

Voltage and Current Readback for Module #256 Channel 00 Stability Test

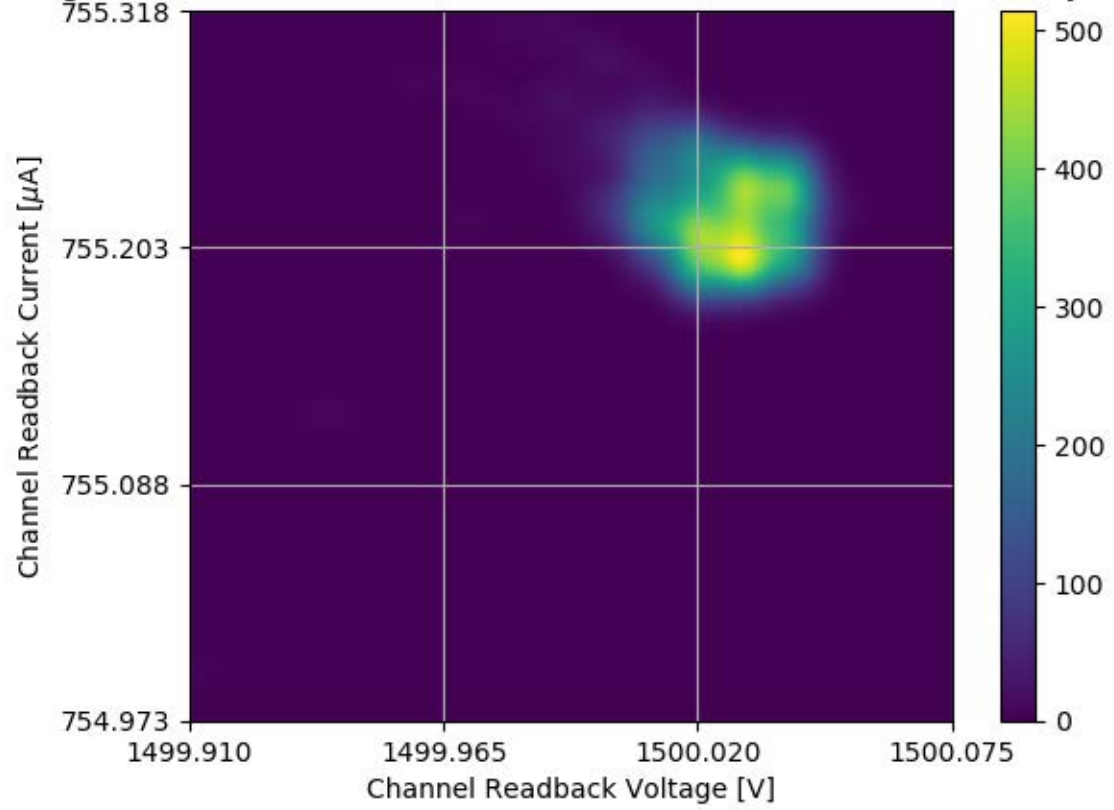

Voltage and Current Readback for Module #256 Channel 01 Stability Test

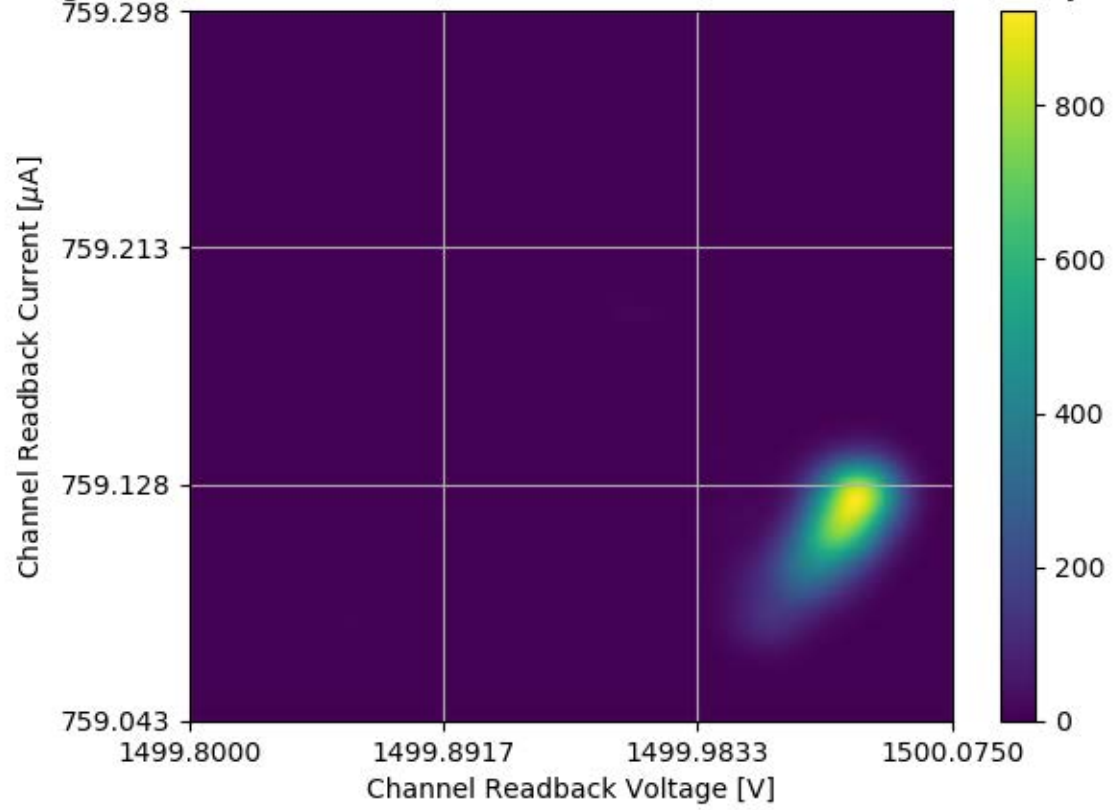

Voltage and Current Readback for Module #256 Channel 02 Stability Test

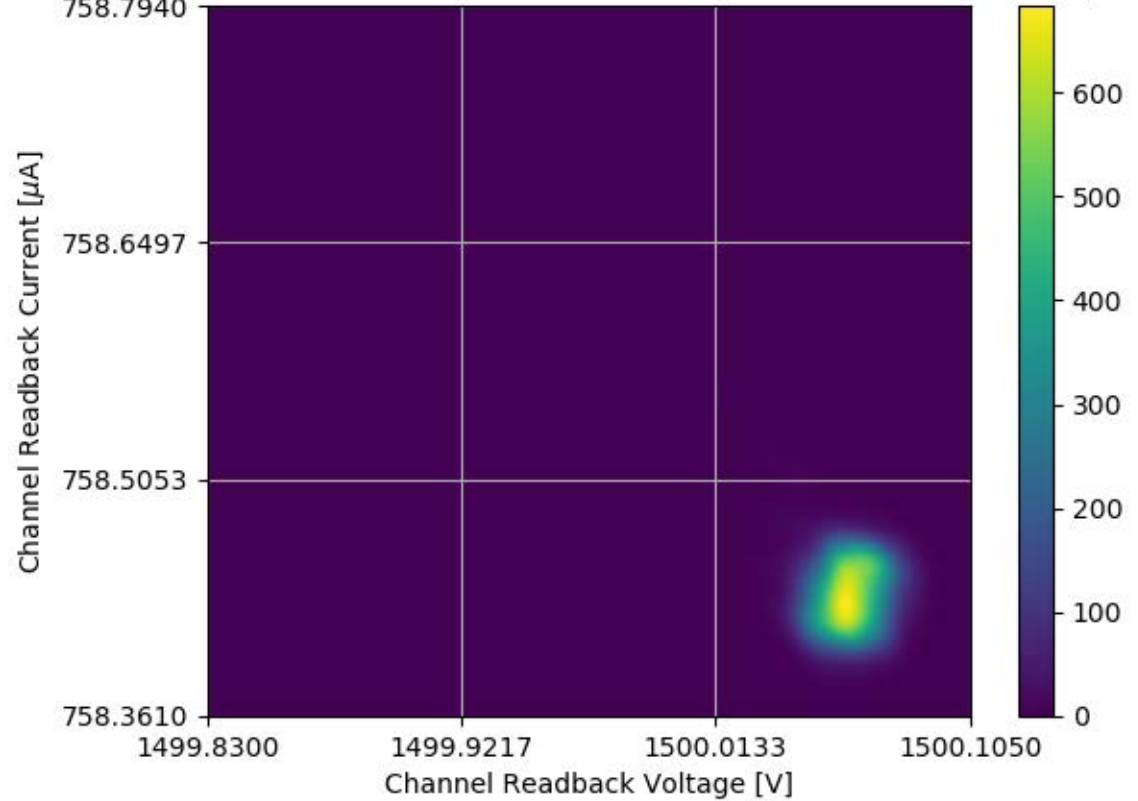

Voltage and Current Readback for Module #256 Channel 03 Stability Test

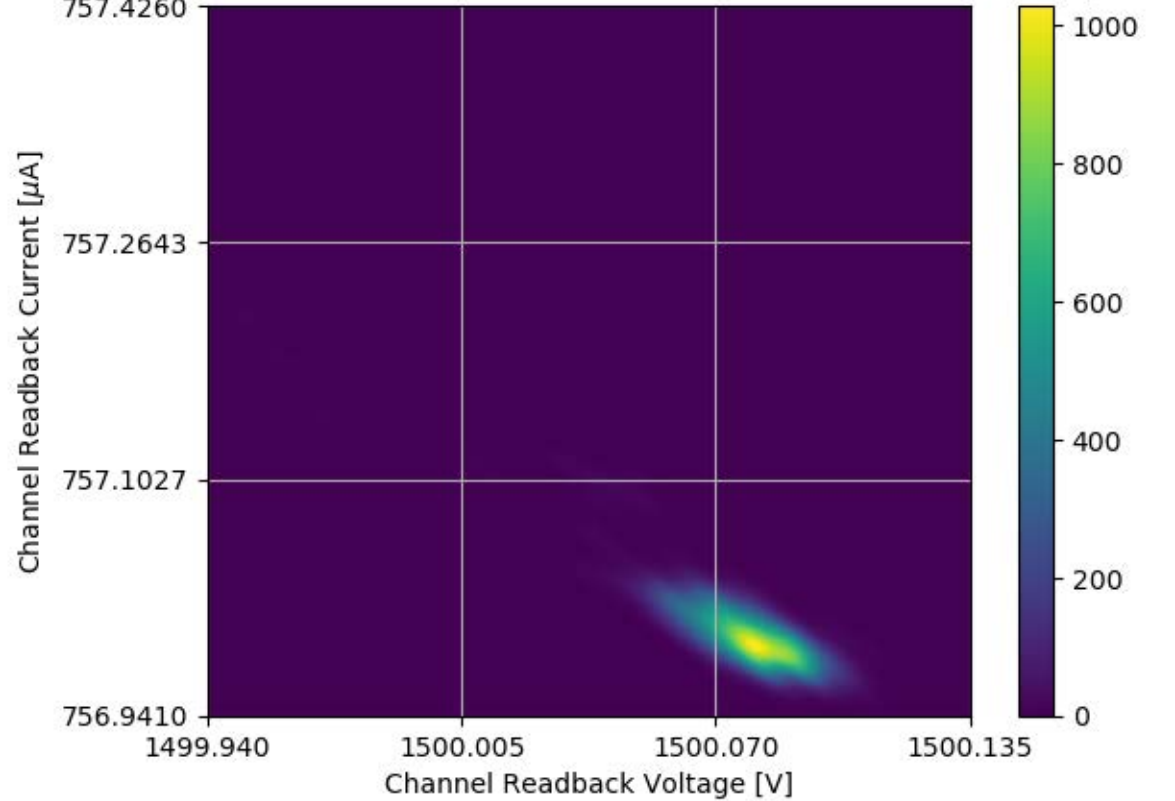

