

Summary of changes to Optima Vantage 10/25 HMO Plan

Covered Services	Optima Vantage 10/25 HMO Plan	
	CURRENT	APRIL 1, 2012
Autism Spectrum Disorder (Children ages 2 through 6)	Not covered	Diagnosis and Treatment - The member cost share (copay) is based upon the service rendered. Applied Behavioral Analysis - Coverage limited to an annual benefit of \$35,000.
Durable Medical Equipment	\$3,000 annual benefit limit	No annual benefit limit
Early Intervention Services (Children birth to age 3)	\$5,000 annual benefit limit	No annual benefit limit *
Annual Preventive Vision Exam	\$15 copay	Covered in full
Home Health Care	Limit of 100 visits per calendar year	No limit

* The Early Intervention Service benefit currently has a statutory limit of \$5,000. The Evidence of Coverage will state a \$5,000 limit. However, Optima will consider this to be an essential benefit under PPACA and will not administer the limit effective April 1, 2012.
