C. Cessation of Work

Neither party guarantees that the stated period of performance is sufficient for performance and completion of the work under this Subcontract, and the work shall cease on the last day mentioned above unless the Subcontract is modified to extend the period of performance for such period of time as is mutually agreed as appropriate for completion of the work described in the *Statement of Work*. Such an extension of time shall not be a basis for a claim for additional fee by the Subcontractor.

### ARTICLE III ESTIMATE OF COST AND LIMITATIONS OF COSTS

A. Estimate of Cost

1. The estimated cost of the work and all related obligations under this Subcontract is \$ .
2. The estimated cost of this subcontract may be increased or decreased by a written modification to this subcontract issued by JSA’s Subcontracting Officer named in this subcontract.
3. Modifications shall not be considered as authorization to exceed the estimated cost unless they contain a statement exceeding the estimated cost. The parties recognize that the work described in the Statement of Work shall be performed on a no fee basis.

B. Limitation of Costs

Check the provision (1, 2, or 3) below that applies.

1. ☐ The estimated cost amount specified in paragraph A, above, is fully allocated to this Subcontract.

Pursuant to the *Limitation of Cost* clause of the General Provisions, the estimated cost amount specified in Article IIIA., above, shall be the limit of the Contractor's liability for all costs under this Subcontract, any other provision to the contrary notwithstanding, and shall not be exceeded by the Subcontractor.

2. ☐ Full funding is not presently available for this subcontract- the amount presently allocated to this subcontract for the payment of allowable costs is \$ . This Subcontract is incrementally funded and is subject to the *Limitation of Funds* clause of the General Provisions.
  - (a) The amount above covers the following work: [Describe what the work incrementally funded covers]
  - (b) It is contemplated that further allocation of funds, up to the total of estimated cost identified in paragraph A. above will be made by JSA by a written modification to this Subcontract.
  - (c) The Subcontractor shall notify JSA’s Subcontracting Officer in writing at least five working days prior to stopping the work to avoid exceeding the funding amount specified above.

3. ☐ Funds are not presently available for this subcontract.
  - (a) JSA's obligation under this subcontract is contingent upon the availability of appropriated Government funds from which payment for subcontract purposes can be made.
  - (b) No legal liability on the part of JSA (and/or Government) for any payment may arise until funds are made available to the Subcontracting Officer for this subcontract and until the Subcontractor receives notice of such availability, to be confirmed in writing by the Subcontracting Officer.
4. ☐ Other Provision (describe)

#### **ARTICLE IV REIMBURSEMENT OF COSTS**

##### **A. Allowability**

1. Costs incurred by the Subcontractor for performance of this Subcontract shall be allowable to the extent they are reasonable, allocable, and determined to be allowable in accordance with the requirements and provisions of this Subcontract and the cost principles and procedures of Subpart 31.2 of the Federal Acquisition Regulation (48 CFR Part 31.2), as modified by Subpart 931.2 the DOE Acquisition Regulation (DEAR) (48 CFR 931.2).
2. Nothing contained in this article shall authorize the Estimated Cost or funding amount stipulated in Article IIIB to be exceeded.
3. Any audit conducted hereunder shall be in accordance with the provisions of this Subcontract and the cost principles and procedures specified in A.1, above. JSA will endeavor to arrange for any audit conducted hereunder to be performed by the cognizant government audit agency, through the DOE.
4. Items acquired under this Subcontract for the advancement of research are exempt from Commonwealth of Virginia Sales and Use Tax. The Sales and Use Tax Certificate of Exemption Registration Number is 10-203974952F-001.
5. The Subcontractor shall maintain, at all times while the work is in progress, current cost information adequate to reflect the cost of performance of this Subcontract and shall prepare and furnish to JSA such written estimates of cost and information in support thereof as the Contractor may request.

##### **B. Payment**

1. The Contractor will pay the Subcontractor for performance of this Subcontract, unless excluded or limited by other provisions of this Subcontract, the allowable direct costs incident to performance, plus the allocable portion of the allowable indirect costs of the Subcontractor.
2. Allowable and allocable costs shall be determined in accordance with the cost principles of the *Allowable Cost and Payment* clause of the General Provisions.

##### **C. Provisional Indirect Costs Rates**

1. Pending final audit and determination of indirect costs, the Subcontractor shall be paid in accordance with the following provisional indirect cost rates, which rates may be revised from time to time, but not more frequently than every six months, by a unilateral modification to this

Subcontract, as recommended or approved by the cognizant government audit agency and accepted by JSA:

2. When the actual indirect rates and costs have been determined pursuant to the provisions of this Subcontract and the cost principles and procedures specified in paragraph A.1 of this article, the difference between the actual indirect costs and the provisional payments shall be paid; provided, however, that any such payment shall not cause the estimated cost or funding amount stipulated in Article III Estimate of Cost and Limitations of Costs to be exceeded.
3. In no event shall JSA be obligated to reimburse the Subcontractor for any indirect costs in excess of that derived by application of the following ceiling rates, anything in this Subcontract to the contrary notwithstanding.

<u>Type Indirect</u>	<u>Rate</u>	<u>Base</u>
Overhead Ceiling Rate	%
