

WELCOME TO BLUE VIEW VISION!

With Blue View Vision, you get a vision benefits plan that's flexible and easy-to use. And, to make it even easier we've outlined the basic components of your plan, so when you need quick answers about what's covered, the discounts you receive, and much more – it's all right here!

Anthem Blue View VisionSM Basic Eye Care & Eyewear Discounts

Your Blue View Vision network

Blue View Vision offers you one of the largest vision care networks in the industry, with a wide selection of experienced ophthalmologists, optometrists, and opticians. Blue View Vision's network also includes convenient retail locations, many with evening and weekend hours, including LensCraftersSM, Target Optical, and most Sears Optical and Pearle Vision locations.

Best of all - when you choose to receive care from a Blue View Vision participating provider, you receive **full in-network benefits and money-saving discounts.**

Out-of-network services

Did we mention that we're flexible? We offer you the option to receive care outside of the Blue View Vision network. If you choose an out-of-network provider, you will receive an allowance toward services and you pay the rest. **Network benefits and discounts will not apply.** When you receive eye care or eyewear from a non-participating provider, you will pay in full at the time of service then file a claim for reimbursement.

USING YOUR BLUE VIEW VISION PLAN

The Blue View Vision network is for routine eye care only. If you need medical treatment for your eyes, visit a participating eye care physician from your medical network. Your out-of-pocket expenses related to the vision benefits do not count toward your annual out-of-pocket limit and are never waived, even if your annual out-of-pocket limit is reached.

This benefit overview insert is only one piece of your entire enrollment package. Exclusions and limitations are listed in the enrollment brochure.
