DECLARATION SECTION

Each person signing below declares that all the information given in this enrollment form, including any medical questions, is true and complete to the best of his/her knowledge and belief. Each person understands that this information will be used by MetLife to determine his or her insurability.

The employee declares that he or she is actively at work on the date of this enrollment form and, for purposes of any contributory life insurance, that he or she was actively at work for at least 20 hours during the 7 calendar days preceding the date of enrollment. In addition if the employee is not actively at work on the scheduled Effective Date of contributory life insurance, such insurance will not take effect until the employee returns to active work. This does not apply to replacement contracts.

On the date dependent insurance for a person is scheduled to take effect, the dependent must not be confined at home under a physician's care, receiving or applying for disability benefits from any source, or Hospitalized. If the dependent does not meet this requirement on such date, the insurance will take effect on the date the dependent is no longer confined, receiving or applying for disability benefits from any source, or Hospitalized.

For the Accelerated Benefits Option

Life Insurance may include an Accelerated Benefits Option under which a terminally ill insured can accelerate a portion of his or her life insurance amount. Receipt of accelerated benefits may affect eligibility for public assistance and an interest and expense charge may be deducted from the accelerated payment.

For Changes Requested After Initial Enrollment Period Expires

I understand that if life or disability coverage is not elected, or if the maximum coverage is not elected, evidence of insurability satisfactory to MetLife may be required to elect or increase such coverage after the initial enrollment period has expired. Coverage will not take effect, or it will be limited, until notice is received that MetLife has approved the coverage or increase.

For Payroll Deduction Authorization By the Employee

I authorize my employer to deduct the required contributions from my pay for the coverage requested in this enrollment form. This authorization applies to such coverage until I rescind it in writing.
