

Memorandum

To: Departments That Park in Lots Near Scott Stadium

From: Caroline Dailey
Reserve Parking Coordinator

Date: September 8, 2006

Re: Football Game Parking & Transportation

As you know, UVA's football season kicks off on Saturday September 9, 2006. With this in mind, I am reminding departments that either have spaces or permits for any lots surrounding Scott Stadium, that all vehicles (including State Vehicles and Government Vehicles) must be moved to University Hall by 1:00am on the day of the Home Football Game. This will also apply to the lots near Cabell Hall and Ruffner Hall which are also used for football games.

If you would like to move earlier in the day on Fridays, please let me know and I will make up special dashboard permits for you or your department. You can reach me via email at cad@virginia.edu or by phone at 924-7231.
