Advantages of a Flexible Spending Account (FSA)

A valuable pre-tax benefit with innovative services!

FlexSystem FSA increases your take-home pay by reducing your taxable income. A Flexible Spending Account (FSA) allows you to save up to 30% on your eligible healthcare and/or dependent care expenses every year by using pre-tax dollars.

Consider how much you spend on healthcare and/or dependent care expenses for you and your qualified dependents in one year:

- prescription drugs/medications.
- medical/dental office visit co-pays.
- eye exams and prescription glasses/lenses.
- vaccinations.
- daycare tuition.

Why not reduce these expenses by using pre-tax dollars instead of after-tax dollars? With rising healthcare costs, **every penny counts!** By using pre-tax dollars, you are taxed on a lower gross salary, thereby saving money that would otherwise be spent on federal, state and FICA taxes, and thereby you **increase your take home pay!**

Employee salary reductions to a medical Flexible Spending Account (FSA) are limited to \$2,500 (2014) and \$2,550 (2015) per Plan Year, indexed for inflation. Check with your employer for your Plan's maximum annual election amount.

Putting money in an FSA is smart and safe! If you have medical FSA funds leftover at the end of the Plan Year and your employer has elected Carryover, you may carryover up to \$500 from year to year with no cost or penalty.

How FlexSystem Works

FlexSystem FSA is offered through your employer and is administered by TASC. When you choose to enroll in a FlexSystem FSA Healthcare and/or Dependent Care, you choose the dollar amount you want to contribute to each account based on your estimated expenses for the upcoming Plan Year. Your contributions will be deducted in equal amounts from each paycheck, **pre-tax**, throughout the Plan Year. **The more you contribute to these accounts, the more you save by paying less in taxes!**

Your total Healthcare FSA annual contribution amount is available immediately at the start of the Plan Year; Dependent Care FSA funds are available up to the current account balance only.

Reimbursements and the TASC Card

As you incur eligible expenses, simply swipe your TASC Card. The card automatically pays for and substantiates most eligible expenses at the point of purchase. If you do not use the TASC Card to pay for an eligible expense, simply submit a request for reimbursement via the MyTASC Mobile App, online Request for Reimbursement form in MyTASC, text message, fax, or mail.

Your reimbursement is deposited in your MyCash account. You can access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts major credit cards, (2) withdraw at an ATM using your TASC Card (with PIN), or (3) transfer to a personal bank account from MyTASC.

Pre-Tax Savings Example

	<i>Without FSA</i>	<i>With FSA</i>
Gross Monthly Pay:	\$3,500	\$3,500
Pre-Tax Contributions		
Medical/Dental Premiums	\$0	-\$125
Medical Expenses	\$0	-\$75
Dependent Care Expenses	\$0	-\$400
TOTAL:	\$0	-\$600
Taxable Monthly Income	\$3,500	\$2,900
Taxes (federal, state, FICA):	-\$968	-\$802
Out-of-pocket Expenses:	-\$600	\$0
Monthly Take-home Pay:	\$1,932	\$2,098

Net Increase in Take-Home Pay = \$166/mo!

For illustration only. Actual dollar amounts may vary.

FSA Eligible Expenses

FlexSystem FSA funds may only be used for eligible expenses under your healthcare FSA and/or dependent care FSA. Some eligible expenses include:

- Medical care services
- Prescriptions
- Dental care services
- Certain over-the-counter medications
- Vision care expenses
- Daycare tuition

More detailed lists can be found at www.irs.gov in IRS Publications 502 & 503.

Please note insurance premiums are NOT eligible for reimbursement.

Multiple Methods for Account Management

You may use any of the following self-service options to access your FlexSystem accounts and TASC Card transactions:

- **MyTASC Online:** www.tasconline.com.
- **MyTASC Mobile App:** Free download at www.tasconline.com/mobile.
- **MyTASC Text Messaging:** Elect through your MyTASC account online.

Online enrollment and account management.

Online tax-savings calculator to help determine how much to contribute.

Convenient pre-tax payroll deductions.

Benefits debit card for eligible purchases.

Mobile app for account access on the go.

Multiple self-service tools.

Fast reimbursements.

Important Considerations

FSA Funds do not Rollover:

It is important to be conservative in making elections because any unused funds left in your FSA at the close of the Plan Year are not refundable to you. (The only exception to this rule is for the Healthcare FSA where funds may carryover to the next Plan Year's healthcare FSA (up to \$500) when elected by your employer.) You are urged to take precautionary steps, such as tracking account balances on the FlexSystem website and/or using the Interactive Voice Response System, to avoid having funds remaining in your account at year-end.

