**Effective April 1, 2011**

**The following is a list of Health Reform changes effective October 1, 2010 for all Optima Health Plans upon group renewal**

**Dependent Children:**

Dependents are eligible to remain on the parent's plan until the end of the month of their 26th birthday.

**Special Enrollment for age 26:**

Children under age 26 that aged off their parent's health plan or were not allowed to enroll because they did not meet their plan's dependent age requirements are eligible to enroll in the plan during the 30 day special enrollment period. The Special Enrollment Period begins on the date of notification.

**Rescissions:**

Patient protections under health care reform give health plan members certain rights for access to, and choice of providers. All plan and issuers, except grandfathered plans, that require a member designate a PCP must comply with the following:

1. Plans must permit members to choose any available plan provider
2. Children must be allowed to choose a plan pediatrician
3. Plans may not require authorization or referral by the plan, issuer, or any person (including a primary care provider) in the case of a female member who seeks coverage for obstetrics or gynecological care provided by a participating health care professional who specializes in obstetrics or gynecology (pre-authorization can be required for service, but not access).
4. Plans must provide notice to members of their rights.

**Preventive Care Visits:**

Preventive care visits will be covered with no Copayment, Coinsurance, or Deductible required when received from an in-network plan provider.

## Notes

All benefits are subject to the terms and conditions in the *Evidence of Coverage* OHP.HMO.EOC.09

Applicable Copayments or Coinsurances for, vision care, outpatient prescription drugs, any ridered benefits except morbid obesity, any covered medical expenses paid at a rate of 50% or less, except vaccines do not count toward the Maximum Out of Pocket Amount and must continue to be paid after the Maximum Out of Pocket Amount has been met.
- 2** Coverage for obstetrical services as an inpatient in a general Hospital or obstetrical services by a Physician shall provide such benefits with durational limits, Deductibles, Coinsurance factors, and Copayments that are no less favorable than for physical Illness generally. If the Plan charges a Global Copayment for prenatal, delivery, and postpartum services the Member is entitled to a refund from the Delivering Obstetrician if the total amount of the Global Copayment for prenatal, delivery, and postpartum services is more than the total Copayments the Member would have paid on a per visit or per procedure basis.
- 3** Benefits are payable at the percent specified of the Plan's fee schedule.
- 4** Amounts in excess of a benefit dollar limit and/or visit limit as stated in the Face Sheet or added by a Plan rider are excluded from Coverage.
- 5** All Emergency, Urgent Care, Ambulance and Emergency Mental Health Services may be subject to Retrospective Review to determine the Plan's responsibility for payment. If the Plan determines that the condition treated was not an emergency, the Plan will have no responsibility for the cost of the treatment and the Member will be solely responsible for payment. In no event will the Plan be responsible for payment for services from Non-Plan Providers where the service would not have been covered had the Member received care from a Plan Provider.

## Optima Vantage \$10/20/40/40 Outpatient Prescription Drug Rider

This rider covers outpatient prescription drugs. All drugs must be approved by the United States Food and Drug Administration (FDA). Some drugs require Pre-Authorization and some quantities may be limited. Please read this rider's limitations and exclusions carefully. Optima places covered drugs into Tiers that determine Your Copayment or Coinsurance amounts. Tier definitions and Your Copayments or Coinsurance amounts are listed below. If Your Plan has a Deductible or a Maximum Benefit that is also listed below. You can call Member Services or log on to [www.optimahealth.com](http://www.optimahealth.com) to find out what Tier a drug is in.

- **Preferred (Tier 1)** drugs include the majority of commonly prescribed and widely available generic drugs. Some preferred drugs are covered at this lowest Copayment level. Some brand-name drugs may be included in this category if the Plan recognizes they show documented long-term decreases in Illness and death. Large published peer-reviewed clinical trials are used to make this determination.
- **Standard (Tier 2)** drugs include brand-name drugs that are considered by the Plan to be standard therapy, and generic drugs with significantly higher costs than the average Tier 1 generic drugs that are considered by the plan to be standard therapy.
- **Premium (Tier 3)** drugs include those generic and brand name drugs not included by the Plan on Tier 1 or Tier 2. These may include single source brand name drugs that do not have a generic equivalent or therapeutic equivalent. Drugs on this tier may be higher in cost than equivalent drugs, or drugs determined to be no more effective than equivalent drugs on lower tiers.
- **Premium Plus (Tier 4)** drugs include those drugs not classified by the Plan as Tier 1, Tier 2, or Tier 3; those drugs not excluded from Coverage under the Pharmacy Rider; and those drugs that are not recognized by the Plan to be any more effective than other drugs available at Tier 1, Tier 2, or Tier 3 or over the counter.

