**DETAILS:**

M:\align\DATA\Step2B\HALLC\SHMS\130607A

Below are the results of the recent Hall C SHMS bearing survey. Coordinates are in millimeters and relative to ideal Hall C beamline centered on the pivot. A positive Z is downstream; a positive X is to the beam left looking downstream.

	Z	X
HMS Flange	0.76	-0.46
SHMS Bearing	0.92	0.52
