Will Preparation Service²

To help ensure your decisions are carried out

Like life insurance, a carefully prepared Will (Simple, Complex or Living) along with a Power of Attorney are important. With a will, you can define your most important decisions such as who will care for your children or inherit your property.

Living Will:

- Ensures your wishes are carried out, and protects your loved ones from making these very difficult and personal medical decisions by themselves.
- Also called an “advanced directive,” it is a document authorized by statutes in all states. A person appoints someone as his/her proxy or representative to make decisions on maintaining extraordinary life-support if the person should become incapacitated so that he or she is unable to communicate his or her wishes.

Powers of Attorney:

- Allows you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated. It is a written document that grants an individual the power to act on the grantor's behalf.

By enrolling for Supplemental Term Life coverage, you will have access to Hyatt Legal Plans' network of 12,000 participating attorneys. When you enroll in this plan, you may take advantage of face-to-face access to a participating plan attorney to prepare or update a will, living will or powers of attorney.* When you use a participating plan attorney there will be no charge for the services*. To obtain the legal plan's toll-free number and your company's group access number please contact your employer or your plan administrator for this information.

* You also have the flexibility of using an attorney who is not participating in the Hyatt Legal Plans' network and being reimbursed for covered services according to a set fee schedule. In that case you will be responsible for any attorney's fees that exceed the reimbursed amount.

MetLife Estate Resolution ServicesSM—ERS³

Accidental Death & Dismemberment Coverage Options

This valuable coverage is available to you even if you already have accident insurance. Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a Table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.

Standard Additional Benefits Include

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:
