- PAST: A. Caldwell (MPI), A. Deshpande(SBU), R. Ent(Jlab), G. Garvey(LANL), R. Holt(ANL), E. Hughes(Columbia), K. Imai(Kyoto), R. Milner(MIT), P. Paul(SBU), J. C. Peng(UIUC), S. Vigdor(IU)
  - **MORE LIKE THE INTERNATIONAL ADVISORY COMMITTEE**
  - **IN THE FUTURE WE ARE TRYING TO PUT TOGETEHR**
  - **NEEDS INTERNATIONAL COMPONENT**
- PRESENT: A. Bruel(Jlab), A. Deshpande(SBU), R. Ent(Jlab), P. Jacobs(LBL), C. Hyde(ODU), R. Milner(MIT), T. Ullrich(BNL), R. Venugopalan(BNL), W. Vogelsang(BNL)
  - Advisors: L. Merminga(Jlab), T. Roser (BNL)

# Our intent:

- To have an international advisory group who would advise **the two labs** AND the **collaboration** on issues of physics and realization of the project
- The two lab directors should take the lead in forming this committee
- It would be ideal if we could invite some of them to the SBU meeting.... Ambitious?