Voltage and Current Readback for Module #256 Channel 04 Stability Test

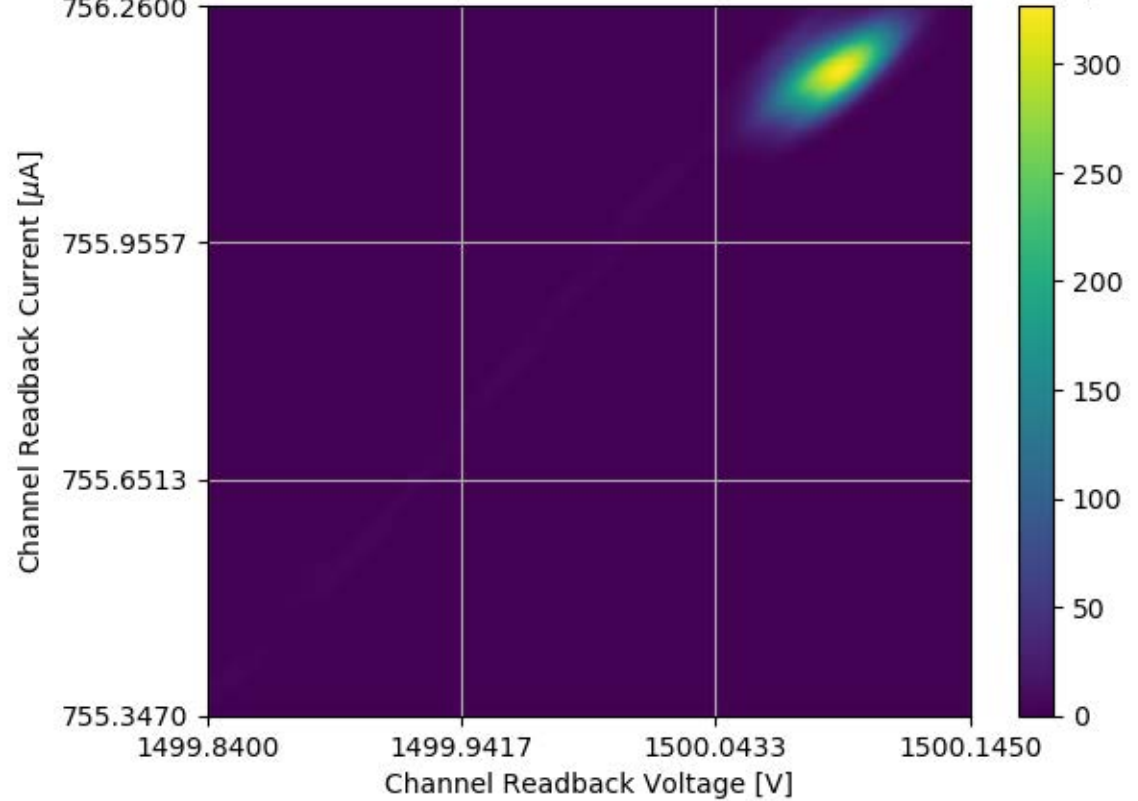

Voltage and Current Readback for Module #256 Channel 05 Stability Test

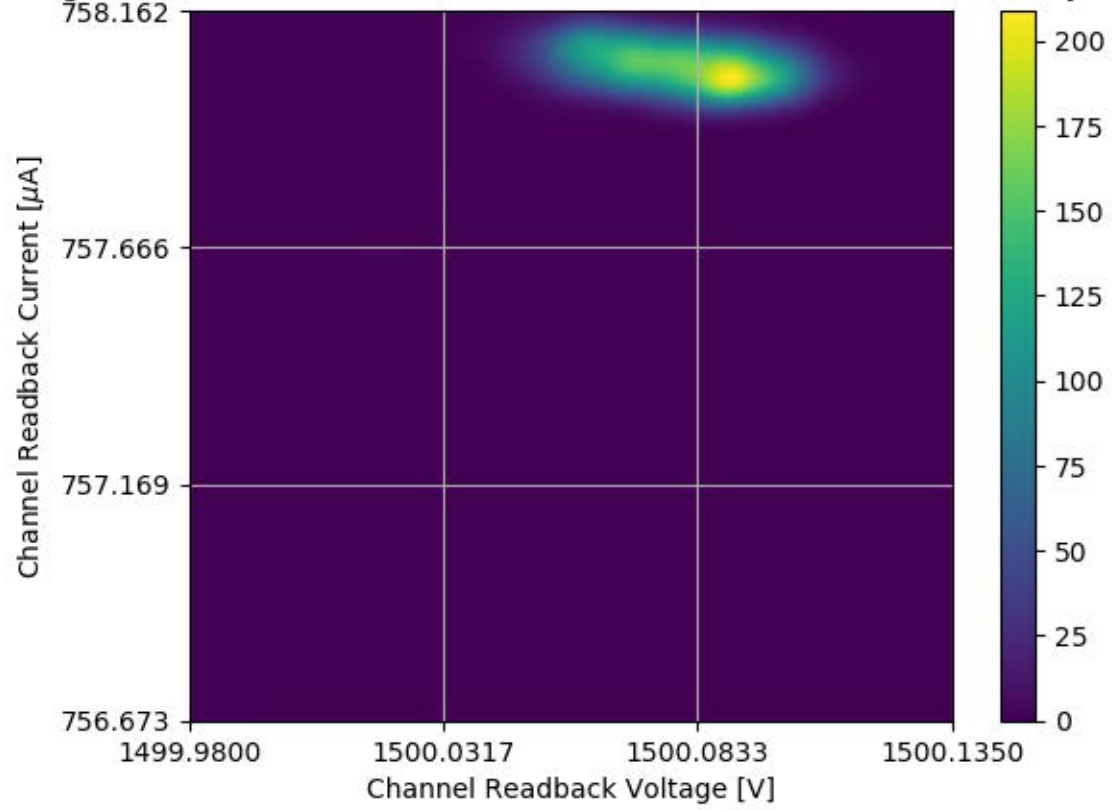

Voltage and Current Readback for Module #256 Channel 06 Stability Test

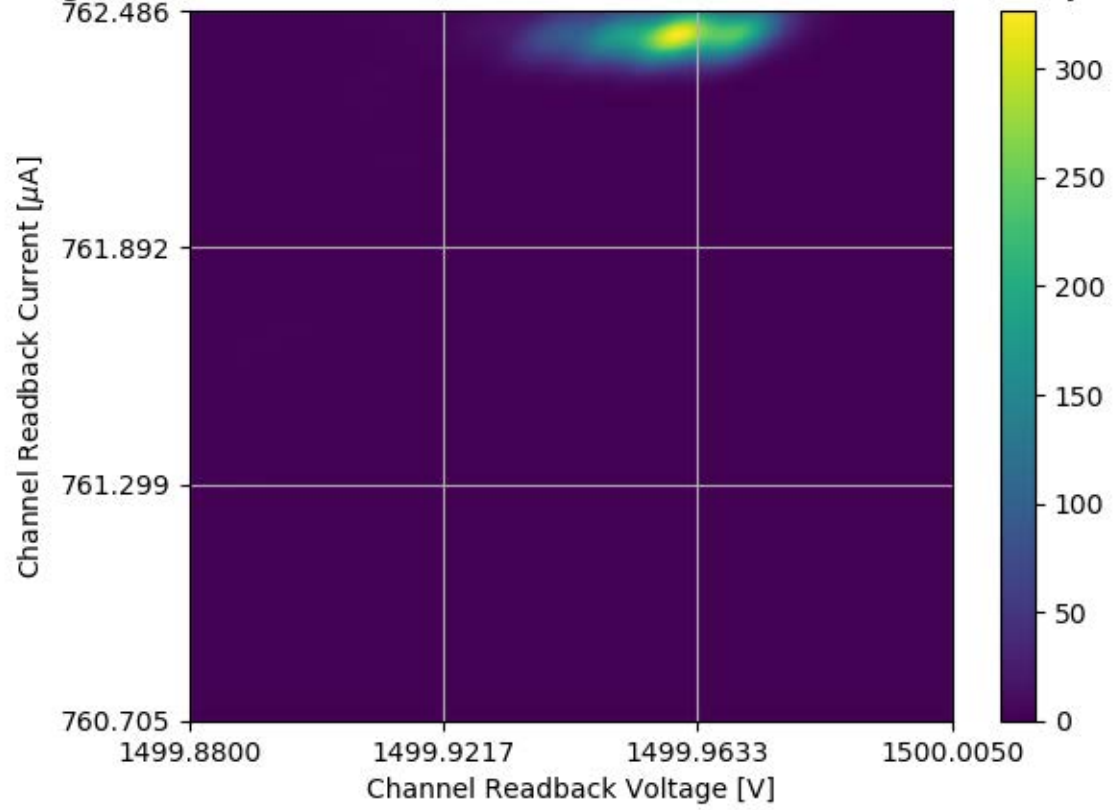

Voltage and Current Readback for Module #256 Channel 07 Stability Test

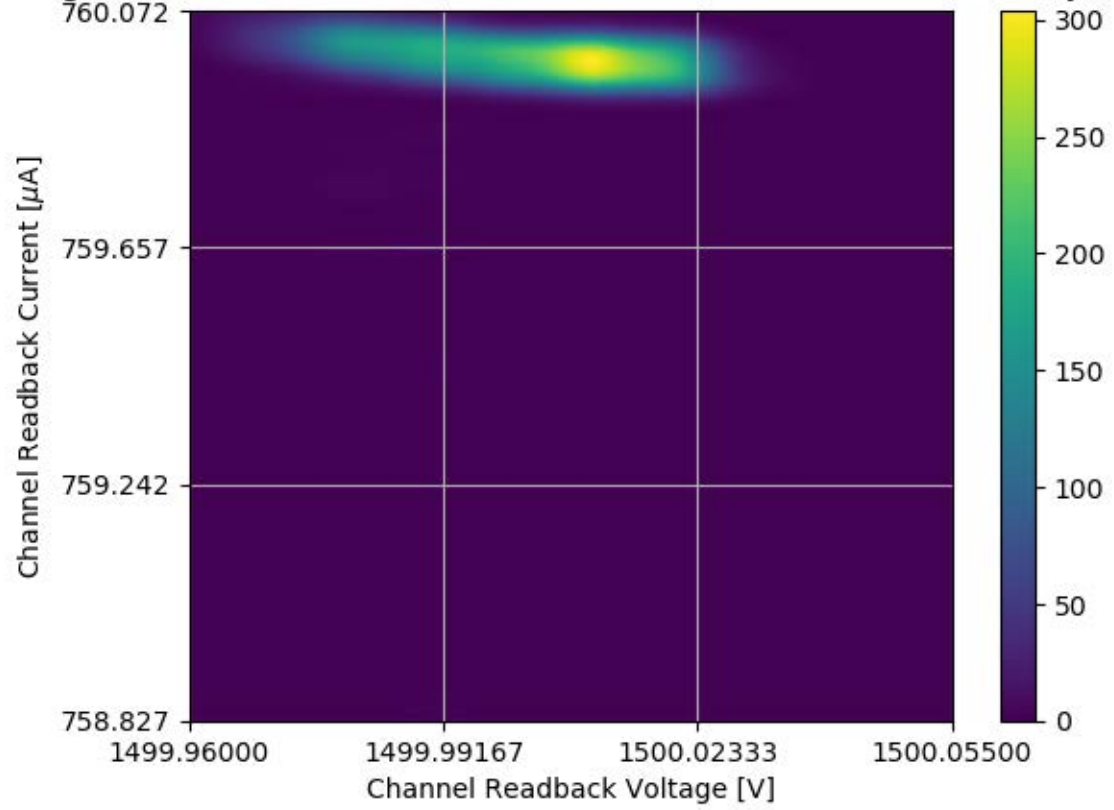

Voltage and Current Readback for Module #256 Channel 08 Stability Test