Changing Elections During the Plan Year:

You may change your FSA elections during the Plan Year only if you experience a change of status such as:

- a marriage or divorce
- birth or adoption of a child, or
- a change in employment status

Refer to the Change of Election Form (available from your employer) for a complete list of circumstances acceptable for changing elections mid-year.

*Experts say savings range from **25% to 40%** with those in higher tax brackets saving more.*

BE MONEY SMART.

Put up to \$500 in a medical FSA with **no risk** of losing it at year's end.

Putting Money in an FSA is Smart *and* Safe.

Everybody has medical bills, right? Expenses for prescriptions, co-pays, doctor's office visits, glasses and contacts, and dental work add up over the course of a year. With an FSA, you can **save 30%** on these expenses by paying for them with pre-tax dollars.

Keep your money, yours.

It can be a challenge to estimate how much money to set aside each year in an FSA. But now you have a \$500 safety net! New government regulations allow you to carryover up to \$500 (if allowed by your employer) of your unused medical FSA funds from year to year.

How much will you elect this year?

Enrolling in an FSA is a savvy way to save money on health expenses. Everyone who anticipates any out-of-pocket medical expenses should take advantage of the benefits of an FSA. There is no risk to contribute at least \$500. At the end of the year, if your medical expenses are below that amount, you can carryover any amount up to \$500 and use it next year—with no cost or penalties.

If you've participated in an FSA in the past, you already know how much you can save. And now you're safe to increase your annual election by \$500, knowing if you don't use it this year, you can carryover a maximum of \$500 to the next year with **no risk of forfeiture** at the Plan Year end.

FSA contributions are deducted pre-tax from your payroll. The more you elect, the more your taxable income is reduced—which means more take-home pay!

Be Smart! Enroll in a medical FSA today.

Other FSA benefits may be offered by your employer. Ask your employer for more information.

FlexSystem® FEATURES:

- TASC Card pays for and substantiates most eligible expenses at the point of purchase.
- Reimbursements are deposited in MyCash and accessible via the TASC Card.

- Dedicated customer support team.

How to Enroll Online

A convenient, paperless enrollment from home!

Determine Your FSA Elections

To enroll in FlexSystem FSA, you must first choose which Flexible Spending Account(s) you wish to participate in for the Plan Year (as offered by your employer).

Next, determine your elections to be contributed **pre-tax** into each type of FSA from your payroll over the course of the Plan Year. Your elections are specific to each FSA and may be used for expenses incurred for that account type only, meaning that dollars set aside for dependent care may be used for dependent care expenses only and not for medical expenses.

Easy Online Enrollment

Online enrollment into FlexSystem FSA is available 24-hours a day from the convenience and privacy of your own home. Once enrolled, you may access your FlexSystem accounts online at any time.

Watch this helpful video to learn more about online enrollment:

Prescription Order Form

Make sure to sign and date the order form. For assistance call 1-800-422-4661. Have your order form and 12 digit TASC ID number ready. Please print.

1. This form replaces the Letter of Medical Necessity. Use this form to be reimbursed for products and services that require physician authorization such as Over-the-Counter (OTC) medicines or drugs and other non-OTC medicine products and services.
2. Complete Section I (including your signature and the date) and Section II (Patient Name, Treatment Prescribed and Reason for Treatment) prior to visiting your Medical Practitioner.
3. Bring this form with you to your next medical appointment and request that the attending Medical Practitioner complete Section II (Instructions/Restrictions) and Section III.
4. Instruct them to follow the specific pharmacy/prescription laws in their respective state when completing the Instructions/Restrictions portion (Section II).
5. You may use the same form for each individual in your household for whom you purchase healthcare expenses, as long as the same Medical Practitioner is completing the form
6. TASC Card purchases of OTC medicines or drugs require a prescription from your medical practitioner. Do not use this Prescription Order Form when using your TASC Card to purchase OTC medicines or drugs. The Prescription Order Form may be used in place of a prescription for all other methods of Requests for Reimbursement (online, faxed, or mailed).
7. FlexSystem and DirectPay Participants must submit a copy of this completed form to TASC with each Request for Reimbursement (if submitting online, include a copy with your receipts and Veriflex (FlexSystem only) Cover sheet). Prescription Order Forms received without a Request for Reimbursement or Veriflex (FlexSystem only) Cover Sheet will not be processed. AgriPlanNOW and BizPlanNOW Participants should retain the completed Form for their own records.

