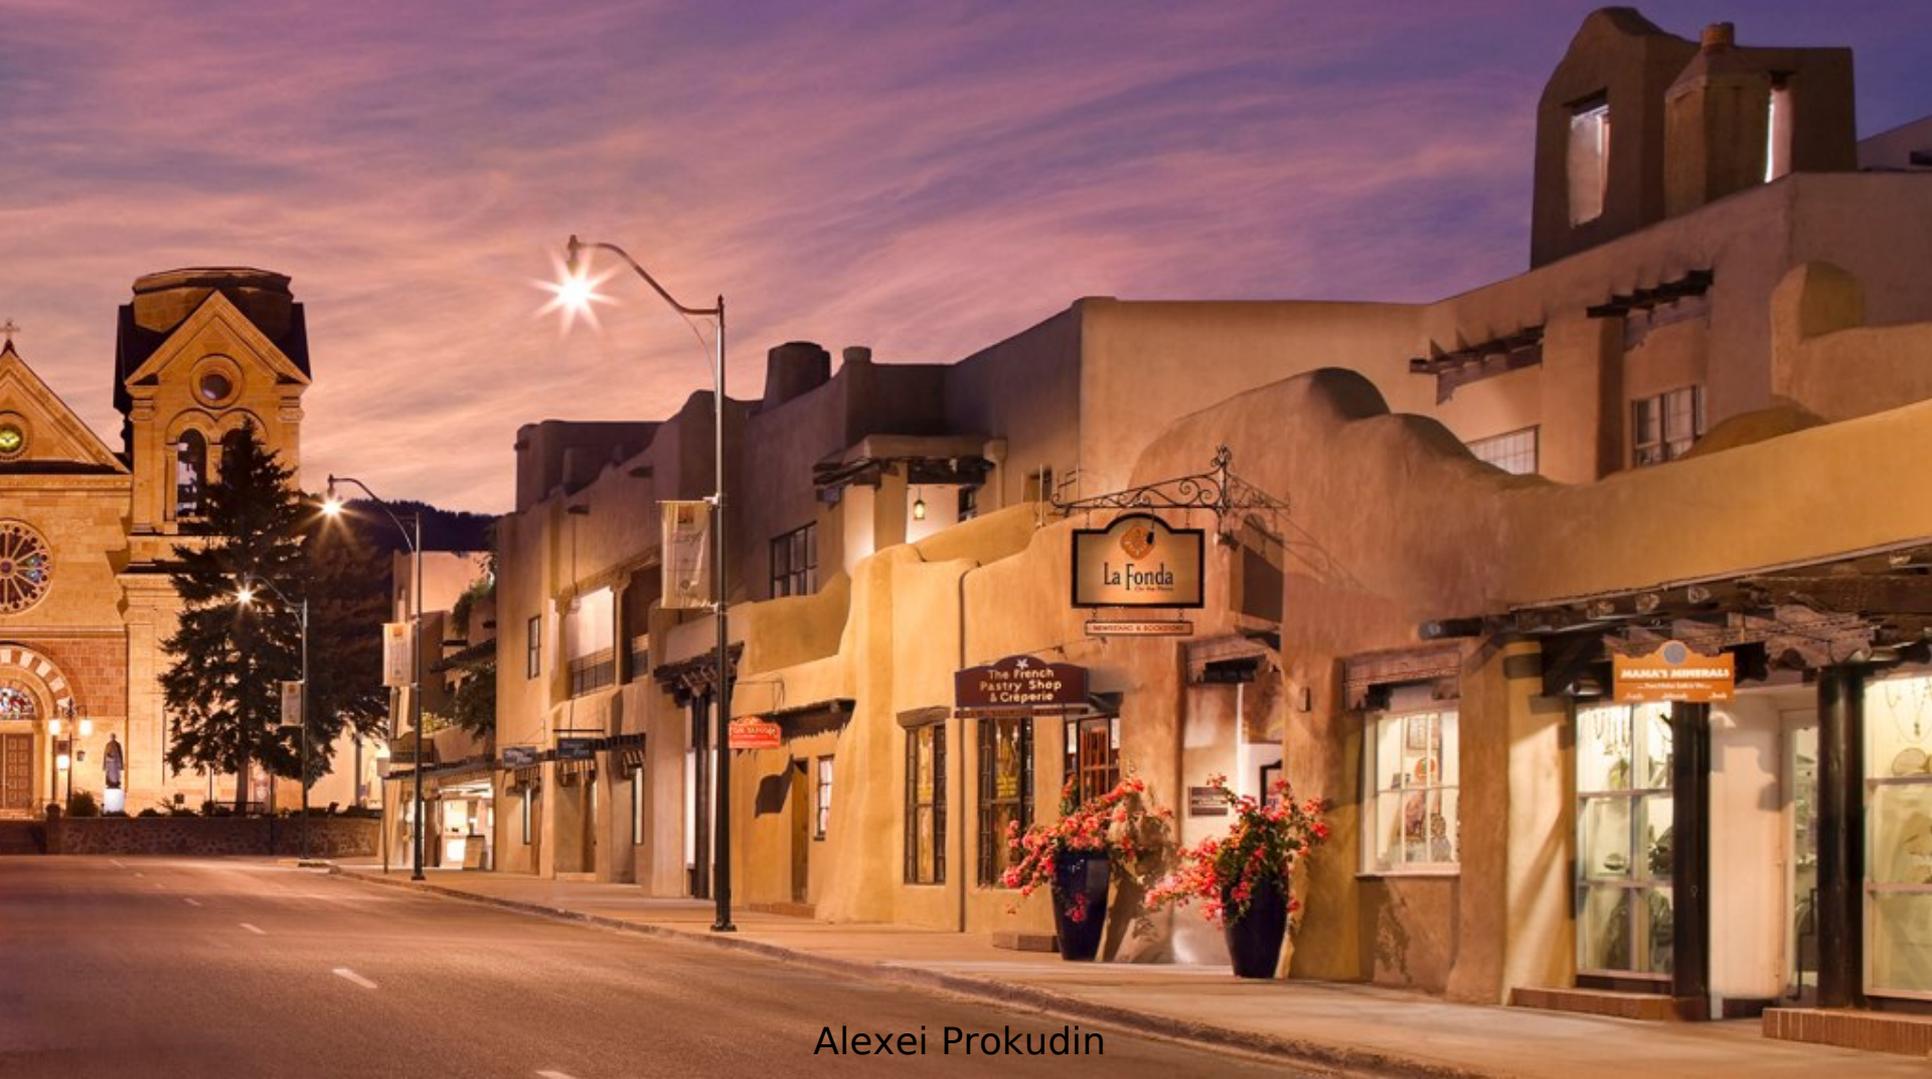

Ivan Vitev

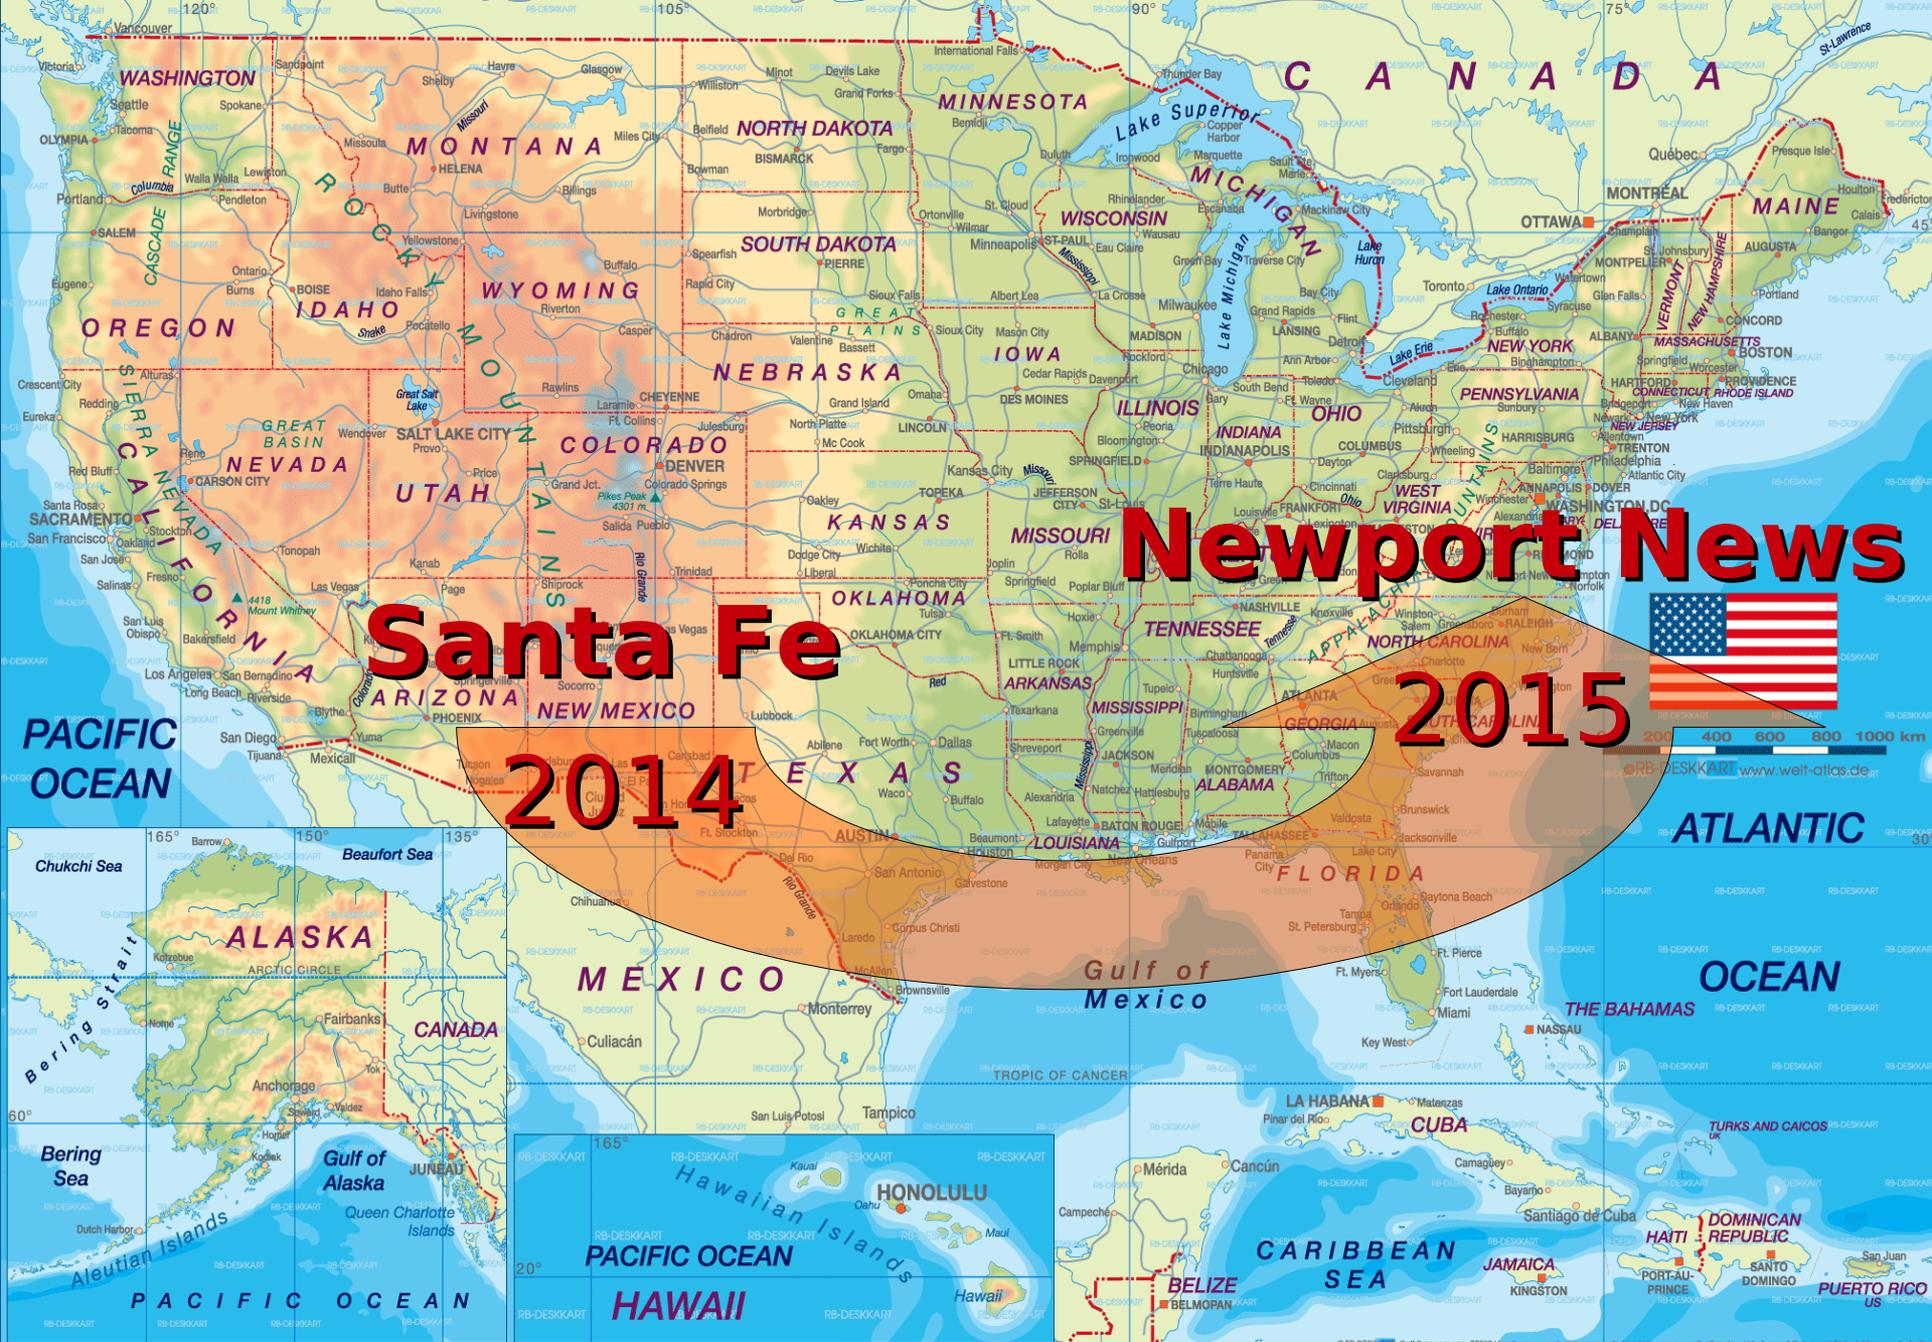

Chris Lee

QCD Evolution 2014, May 12-16 2014, Santa Fe, NM

QCD Evolution 2015

Alexei Prokudin

Dec 2013 **Jefferson Lab Three-Year Schedule**

Calendar Year		2014		2015	
Fiscal Year		2014		2015

Jefferson Lab
Newport News

We have no summary talks,
but we have proceedings:

We will send you info soon

Alexei Prokudin

**HAVE SAFE TRAVEL
BACK HOME
and
SEE YOU NEXT YEAR!**