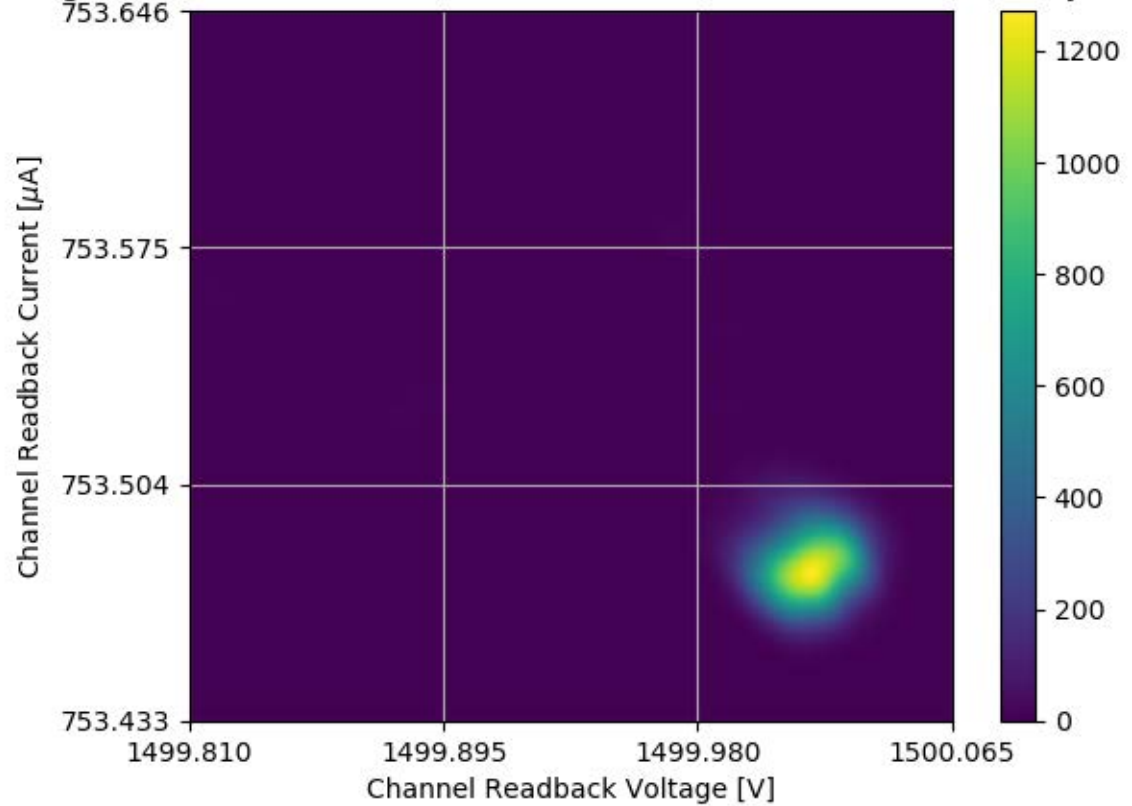

Voltage and Current Readback for Module #256 Channel 09 Stability Test

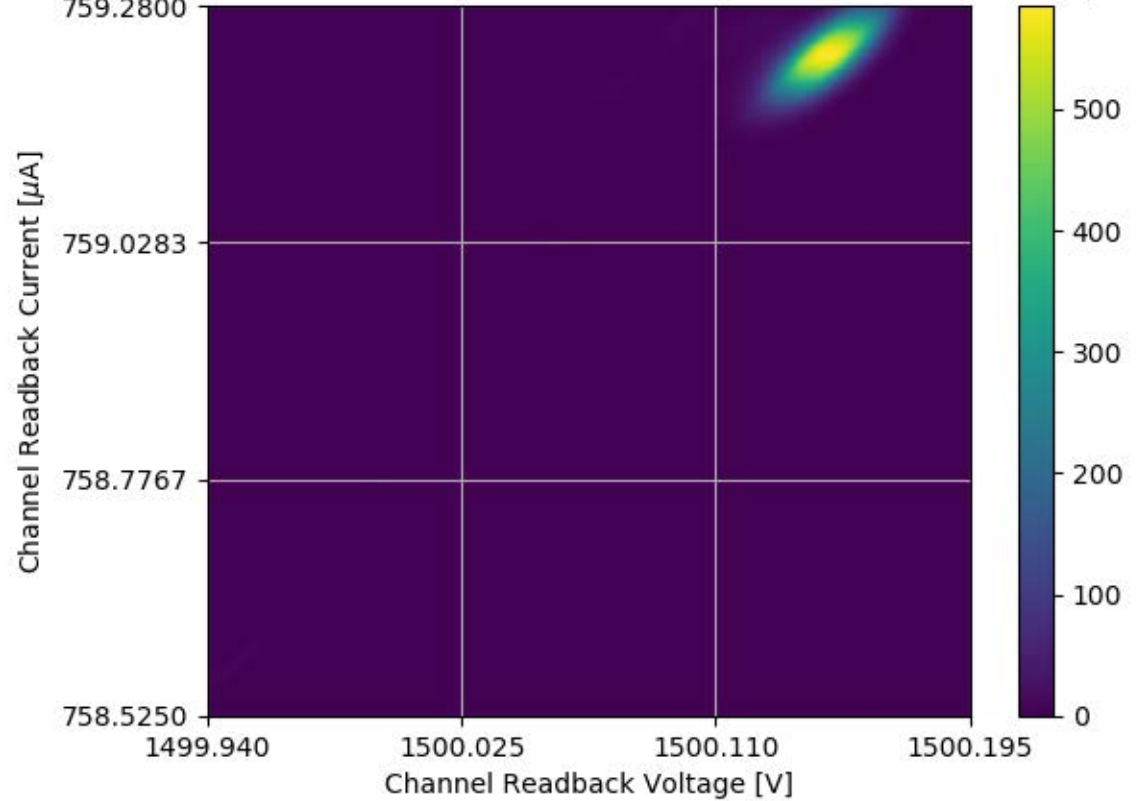

Voltage and Current Readback for Module #256 Channel 10 Stability Test

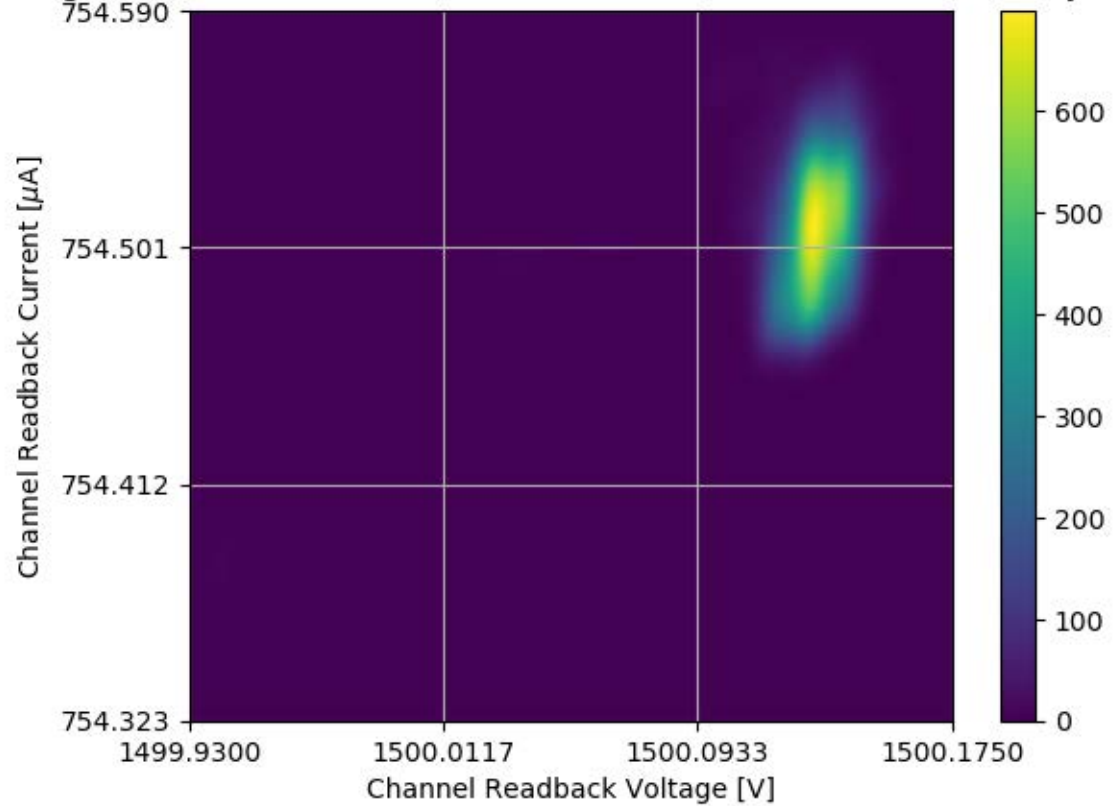

Voltage and Current Readback for Module #256 Channel 11 Stability Test

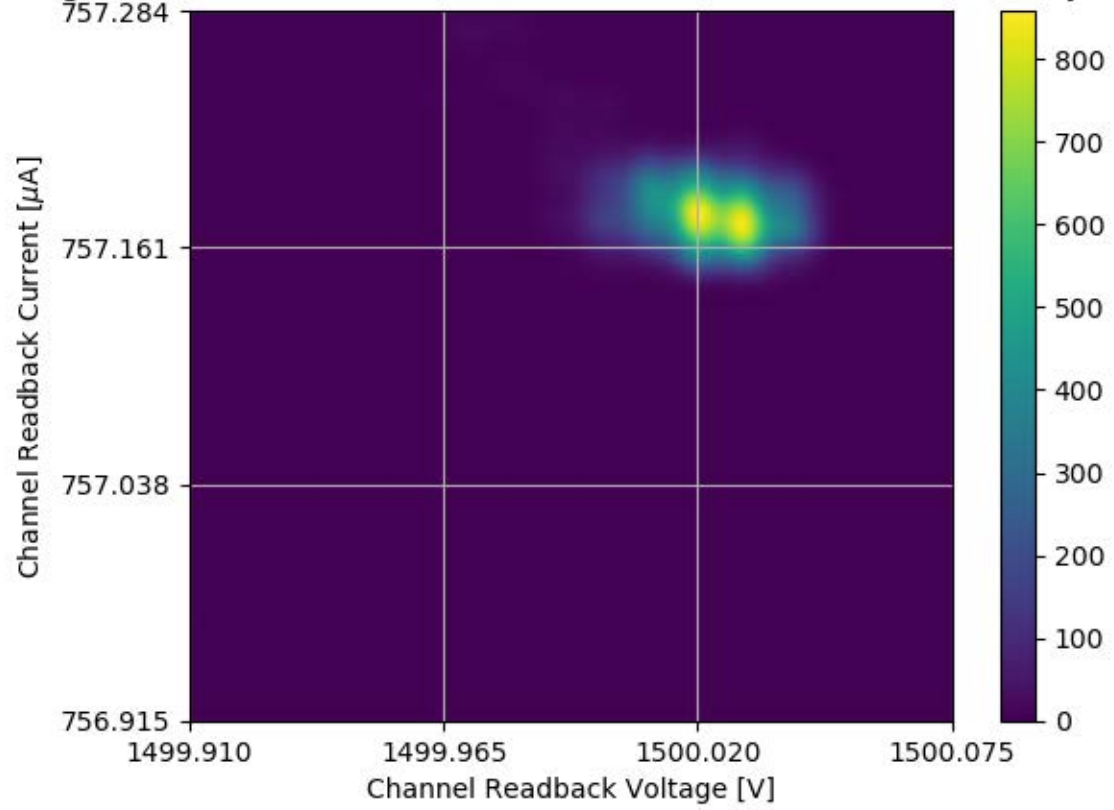

Voltage and Current Readback for Module #256 Channel 12 Stability Test

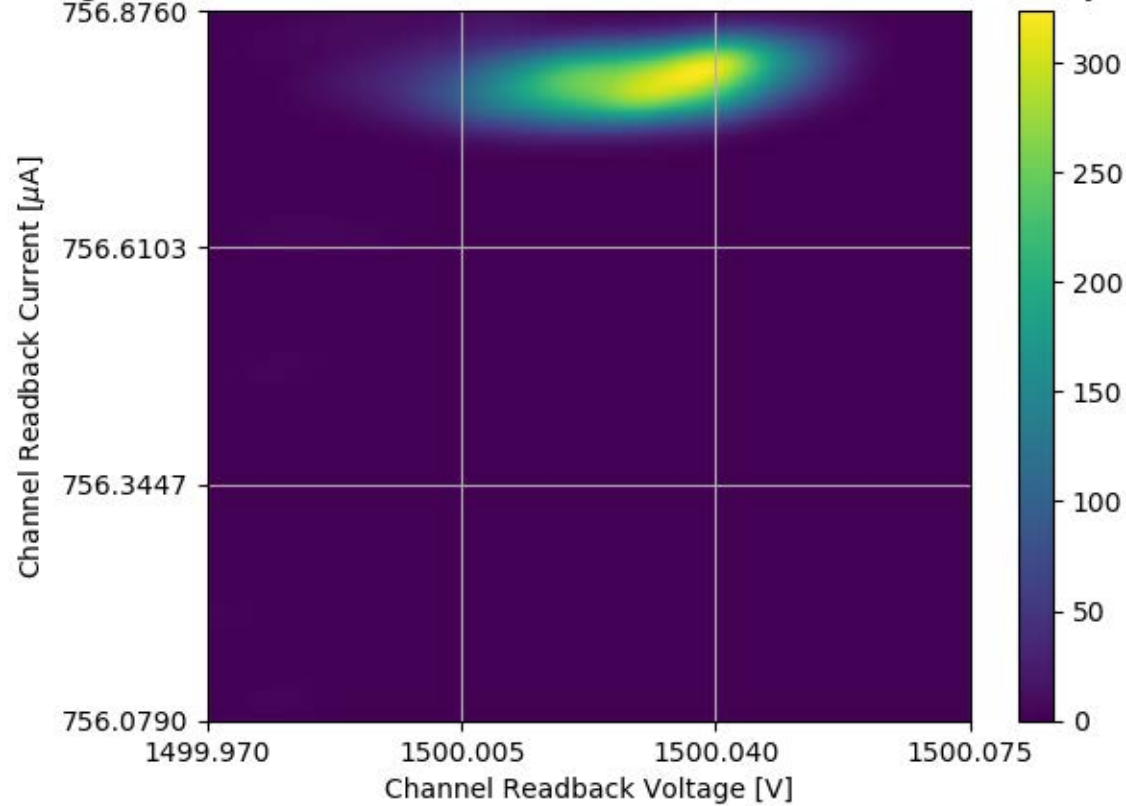