### Copayments and Coinsurances.

**For a single Copayment or Coinsurance charge You may receive up to a consecutive 31-day supply of a covered drug. A Copayment is a flat dollar amount. A Coinsurance is a percent of Optima's Allowable Charge.** Certain prescription drugs will be covered at a generic product level established by the Plan. If a generic product level has been established for a drug and You or Your prescribing Physician requests the brand-name drug or a higher costing generic, You must pay the difference between the cost of the dispensed drug and the generic product level in addition to the Copayment charge.

<b>Preferred (Tier 1)</b>	\$10 Copayment
<b>Standard (Tier 2)</b>	\$20 Copayment
<b>Premium (Tier 3)</b>	\$40 Copayment for Tier Three drugs.
<b>Premium Plus (Tier 4)</b>	\$40 Copayment for Tier Four drugs.

### Mail Order Pharmacy Benefit Copayments and Coinsurances

### Out-Of-Network Claim Form

Most EyeMed Vision Care plans allow members the choice to visit an in-network or out-of-network vision care provider. You only need to complete this form if you are visiting a provider that is not a participating provider on the EyeMed network. Not all plans have out-of-network benefits, so please consult your member benefits information to ensure coverage of services and/or materials from non-participating providers.

If you choose an out-of-network provider, please complete the following steps prior to submitting the claim form to EyeMed. Any missing or incomplete information may result in delay of payment or the form being returned. Please complete and send this form to EyeMed within 1 year from the original date of service at the out-of-network provider's office.

1. When visiting an out-of-network provider, you are responsible for payment of services and/or materials at the time of service. EyeMed will reimburse you for authorized services according to your plan design.
2. Please complete all sections of this form to ensure proper benefit allocation. Plan information may be found on your benefit ID Card, or via your human resources department.
3. EyeMed will only accept **itemized paid receipts** that indicate the services provided and the amount charged for each service. The services must be paid in full in order to receive benefits. Handwritten receipts must be on the provider's letterhead. Attach itemized paid receipts from your provider to the claim form. If the paid receipt is not in US dollars, please identify the currency in which the receipt was paid.
4. Please include a copy of your Explanation of Benefits if submitting for a Secondary Insurance Benefit.
5. If the reimbursement is to be sent to someone other than the primary subscriber, a copy of a cancelled check or credit card receipt (in addition to the paid itemized receipt) must be included. A copy of a receipt showing payment in cash is also acceptable.

**If applicable, check the box for payment to be addressed to the patient in lieu of the subscriber.**

By signing below, you are representing that you are legally divorced or separated and the patient is entitled to the reimbursement. If it is later determined that the patient was not entitled to the reimbursement, you agree to refund EyeMed in full.

# Alternative Medicine Discount Program

---

Each covered individual is offered a discount on acupuncture, chiropractic, and massage therapy services administered by American Specialty Health Networks™ (ASHN). Participating providers extend up to a 25% discount off their usual and customary charges.

## ***How to receive services***

Select a participating complementary healthcare provider from the Plan's Benefit Information Guide or from the Plan's Web site [optimahealth.com](http://optimahealth.com).

Schedule an appointment with a participating provider. A physician referral is not necessary. The participating provider will develop, if necessary, a treatment plan for the member. There are no visit limitations. A change from a participating provider is permitted at any time.

In order to receive the complementary discount, present your member ID card to the participating provider at the time of service. The member is responsible for payment of services at each visit. There are no claim forms to file.

If chiropractic care is covered under the Plan's medical benefit, the member may find it beneficial to use this discount program after the annual Plan limit has been met, or for services not covered under that benefit.

## ***Additional Information***

For more information regarding this discount program, or to nominate a provider not yet in the network, please call ASHN's Member Services at 1-877-327-2746 or refer to the Plan's Web site [optimahealth.com](http://optimahealth.com). ASHN's Member Service representatives are available from 8 a.m. to 9 p.m. (Monday-Friday).

Current members with questions regarding benefits should call Member Services at the number on the ID card. If you are considering enrolling for the first time and have questions, please consult with your group's Benefit Administrator. A Telecommunications Device for the Deaf (TDD) can be accessed by dialing 1-800-225-7784.
