

Ivan Vitev

Welcome to the 2014 QCD Evolution Workshop

Santa Fe, NM
May 12-16, 2014

We are excited to have you here!

Not as organizers, but as a part of this community that pushed the boundaries of experimental and theoretical QCD research

- Alexei Prokudin (co-chair), Zhongbo Kang (co-chair)
- Anatoly Radyushkin, Ian Balitsky, Leonard Gamberg, Harut Avakian, Chris Lee, Ivan Vitev

Sponsors

- DOE Office of Science, Early Career program
- Los Alamos National Laboratory
- Jefferson Lab
- Penn State University

Los Alamos National Laboratory

- LANL is the largest National laboratory (under NNSA) (~9000 staff + contractors)
- LANL is the largest institution and employer in Northern New Mexico
- Particle and Nuclear Physics is concentrated in the Theoretical and Physics Divisions

- T-2 group: Nuclear and Particle Physics, Astrophysics and Cosmology. More than 60 staff, postdoctoral fellows, students, visitors and affiliated scientists

Santa Fe and the Inn and Spa at Loretto

- Second oldest city in the U.S. (1607)
- Capital of New Mexico. Fourth largest city in NM. (Oldest capital 1610)
- Premier vacation destination. Cultural and outdoor recreation center

- Bishop Lamy, seeks to spread the faith and bring an educational system to this new territory (1850)
- Sisters arrived in Santa Fe in 1852 and opened the Academy of Our Lady of Light (Loretto) in 1853. Closed 1968
- Built on the site of the Sister's of Loretto girls' school (1975)

Talks and schedule

Talks

- Please send the slides to kangphy@gmail.com and prokudin@jlab.org well in advance of your talk. Alternatively, bring them on a memory stick
- We will use a single mac laptop. PDFs strongly preferred. We cannot switch laptops

Schedule

- Timetable can be found in your folders
- Breakfast: light continental breakfast provided in the breezeway in front of the Zuni ballroom
- Lunch and dinner: a list of Santa Fe restaurants in folder
- Time off: Wednesday 2pm – 6pm (14:00h – 18:00h)
- Conference dinner: Wednesday 6pm (18:00h)
- Conference picture: Tuesday in the morning coffee break

Free time

- Hiking: Atalaya peak, Windsor trail
- Trip: Bandelier National Monument or Los Alamos
- Santa Fe museums

Logistics issues

Registration and support

- Registration receipts can be printed from the web. We have included a copy in your folder. (If you haven't paid see the organizers)
- We can contribute \$100 toward local expenses. Please, provide us with contact information and a receipt. Instructions in folder

Schedule II

- Due to the weather we will make small changes to the program

**Have a Productive and
Enjoyable Workshop!**