Voltage and Current Readback for Module #256 Channel 13 Stability Test

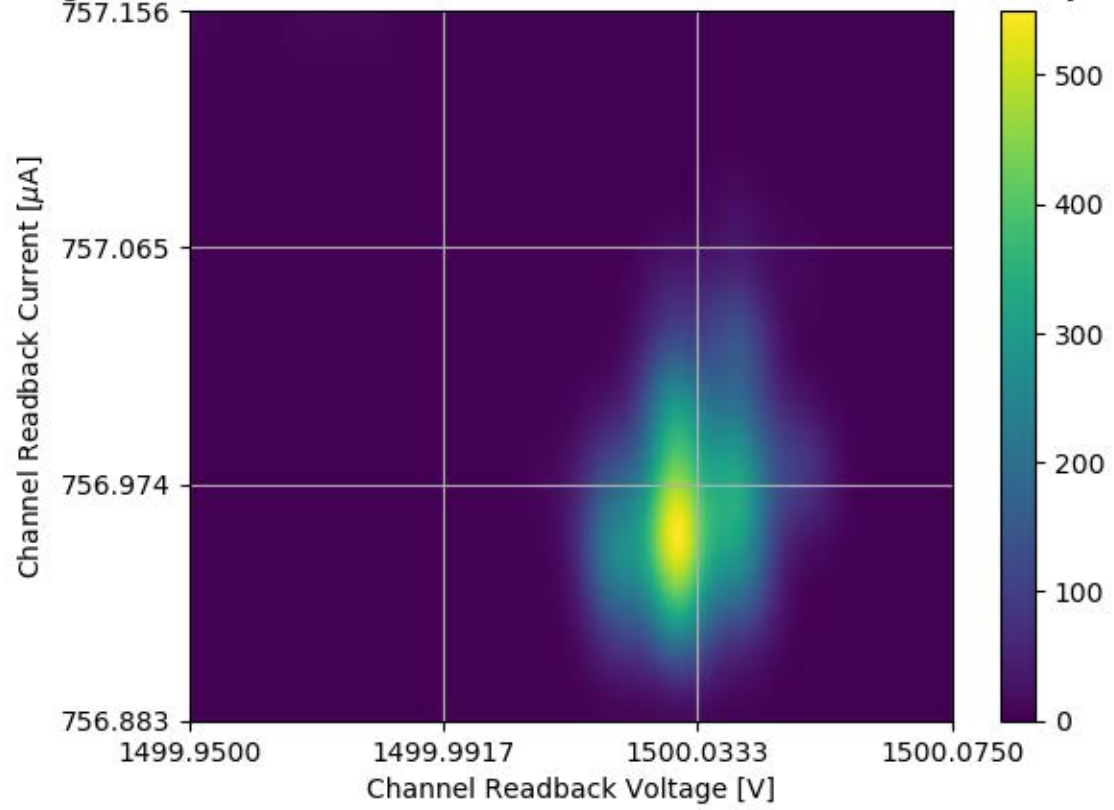

Voltage and Current Readback for Module #256 Channel 14 Stability Test

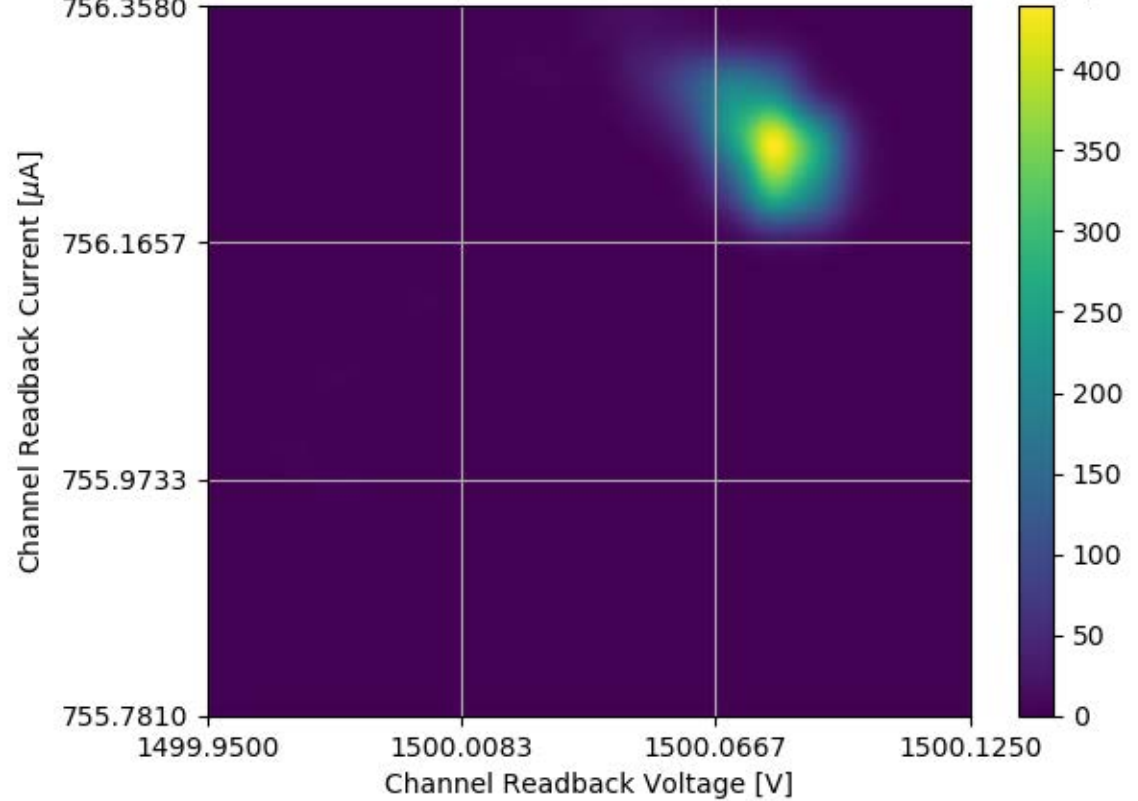

Voltage and Current Readback for Module #256 Channel 15 Stability Test

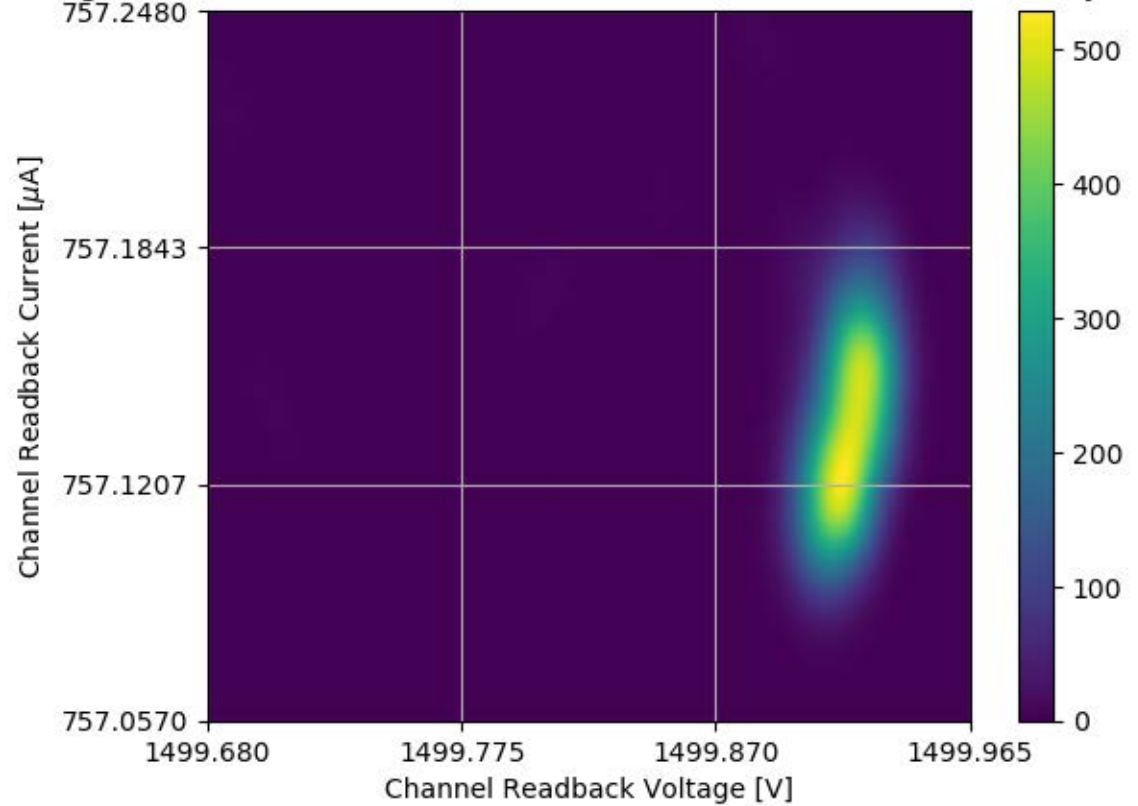

Voltage and Current Readback for Module #256 Channel 16 Stability Test

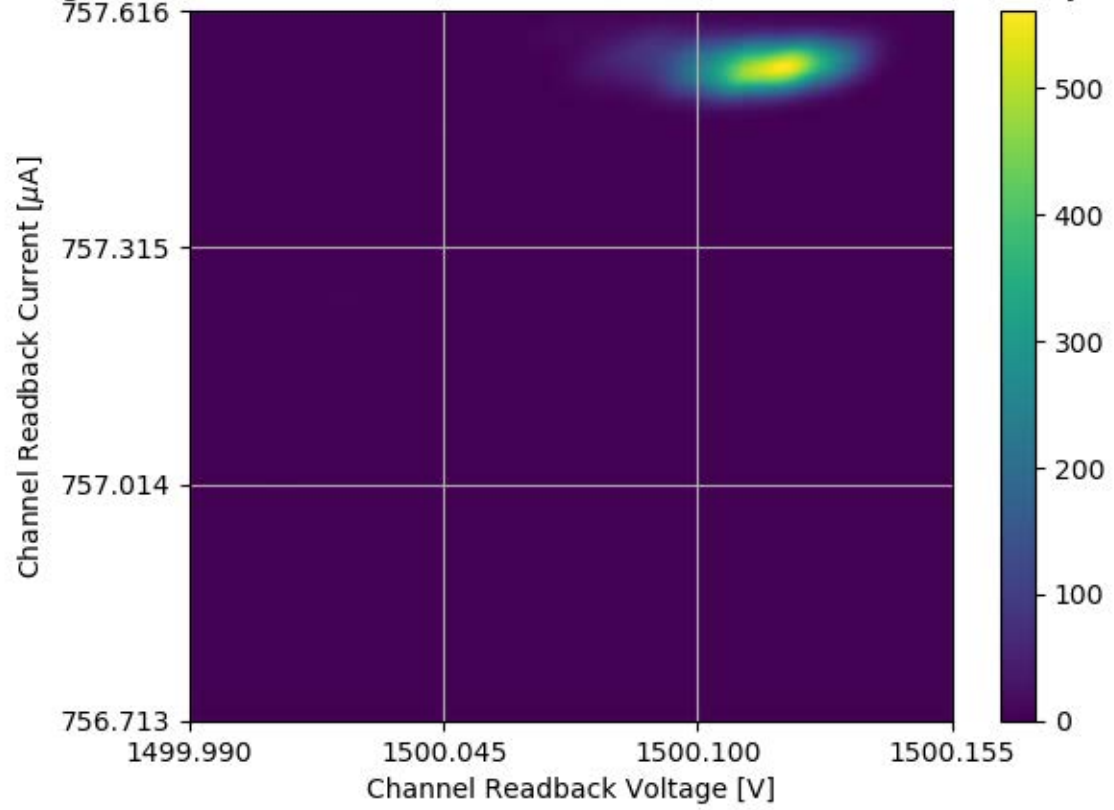

