

**U.S. Customs and Border Protection (CBP) Announces Automation of Form I-94  
Arrival/Departure Record**

**U.S. Customs and Border Protection (CBP) will begin automation of the I-94 records on April 26, 2013 at selected airports with complete implementation at all airports by May 30, 2013. Non-immigrants traveling to the U.S. by air or sea will no longer be required to fill out a paper I-94 form and will no longer have a paper record in their passport.**

**With the new CBP process, a CBP officer will electronically stamp the passport of each arriving non-immigrant traveler. The admission stamp will show the date of admission, class of admission, and the end date in the U.S. for the traveler. On arrival, travelers will also receive a flier alerting them to go to [CBP.gov/I94](http://CBP.gov/I94) to view/retrieve admission record information.**

**Travelers needing a hard copy of the I-94 form to obtain a Social Security card, state driver's license, complete an employer's I-9 process or prove legal status to universities, etc. will be able to print their record immediately from a CBP website ([CBP.gov/I94](http://CBP.gov/I94)) available at the end of April 2013. The electronic record should expedite the wait period to receive the above referenced documents.**

**Upon exiting the U.S., travelers will no longer have a paper I-94 form to surrender. CBP will record the departure electronically via manifest information provided by the carrier or by CBP.**

**For more information and for answers to frequently asked questions, visit CBP's Form I-94 webpages at [http://www.cbp.gov/xp/cgov/travel/id\\_visa/i-94\\_instructions/i94\\_rollout.xml](http://www.cbp.gov/xp/cgov/travel/id_visa/i-94_instructions/i94_rollout.xml)**

**Sue Ewing (ext. 7687) or Tara Wilkerson (ext. 6119) are also available to assist with inquiries as needed.**
