DATA TRANSMITTAL

TO: M. Seely, J. Dunne, D. Meekins

DATE: 12 July, 2000

FROM: Kelly Tremblay

Checked: # : C618

DETAILS:

A as-found check of the Gen2 target origin was carried out using 3 of the tooling targets on the 3rd loop. A backwards transformation to determine the origin relative to the Hall C ideal target location shows that the Gen target origin is :

1.8 mm beam left

1.1 mm downstream