Voltage and Current Readback for Module #256 Channel 17 Stability Test

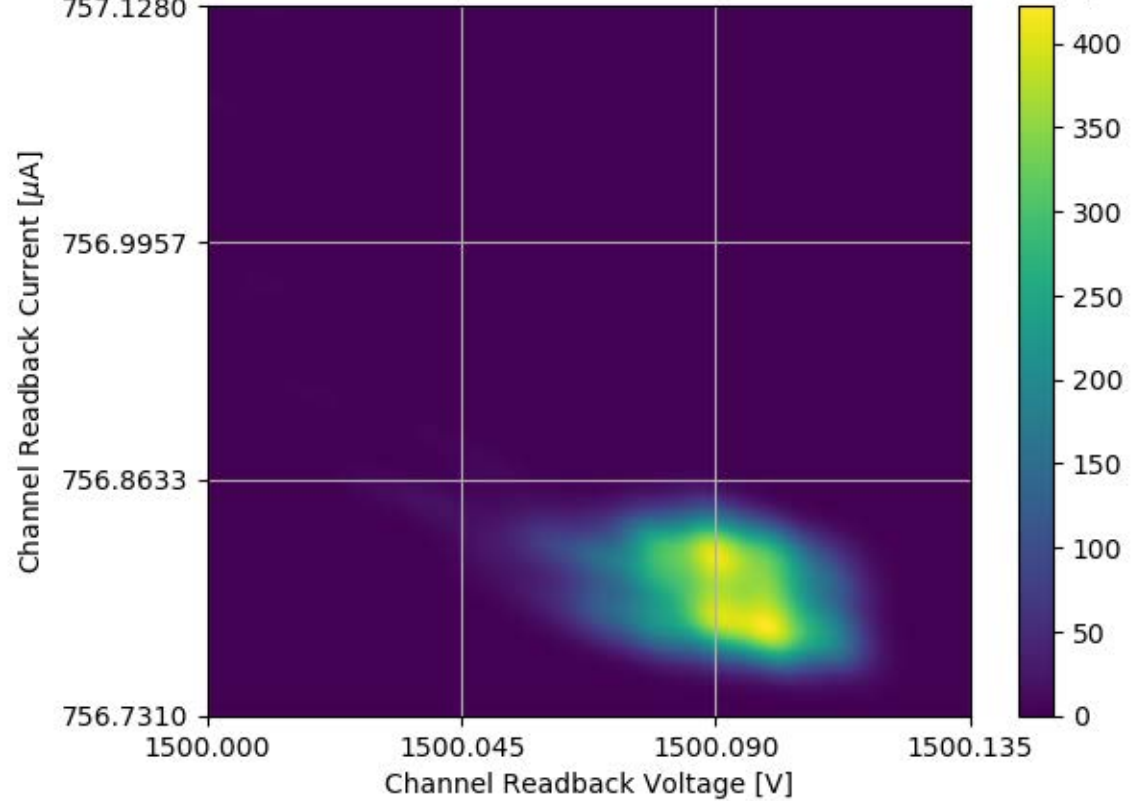

Voltage and Current Readback for Module #256 Channel 18 Stability Test

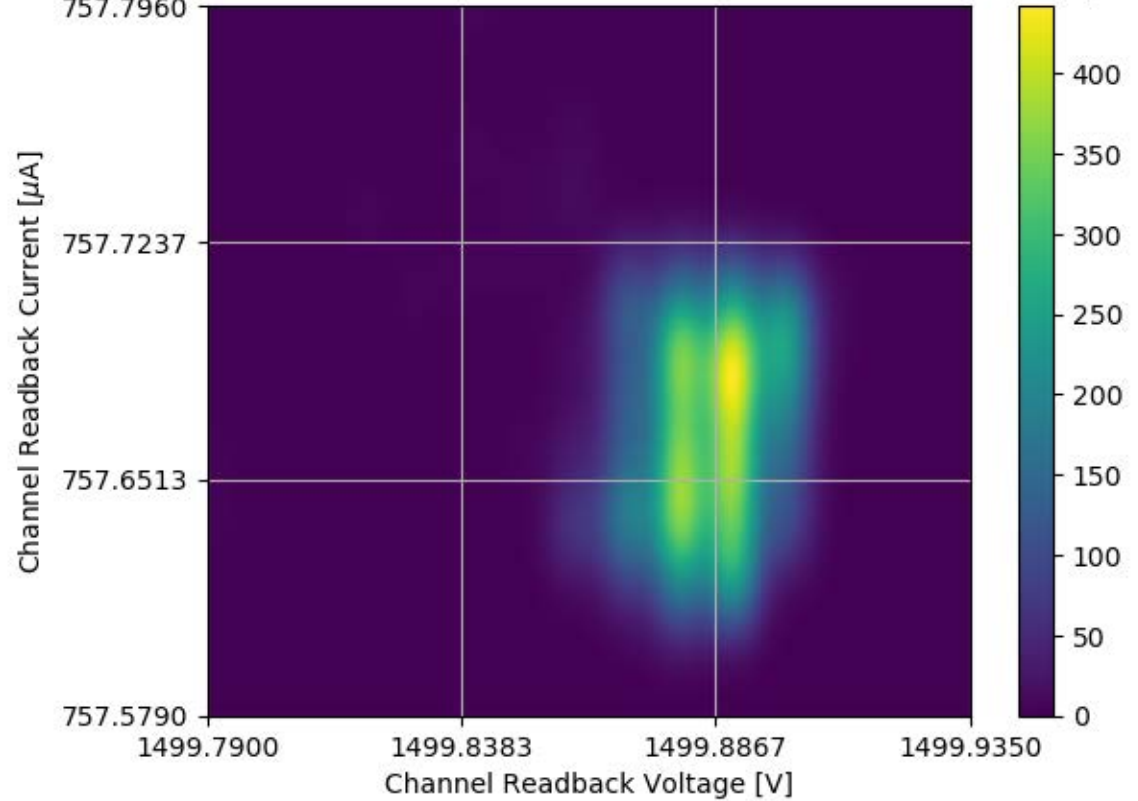

Voltage and Current Readback for Module #256 Channel 19 Stability Test

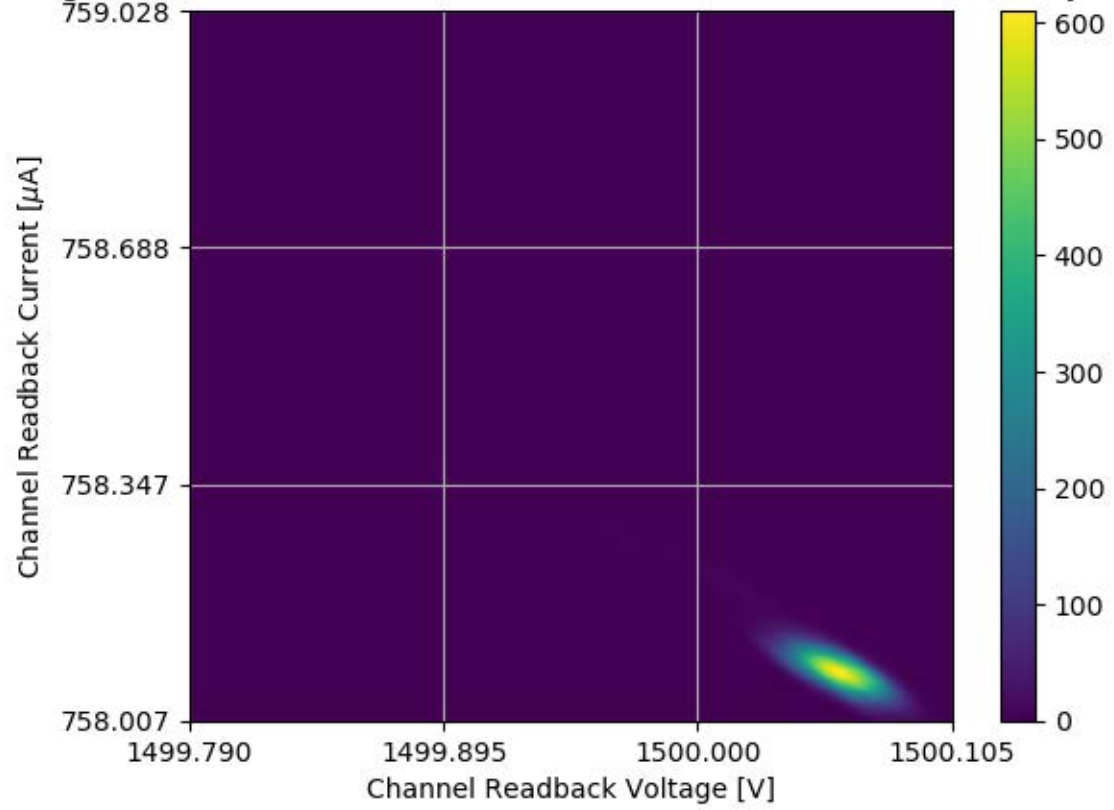

Voltage and Current Readback for Module #256 Channel 20 Stability Test

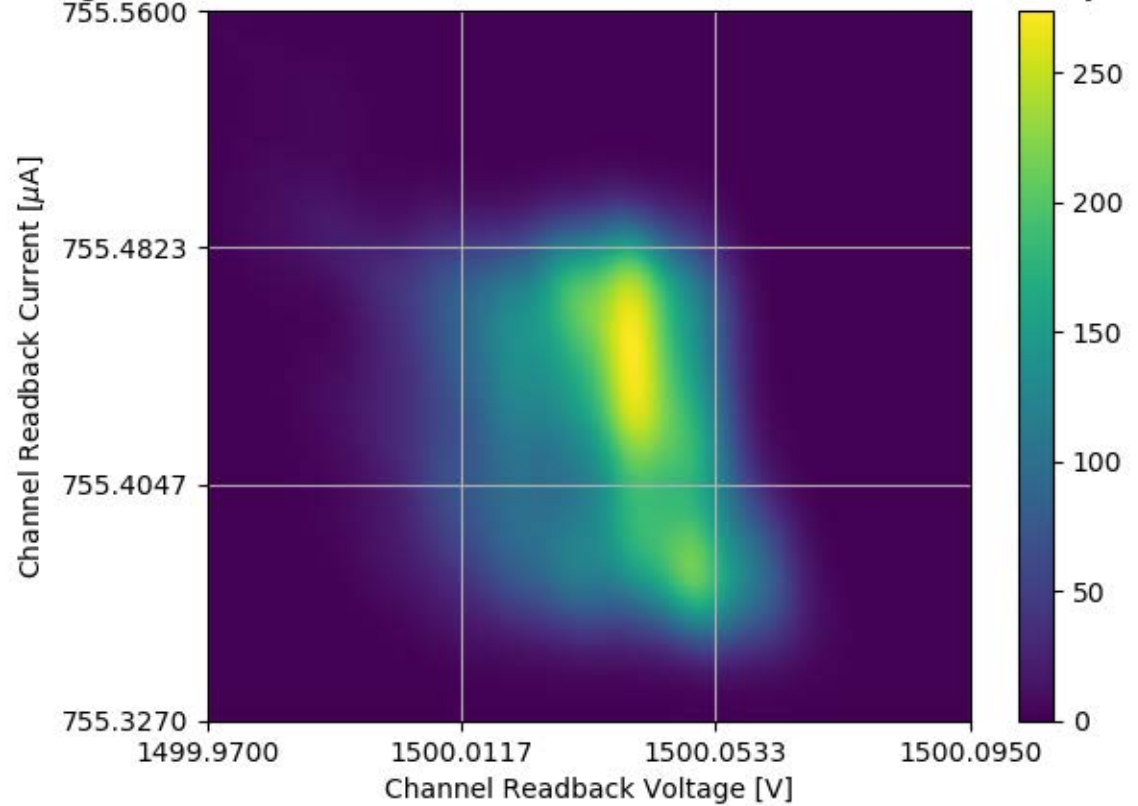

Voltage and Current Readback for Module #256 Channel 21 Stability Test

