

# Vision Care and Materials Rider

---

This rider includes Covered Services for expanded vision care services in lieu of Preventive Vision Care Benefits.

EyeMed Vision Services administers this benefit for vision care services and materials. Each Covered Person is eligible to receive a routine eye examination, refraction, and lenses, frames, and contact lenses once every 12 months from an EyeMed network provider for the Copayment of \$15, per eye examination and materials.

Contact lens examinations require the eye examination Copayment plus the difference between the contact lens examination cost and the eyeglass examination cost. Lenses (single, vision, bifocal, trifocal) are covered in full. Frames are covered in full up to \$100 retail. Contact lenses (in lieu of glasses) are also covered in full up to \$100 retail.

For eye examinations from Out-of-Network providers, Members will be reimbursed \$30 for an eye examination only.

Copayments or Coinsurance for Covered Services under this rider are not applied toward any Plan maximum out of pocket and must continue to be paid after the maximum is met.

To receive Covered Services:

1. Select a participating EyeMed Vision Services network provider from the Plan's provider directory or by calling EyeMed at 1-888-610-2268. Automated location information is available 24 hours a day. Customer service representatives are available Monday through Friday 9 a.m. - 9 p.m., and Saturdays 9 a.m. - 5 p.m.
2. Visit or call the participating provider and identify yourself as a member by providing your Member ID information. The provider will verify eligibility, your Plan's Covered Services and any applicable Copayment or Coinsurance. Payment is due when you receive services.
3. If the vision provider determines that you need additional medical care you should contact your Plan Physician.

## ***Additional Information***

Current members with questions regarding benefits should call Member Services at the number on their ID card. If considering enrolling for the first time and you have questions, please consult with the group's Benefits Administrator.

### Out-Of-Network Claim Form

Most EyeMed Vision Care plans allow members the choice to visit an in-network or out-of-network vision care provider. You only need to complete this form if you are visiting a provider that is not a participating provider on the EyeMed network. Not all plans have out-of-network benefits, so please consult your member benefits information to ensure coverage of services and/or materials from non-participating providers.

If you choose an out-of-network provider, please complete the following steps prior to submitting the claim form to EyeMed. Any missing or incomplete information may result in delay of payment or the form being returned. Please complete and send this form to EyeMed within 1 year from the original date of service at the out-of-network provider's office.

1. When visiting an out-of-network provider, you are responsible for payment of services and/or materials at the time of service. EyeMed will reimburse you for authorized services according to your plan design.
2. Please complete all sections of this form to ensure proper benefit allocation. Plan information may be found on your benefit ID Card, or via your human resources department.
3. EyeMed will only accept **itemized paid receipts** that indicate the services provided and the amount charged for each service. The services must be paid in full in order to receive benefits. Handwritten receipts must be on the provider's letterhead. Attach itemized paid receipts from your provider to the claim form. If the paid receipt is not in US dollars, please identify the currency in which the receipt was paid.
4. Please include a copy of your Explanation of Benefits if submitting for a Secondary Insurance Benefit.
5. If the reimbursement is to be sent to someone other than the primary subscriber, a copy of a cancelled check or credit card receipt (in addition to the paid itemized receipt) must be included. A copy of a receipt showing payment in cash is also acceptable.

**If applicable, check the box for payment to be addressed to the patient in lieu of the subscriber.**

By signing below, you are representing that you are legally divorced or separated and the patient is entitled to the reimbursement. If it is later determined that the patient was not entitled to the reimbursement, you agree to refund EyeMed in full.
