Current Webstock Application

The screenshot shows the Jefferson Lab WebStock application. At the top, there are navigation tabs: Logout, Favorites, Query, Authorize, Admin, and View. The main header includes 'Technical Stockroom and E-Commerce Requests' and 'Jefferson Lab WebStock'. A 'Breaking News' box reports a suspected overpricing by Renee Carter at 7954. Below this is a 'Top Level Catalog Index' with a 'Suppliers' section listing various categories like 'JLAB Onsite Technical Stockroom', 'Mech Supplies', 'Chemicals', 'Tools', 'Safety Shoes', 'Scientific Laboratory', 'Recycled Content Products', 'Mech Supplies', 'Electronics', 'Office Supply and Furniture', 'Computer Software & Supplies', 'Industrial Safety and Hygiene', and 'Fittings and Valves'. A search bar is present with 'Part#' and 'Keyword(s)' fields. At the bottom, there is a table with columns 'Brake?', 'Org', 'Limit', and 'Spent', showing a row for 'N' with 'MIS' and values '\$300.00' and '\$0.00'. A 'Cart Status' box shows 'Total Items: 0', 'Tech Stock: \$0.00', and 'Vendor: \$0.00'. The footer includes 'HEFFNER' and '129.57.40.12'.

New GSS Punch-out E-commerce Application

The screenshot shows the Government Scientific Source (GSS) punch-out e-commerce application. The header features the GSS logo and contact information: 'Government Scientific Source, Inc.', '12351 Sunrise Valley Dr. Reston, VA 20191-3415', 'Phone: (800) 248-8030 Fax: (703) 734-1803', and 'Email: sales@govsci.com'. The navigation menu includes 'HOME', 'PRODUCTS & SUPPLIERS', 'STOCKROOM ITEMS', 'CONTACT', 'ITEM REQUEST', 'QUICK ORDER', 'FAVORITES LIST', and 'CART'. The main content area is divided into 'Search Products' and 'Available Vendors'. The 'Search Products' section has a search bar and a 'Total Vendor Count: 90' indicator. The 'Available Vendors' section lists numerous suppliers, including Ace Glass, Agilent Technologies, BD Discovery Labware, BD Microbiology, Bet-Ad, Best Glove, Bio-Rad Life Science, Biohit Inc, Boekel, Brandtech Scientific, Cerilliant, Chase Scientific, Chem Service, Chemglass Inc, Cole Parmer, Corning, Dako, Denver Instruments, Drummond Scientific, Eberbach, Electron Microscopy Sciences, Elvee, EMD Chemicals, EP Scientific Products LLC, Eppendorf, Fisher Safety, Grace Davison Discovery Sciences, Greiner Bio-One, Hach Company, Hamilton, Harvard Apparatus, Heathrow Scientific, Horiba Instruments, I-Chem, Ika, Inorganic Ventures, IRIS StatSpin Sample Processing, Jeio Tech, Jencons Scientific, Kimberly Clark Scientific, Kimble, Kontes, Lab Safety, LabChem Inc, Lakeland Industries Inc, LaMotte Chemical, Matrix Technologies, Millipore Corporation, Molecular BioProducts, Nalgene, National Scientific, New England Biolabs, Newport, Norlake, Nunc, Ohaus Corporation, Owl Reparation Systems, Parker Hannifin, Perkin Elmer, and QIAGEN. The footer includes the JSA logo and the Jefferson Lab logo.

Overview

- The new stockroom withdrawal software is hosted by GSS
 - JLab sends our stockroom catalog to GSS
- Some things have not changed
 - Stockroom, Freestock inventories are still managed by JLab
 - Stockroom, Freestock orders are fulfilled as always
 - One-stop shopping for E-commerce, Stockroom, Freestock

What to expect

- You will start with a JLab site, logging in with your username and password
- You will then be forwarded to GSS, and you will be able to navigate their catalogs and the stockroom catalog
- When you are done shopping, you will be sent back to JLab for the final check-out process, where you will enter your POA and other information.

- Navigate to the new system
 - JLab Insight
 - Your personal bookmarks
 - Procurement web page
 - Link
 - <https://misportal.jlab.org/punchout/shop>
- You will be prompted for your JLab username and password

Ordering from the stockroom

- The JLab stockroom (and Freestock) are just static catalogs in the new GSS system. To navigate, click on the “Stockroom Items” tab at the top. You can then view items or use the links at the left to browse by category. If you know the stockroom item number, you can search for it using the search function at the top left of the screen.
- As with any static catalog, to purchase the item, enter the quantity desired and click on the “Cart” icon.

Checking out!

- When you are finally done shopping all punch-out and static catalogs, you are ready to check out to the JLab system. From your shopping cart, click the “Continue Checkout” button.
- This will bring you to the JLab system, where you can enter the POA for each item. Note that this sample screenshot includes both stockroom and E-Commerce items, which are handled slightly differently. You will be able to select any POA for E-Commerce items, but the stockroom POAs are limited to those for which you have authorization.
- When you are done entering the POAs, click on the “Create Order” button. Stockroom orders will be sent immediately.