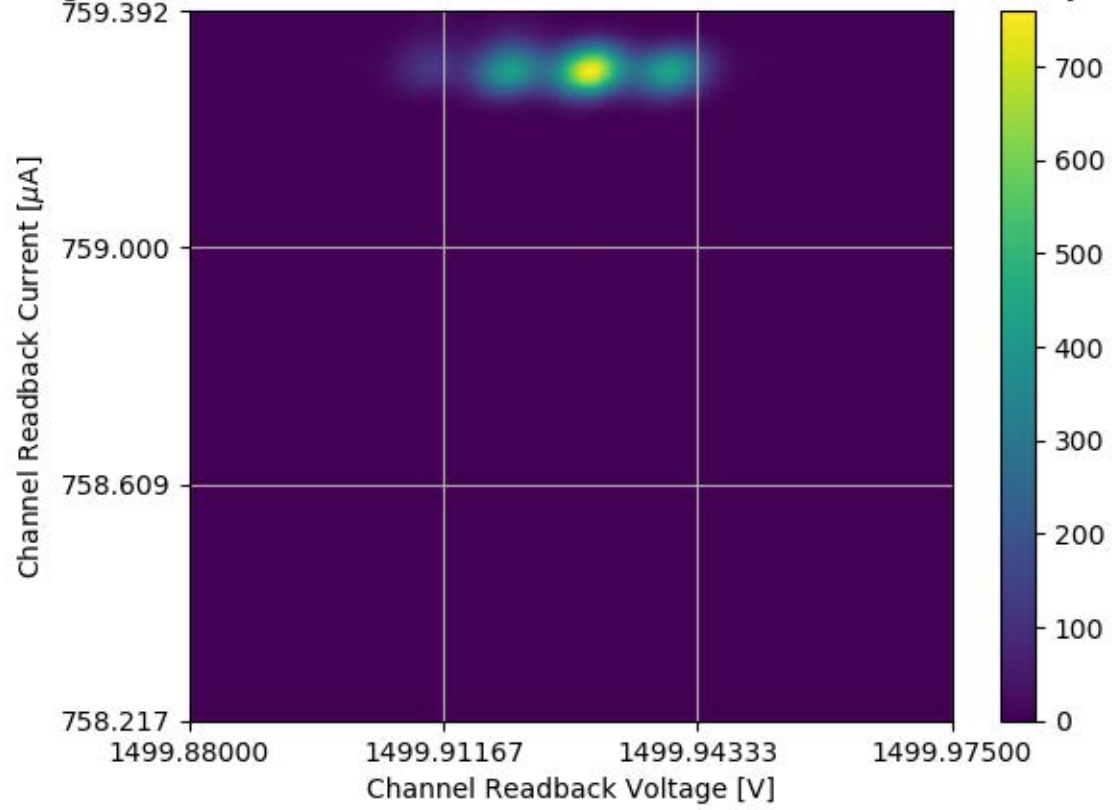

Voltage and Current Readback for Module #256 Channel 22 Stability Test

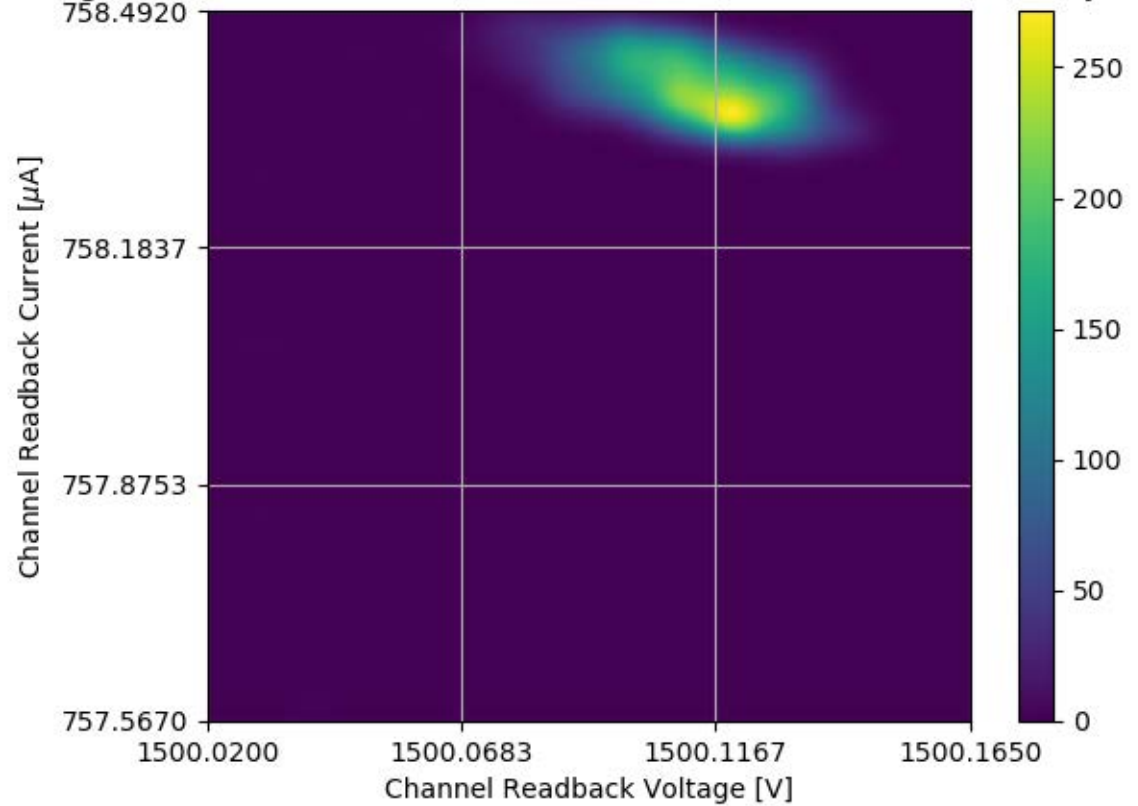

Voltage and Current Readback for Module #256 Channel 23 Stability Test

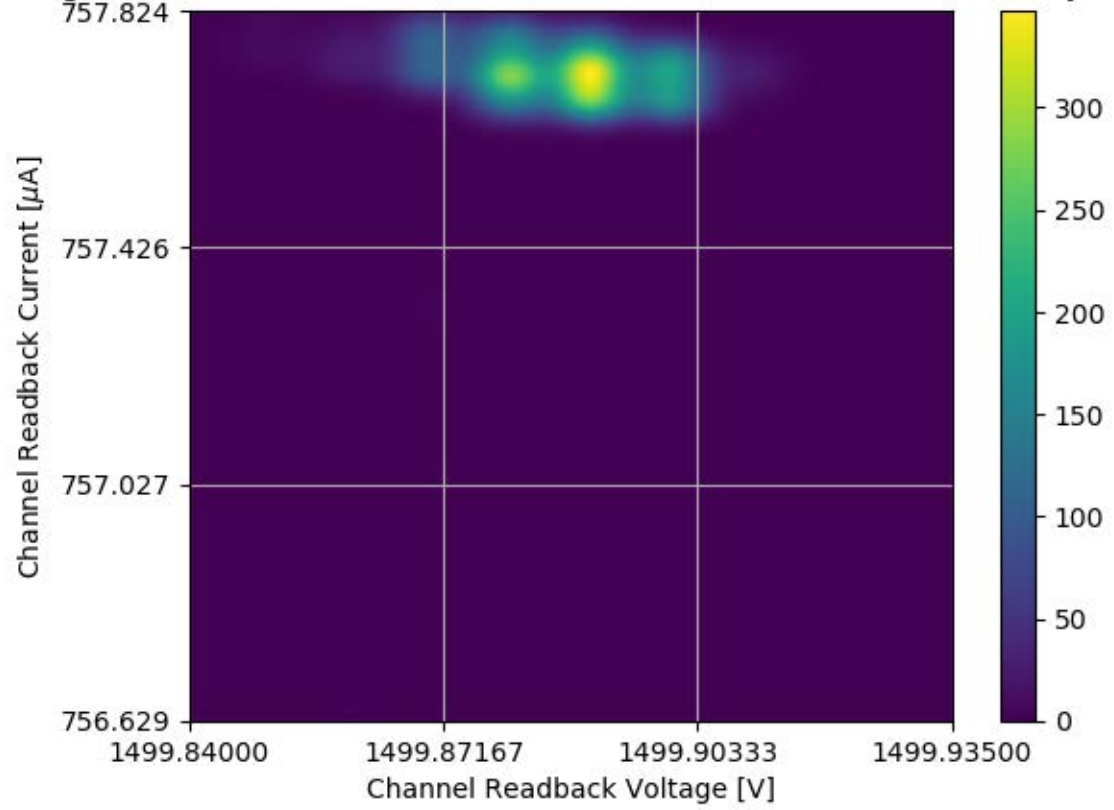

Voltage and Current Readback for Module #256 Channel 24 Stability Test

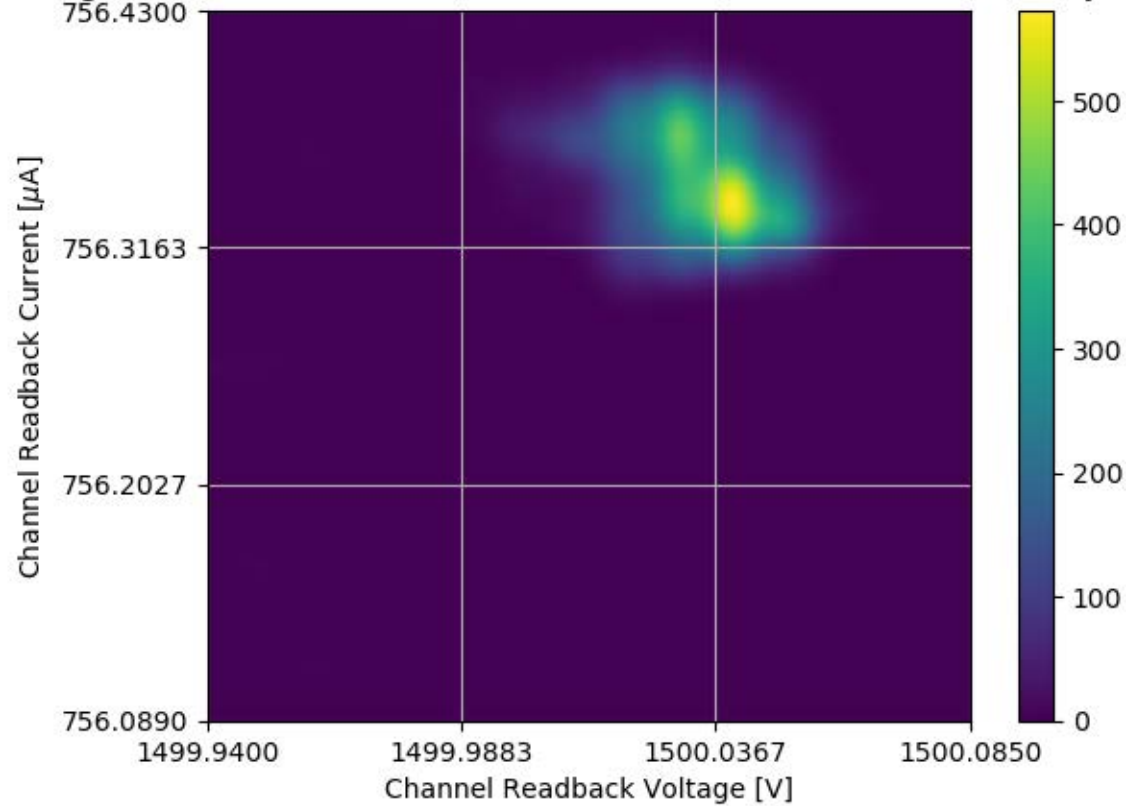

Voltage and Current Readback for Module #256 Channel 25 Stability Test

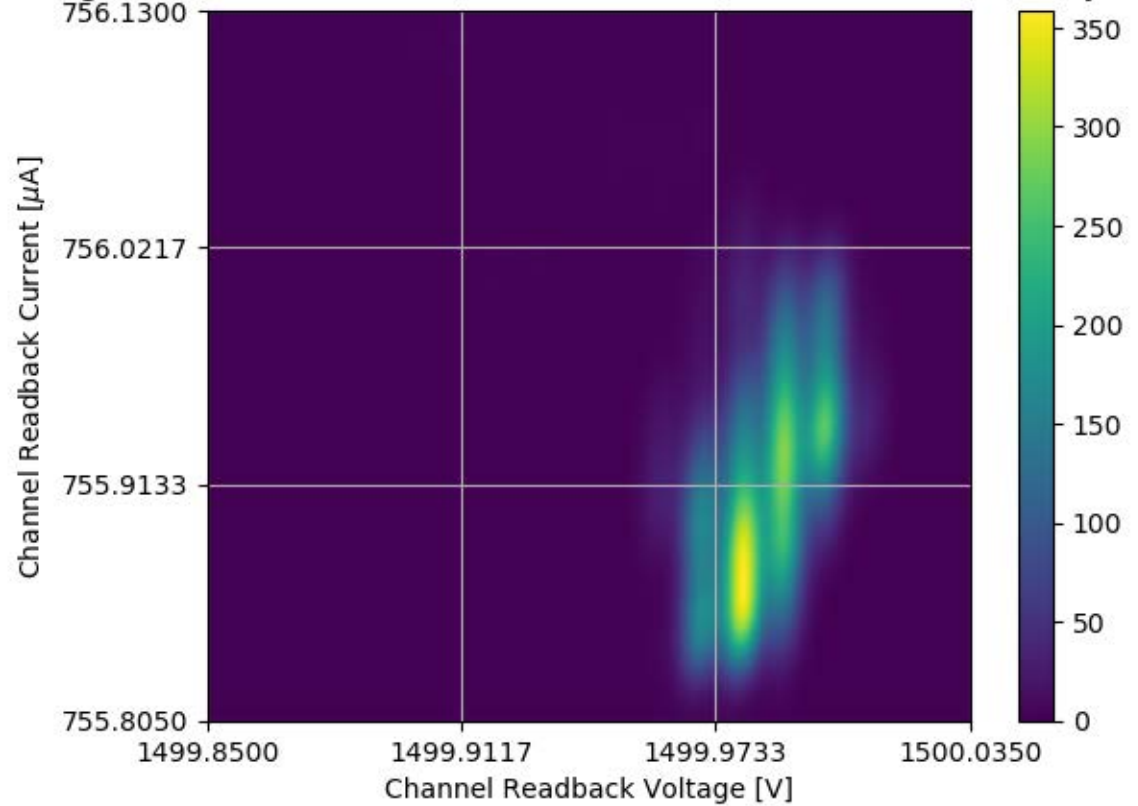

