Data Transmittal

TO: R. Rajuput-Ghoshal, B. Miller

DATE: 31 May 2016

FROM: Chris Gould

Checked:

: B1719

DETAILS:

M:\align\DATA\Fiduc\HallB\Torus\Mapper Fixture\160520A

The inspection and fiducial data for the upstream and downstream Torus Mapper plates can be found in the following files;

“Torus Mapper Fix Summary.xlsx”

“Mapper DS Fix.pdf”

“Mapper Us Fix.pdf”

A best-fit transformation was performed by fitting the measured values of C1-24 to the nominal values in CAD. Values are given in both mm and inches.

The pdf files may be used as the schematic for the naming convention.