Orthodontia Worksheet and Instructions

The treatment of orthodontic expenses under a Medical Flexible Spending Account (FSA) is different than other medical expenses because services generally span more than one Plan Year. Under IRS regulations the service must be reimbursed from the same FSA Plan Year in which the services were provided and the service must have been incurred. Nevertheless, IRS officials have informally commented that a pre-payment of orthodontia expenses is permissible in certain instances. Below are the various options for reimbursement of orthodontic services, instructions on how to submit a reimbursement request for orthodontic expenses and instructions on completing the Orthodontia Worksheet.

If a service agreement or contract has been drawn between the orthodontic provider and participant agreeing on services provided and payments due over the course of the treatment, the participant is reimbursed on a monthly basis according to the agreement. Reimbursements for these payments may span over one or more FSA Plan Years, as per the agreement. For example, if the agreement indicates a one-time payment of \$500 upon placement of the braces and a monthly fee of \$50 thereafter for 2 years, the amounts eligible for reimbursement are those incurred within each Plan Year (up to your current remaining balance). Pre-payments of monthly fees are not reimbursable as the service must be provided and payment must have a due date within your Plan Year coverage period. (Payments due in one Plan Year cannot be reimbursed from the next Plan Year.)

If full payment is required by the orthodontic provider before services can begin, the total cost for the treatment is eligible for reimbursement when the work is started and the payment is made. A one-time reimbursement for the total cost of the treatment up to your current available balance may be made from your current Plan Year Medical FSA. For example, if a full payment of \$3,000 is required at time of placement and your current Medical FSA balance is \$2500, you are eligible to be reimbursed for \$2500.

If the orthodontic provider does not offer the options above, complete the Orthodontia Worksheet to determine the monthly amount that may be eligible for reimbursement from your Medical FSA.

Loan payments and interest on a loan are not eligible expenses. Thus, the TASC Card cannot be used to make payments to a loan company. Complete the Orthodontia Worksheet if no other receipt or contract is available from the orthodontic provider.

Submitting orthodontia expenses for reimbursement:

1. A Request for Reimbursement Form must be completed each time you want to be reimbursed.
2. With each Request for Reimbursement, include a copy of the orthodontic contract, coupon (if provided a payment book) or itemized receipt. All documentation must clearly indicate the month and year of the service provided (or payment due date), the monthly payment amount, the name of the provider and a description of the service (orthodontia, braces, placement or banding fee).
3. In the absence of a contract or service agreement:
 - a. Complete the Orthodontia Worksheet
 - b. Have it signed by your orthodontist;
 - c. Submit with each Request for Reimbursement.
4. Initial payments, banding or placement fees are eligible for reimbursement upon placement. An itemized receipt must accompany the Request for Reimbursement Form that indicates the service is a banding or placement fee instead of a monthly fee.
5. A Request for Reimbursement of payment in full for orthodontic treatment at the start of the orthodontic services requires an itemized receipt from the orthodontic provider to accompany the Request for Reimbursement.

In the absence of a contract or service agreement the orthodontic provider must apportion the total cost of the treatment, less the initial payment due and any payments expected from your insurance company or provider discounts to the remaining number of months required for treatment. This will determine the monthly payment amount eligible for reimbursement from the Medical FSA. Include a **copy** of this completed form with each Request for Reimbursement Form submitted to TASC.

1. Enter the total cost for the duration of the treatment in the *Total Cost* section in below.
2. Enter in any insurance payments and provider discounts.
3. Enter the estimated portion of the total cost that is apportioned to the services provided in the first visit (when the braces are applied) in the *Initial Payment Due* section. (Generally one-third or less of the total cost.)
4. Subtract the insurance payments, provider discounts and initial payment due from the total cost and enter this amount in the *Total Remaining Balance* section.
5. Enter the number of months the treatment is expected to continue after placement of the braces.
6. Divide the Total Remaining Balance by the number of months and enter this amount in the *Monthly Payment* section. This is the amount eligible for reimbursement from the FSA on a monthly basis.

The TASC Card

MyBenefits. MyCash. MyWay

Offering ease and convenience for your FlexSystem FSA!

The TASC Card features two accounts on one card—MyBenefits for employee benefits purchases—and MyCash for cash reimbursements.

Visit MyTASC (www.tasconline.com) and click Manage My Card to view card information, view allowed benefits, reissue a card (due to never received, damaged, lost/stolen, or name change), request a PIN, and request a dependent card.

MyBenefits.