Voltage and Current Readback for Module #256 Channel 26 Stability Test

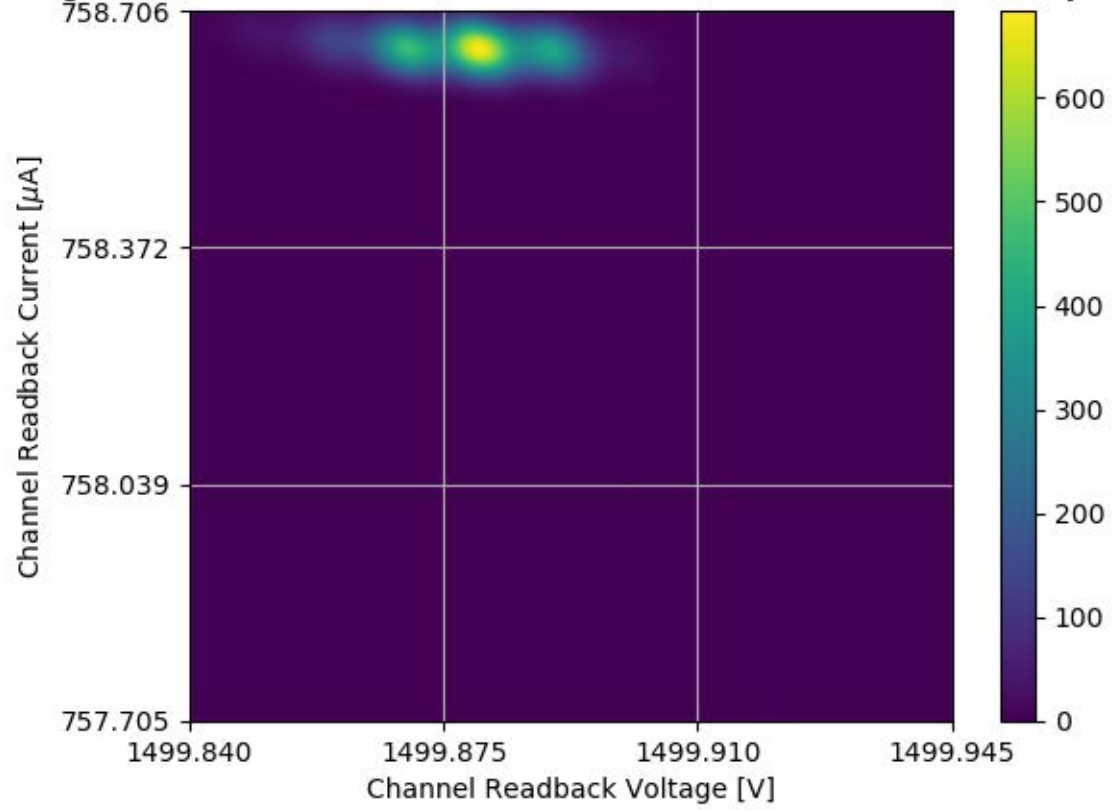

Voltage and Current Readback for Module #256 Channel 27 Stability Test

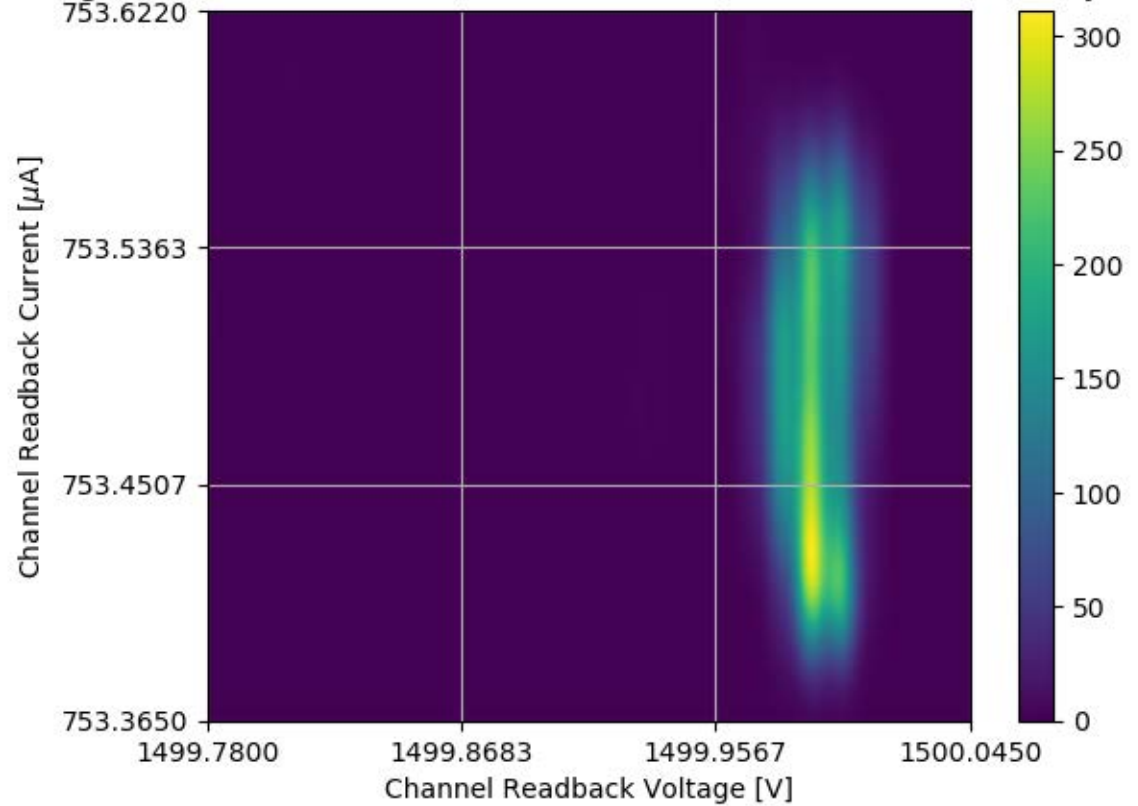

Voltage and Current Readback for Module #256 Channel 28 Stability Test

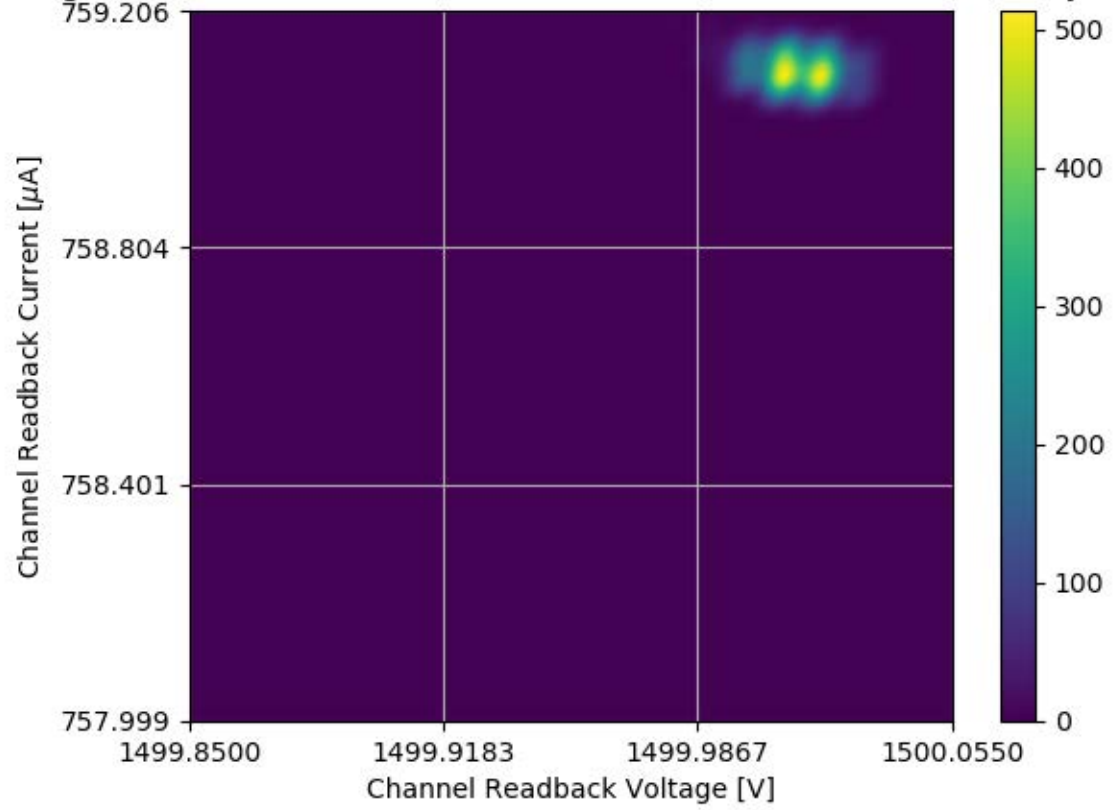

Voltage and Current Readback for Module #256 Channel 29 Stability Test

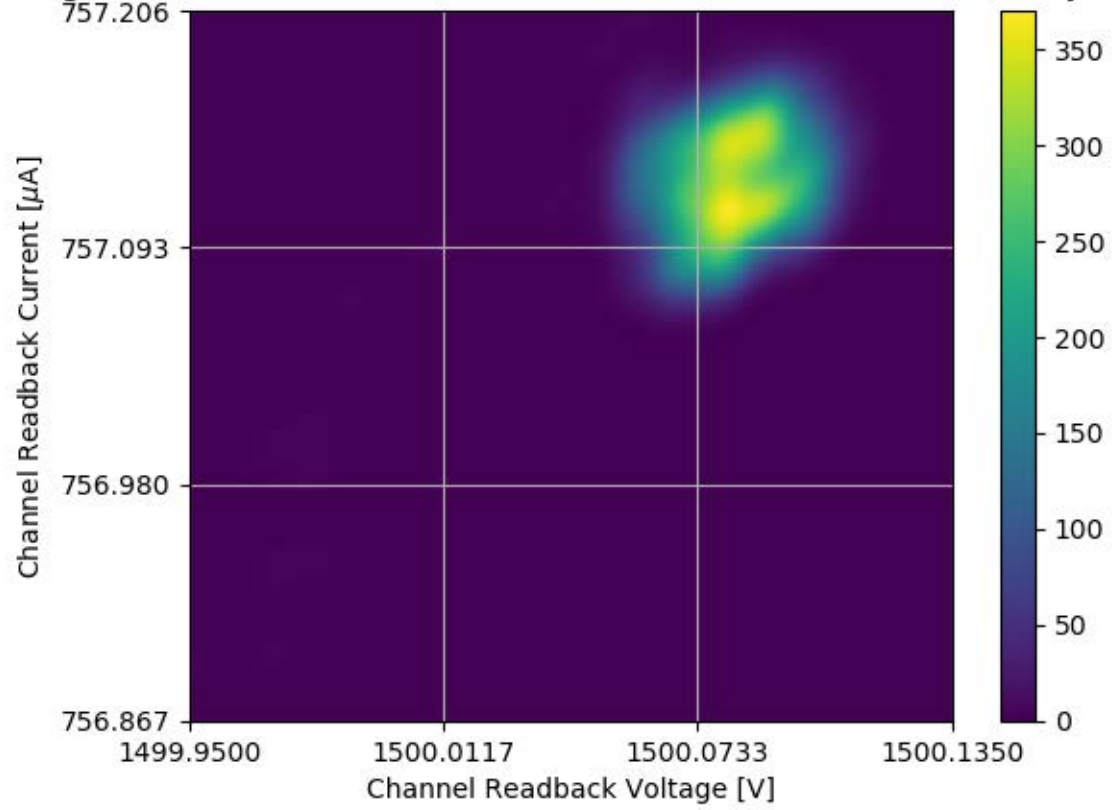

