Jefferson Lab Alignment Group
DATA TRANSMITTAL

TO: Jim Dunne	**DATE:** 7-7-2000
FROM: Ken Baggett	**Checked:** **# :** DT_612

DETAILS:

The files containing the extracted coordinates for the inspection data of the Loop3 target cells are to be sent with this transmittal. The coordinate only files are labeled with a 'C' preceding the name.

The loop3 file data is stored on the m drive->align->data->inspection->Hall C->Gen00Tgt
