**DETAILS:**

DATA:M:\align\DATA\Inspection\HallD\Tagger Goniometer\150408A

Below are the results of the April 8<sup>th</sup>, 2015 Hall D tagger goniometer inspection. All data is given in millimeters and relative to a beam following coordinate system where +X is left of beam, +Y is above beam, and +Z is downstream of ideal goniometer location.

Feature	X	Y	Z
Upstream Goniometer Ring Center	-155.20	50.07	-3.74