Voltage and Current Readback for Module #256 Channel 30 Stability Test

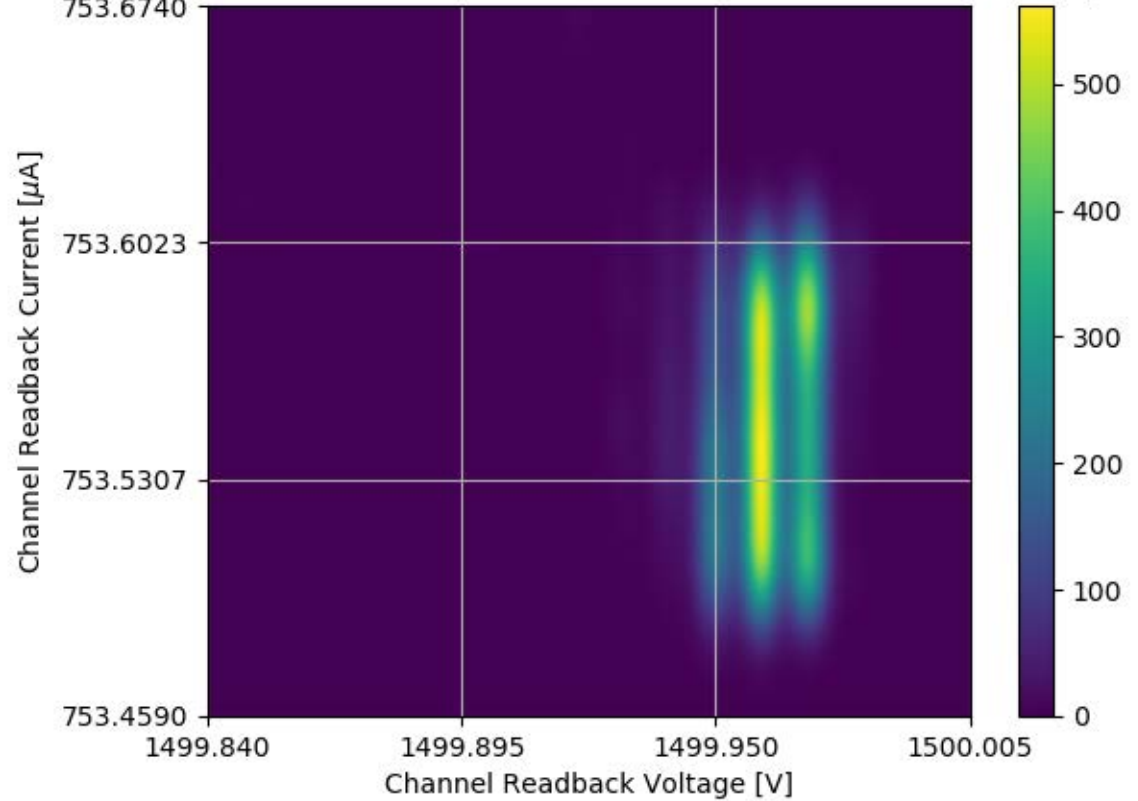

Voltage and Current Readback for Module #256 Channel 31 Stability Test

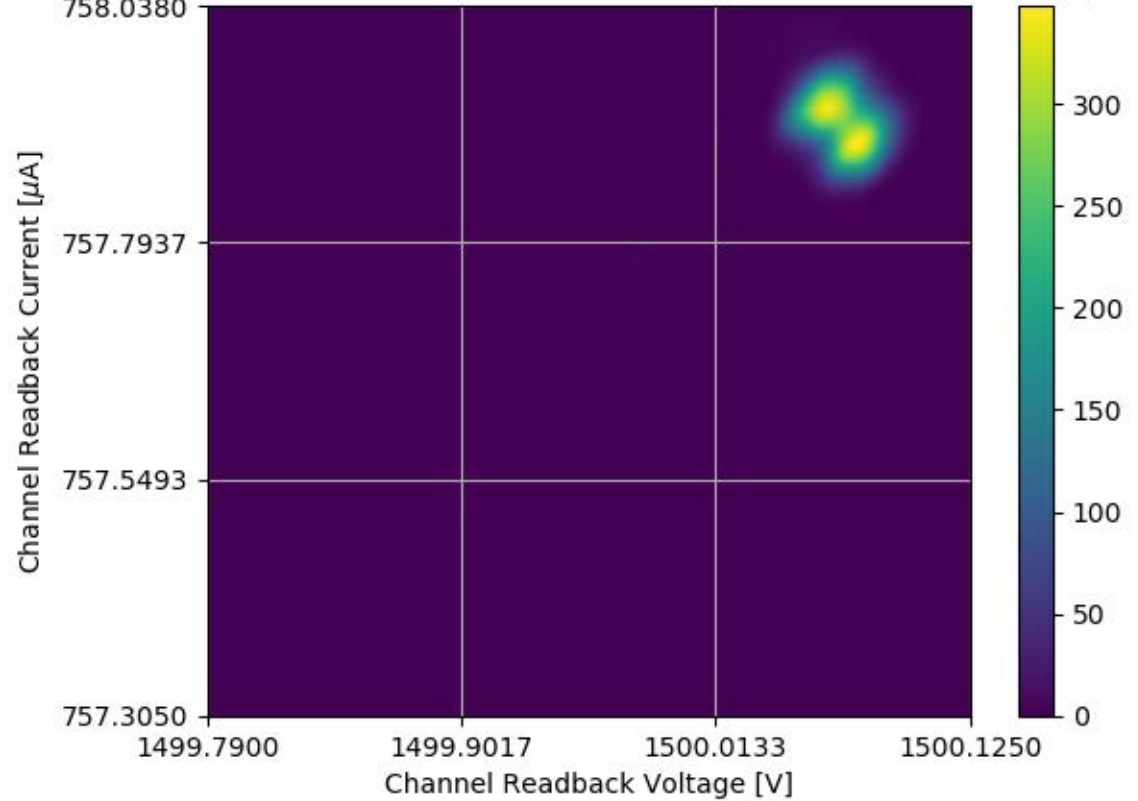

Voltage and Current Readback for Module #256 Channel 32 Stability Test

Voltage and Current Readback for Module #256 Channel 33 Stability Test

Voltage and Current Readback for Module #256 Channel 34 Stability Test

Voltage and Current Readback for Module #256 Channel 35 Stability Test
