

Jefferson Lab Alignment Group

Data Transmittal

TO: M. Mestayer, B. Miller, S. Christo

DATE: 04 Jan 2011

FROM: Kelly Tremblay

Checked:

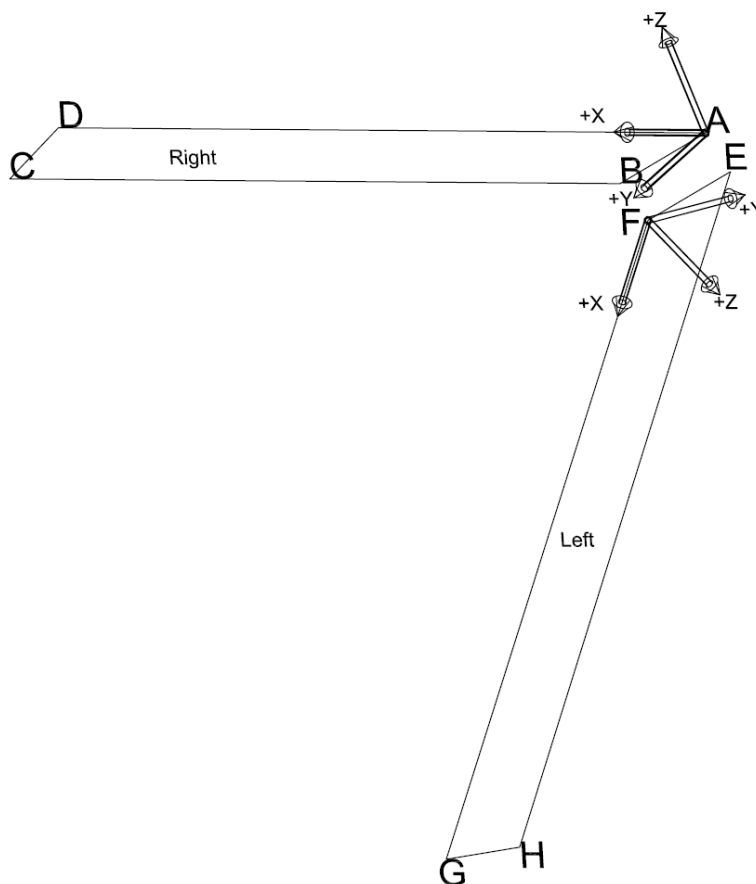

: B1361

DETAILS:

Please find enclosed the preliminary data. I'm attaching a spreadsheet with this data that shows deformation of the region 2 detector rotated in multiple sector positions.

More explanation to follow.

The following picture depicts the coordinate system used for the right and left chambers.

PRELIMINARY DATA
