

# Jefferson Lab Alignment Group

## Data Transmittal

**TO:** T. Whitlatch, S. Razmyslovich

**DATE:** 06 Jan 2012

**FROM:** J. Dahlberg

**Checked:**

**# :** D1427

**DETAILS:**

Data: Inspection\HallD\gluex\111221a

Attached is a summary of the QC survey carried out on the Hall D GLUE-X upstream plenum disc. Refer to drawing # D00000-01-02-2036 for a list of ideal locations. Values are in inches.

**NOTE:** As requested, an average best fit coordinate system was established using the "A" points. The datum references as per the drawing were not used.
