

Go to Printer and Faxes for your setup of the Printing Preferences as shown in the PIC below.

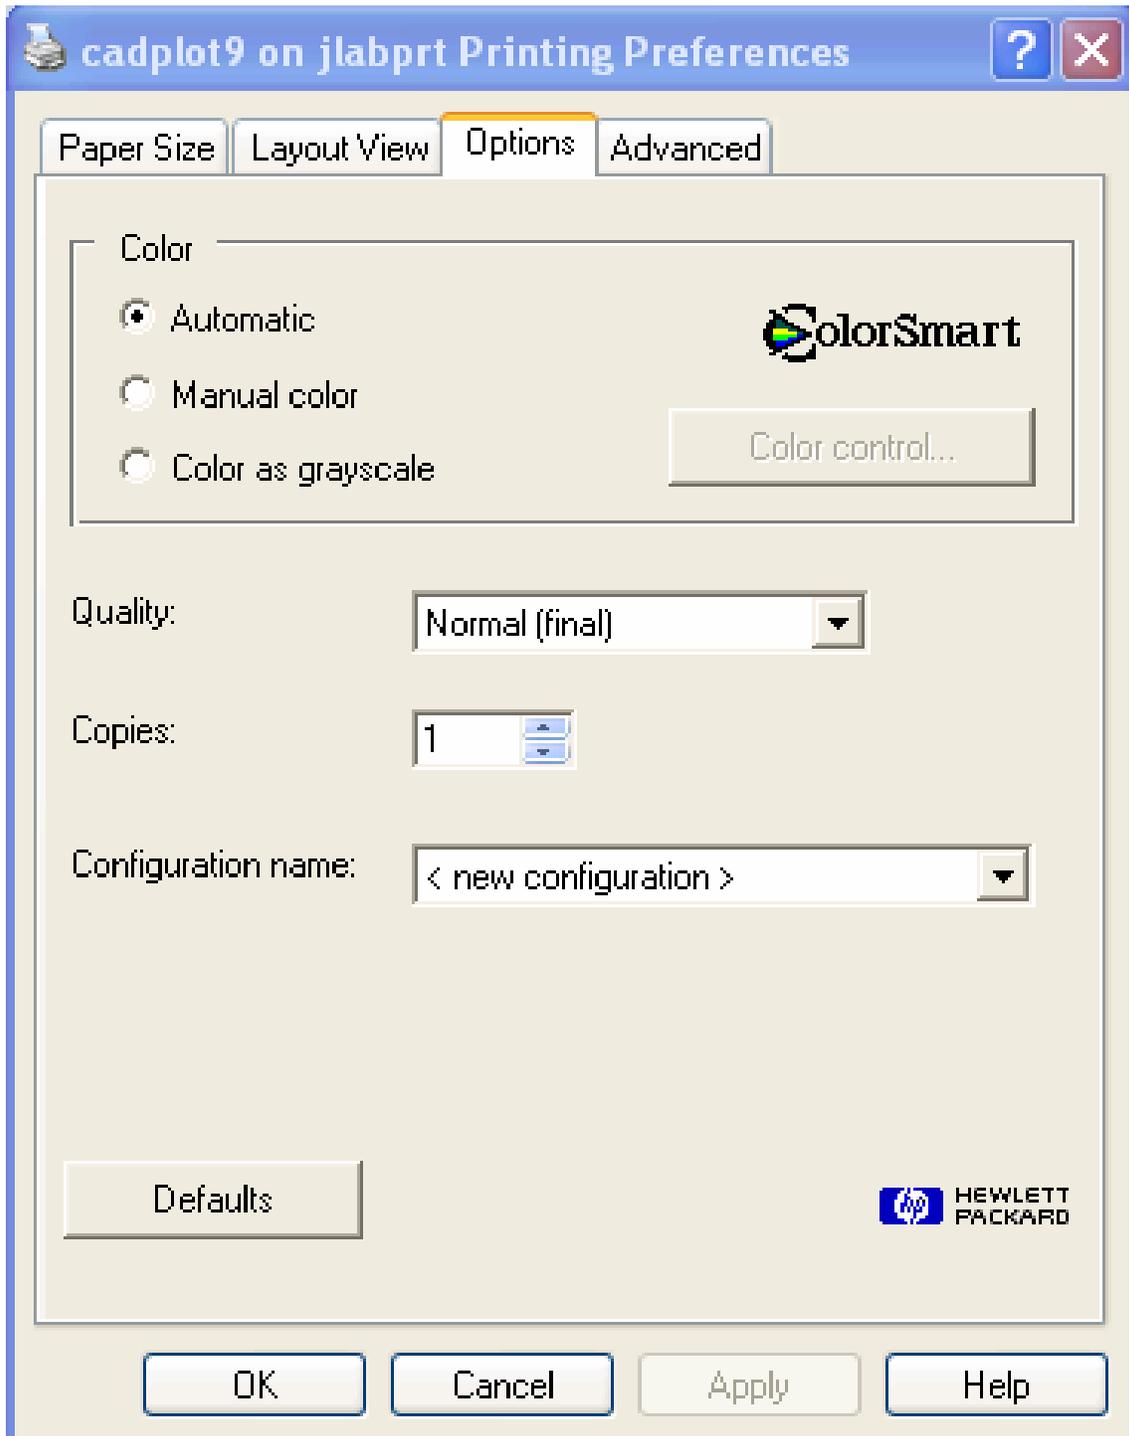

PAPER SIZE

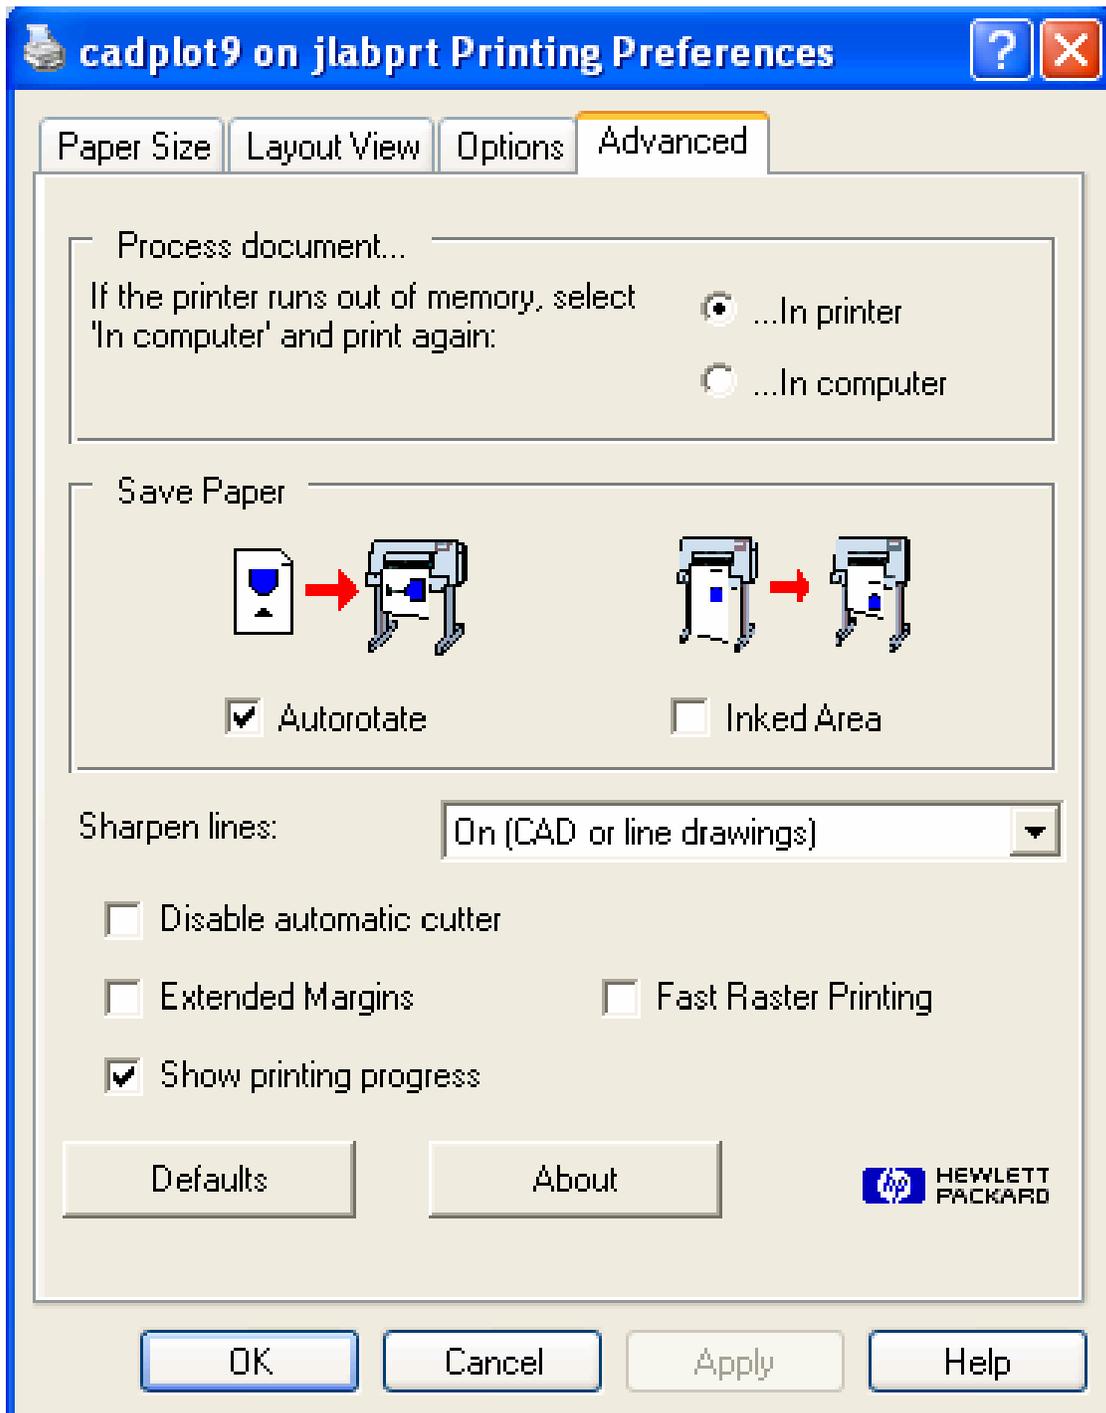

The image shows a Windows-style dialog box titled "cadplot9 on jlabprt Printing Preferences". The "Paper Size" tab is selected, with other tabs being "Layout View", "Options", and "Advanced". The dialog is divided into several sections:

- Orientation:** Two radio buttons are present: "Portrait" (selected) and "Landscape". Each is accompanied by a small icon of a page labeled "A".
- Application page size:** A dropdown menu shows "ANSI A - 8 1/2 x 11 in." with a downward arrow. To its right is a "More sizes..." button.
- Paper type:** A dropdown menu shows "Heavy Coated Paper" with a downward arrow.
- Paper source:** A dropdown menu shows "Roll 2" with a downward arrow.
- Roll size:** A dropdown menu shows "36 inch roll" with a downward arrow.
- ZoomSmart section:** Contains three radio buttons: "No scaling", "Fit to this page:" (selected), and "Use this scaling factor:". The "Fit to this page:" option has a dropdown menu showing "ANSI A - 8 1/2 x 11 in." and a "More sizes..." button. The "Use this scaling factor:" option has a numeric input field with "100" and a percentage sign.
- Buttons:** A "Defaults" button is located at the bottom left of the main content area. At the bottom of the dialog are four buttons: "OK", "Cancel", "Apply", and "Help".
- HP Logo:** The Hewlett-Packard logo and the text "HEWLETT PACKARD" are located in the bottom right corner of the dialog.
