

Hall D JEF Meeting Minutes

Date: December 13, 2022

Time: 11:00 AM – 11:15 AM

Attendees: Arshak Asaturyan, Peter Bonneau, Aaron Brown, Pablo Campero, George Jacobs, Mindy Leffel, Tyler Lemon, Marc McMullen, Alexander Somov, and Timothy Whitlatch

1. Module fabrication

Arshak Asaturyan, Mindy Leffel, and Alexander Somov

1. Mindy is wrapping the crystals with ESR and Tedlar
2. Assembled modules: 1372 of 1600 completed
3. ~24 crystals on-hand
 - There will be an additional 140 crystals, repurposed from the currently running PrimEx experiment, available in January 2023; they will need to be checked for damage and possibly rewrapped
4. Mindy Leffel has started soldering the PMT sockets

2. Additional topics

1. DSG assistance will be needed to disassemble the FCAL modules, starting in May 2023
2. Reviewed [tentative task list](#) for FCAL2 testing and installation
