

Nucleon Helicity(-averaged) Structure

- What do we identify as the most compelling (sub-)topic(s)?
 - why is it a “big deal”?
 - what is the “urgency”?
 - why/how does it require an EIC?
 - how will an EIC transform our knowledge?

Nucleon Helicity(-averaged) Structure

- How do we best convey this priority and our enthusiasm to our colleagues?
- How does it translate to action items for:
 - the white-paper update,
 - the town-meeting,