The TASC Card provides a convenient method to pay for eligible healthcare, dependent care, and/or transit and parking expenses as defined by your FlexSystem Plan. MyBenefits is funded through equal pre-tax payroll deductions based on your annual benefit election.

Card purchases are limited to your Plan type, and also to merchants with an inventory information approval system (IIAS) in place to identify FSA-eligible purchases. Qualifying merchants may include doctors, dentists, vision care facilities, and day care centers. Simply swipe your card at the time you incur the eligible expense and the IIAS automatically approves the purchase of eligible items and deducts the amount from your MyBenefits account.

MyCash.

Reimbursements are fast and paperless! If you do not use your TASC Card to pay for an eligible expense, you may submit a request for reimbursement via MyTASC Mobile (visit www.tasconline.com/mobile for more information), online Request for Reimbursement form in MyTASC, text message, fax, or mail. Your reimbursement will be deposited in your MyCash account. Access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts major credit cards, (2) withdraw at an ATM using your TASC Card, or (3) transfer to a personal bank account from MyTASC.

Spend your MyCash funds any way and anywhere you want! Click the MyCash tab in MyTASC to view account activity, request a PIN (for ATM), schedule a transfer, and more.

MyWay.

- Access to two accounts on one card makes the TASC Card more versatile than ever!
- Avoid embarrassing declines. MyCash funds can be used to pay for eligible expenses if no funds are available in your MyBenefits account.
- Combine general retail items with healthcare expenses in one transaction. The TASC Card is smart enough to know that eligible expenses are deducted from your MyBenefits account while ineligible expenses are withdrawn from MyCash.
- Transfer MyCash funds to a personal bank account (from MyTASC, click MyCash, then Schedule MyCash Transfer).

The TASC Card is available for the following FlexSystem FSAs (where applicable):

Healthcare
Dependent Care
Transit & Parking

Keep your receipts!

FSA Eligible Expenses

FlexSystem FSA funds may only be used for eligible expenses under your healthcare and/or dependent care FSA. Some eligible expenses include:

- Medical care services
- Dental care services
- Vision care expenses
- Prescriptions
- Daycare tuition

More detailed lists can be found at www.irs.gov in IRS Publications 502 & 503. Please note insurance premiums are NOT eligible for reimbursement.

TASC Card: Frequently Asked Questions

How do I obtain a TASC Card?

Once your employer elects the TASC Card feature, a TASC Card is mailed directly to the your home address along with a Cardholder Agreement.

Can I request a card for my dependent or spouse?

You may request one additional card for a dependent or spouse free of charge. From MyTASC, click Manage My Card, Issue a Dependent Card, and follow the prompts. A \$10 fee is charged for each additional dependent card. A maximum of three dependent cards may be requested.

How long is my TASC Card good for?

Your TASC Card is good for four years. So hang on to it! Even if you deplete this year's benefits funds, you'll be able to use the TASC Card again next year when you re-enroll in your Plan. (Funds in MyCash are not tied to any type of Plan Year and do not expire.) If you throw out or lose your card before it expires, a \$10 reissue fee will be automatically withdrawn from your FlexSystem account (pre-tax).

How can I replace a lost or stolen TASC Card?

You must notify FlexSystem immediately to report a lost or stolen TASC Card. To do so, (a) log in to MyTASC (www.tasconline.com) and click Manage My Card, Reissue Card, and select Lost/Stolen as the reason for reissue; or (b) submit an online MyService Request (from MyTASC, click Contact Us); or (c) call Customer Care at 608-241-1900 or toll-free at 800-422-4661. A new card will be issued and a \$10 reissue fee will be automatically withdrawn from your FlexSystem account (pre-tax). Expect your card to arrive within 7-15 days.

How do I manage my account online?

Simply log in to MyTASC (www.tasconline.com) and click Manage My Card to view cardholder information, view approved benefits, reissue a card, request a PIN, and request a dependent card.

How do I access my MyCash reimbursements?

If you did not use your TASC Card to pay for an eligible expense, simply submit a reimbursement request via the online Request for Reimbursement form in MyTASC, the MyTASC Mobile App, text, fax, or mail. Your reimbursement will be deposited into your MyCash account. You can access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts MasterCard*, (2) withdraw at an ATM (with a PIN) using your TASC Card, or (3) transfer to a personal bank account from MyTASC (click MyCash, then Schedule MyCash Transfer).

* Currently, the TASC Card MyCash feature does not work at CVS Pharmacy, ShopKo, and Walmart.
