

Voltage and Current Readback for Module #337 Channel 00 Stability Test

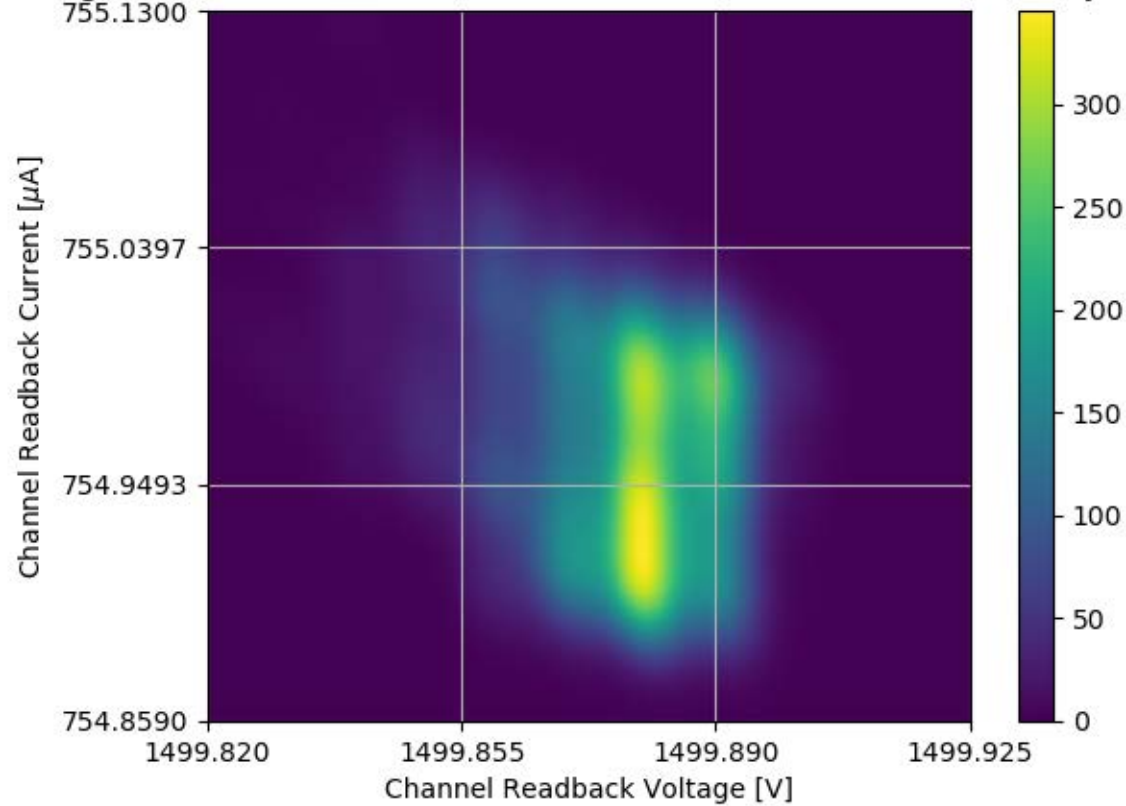

Voltage and Current Readback for Module #337 Channel 01 Stability Test

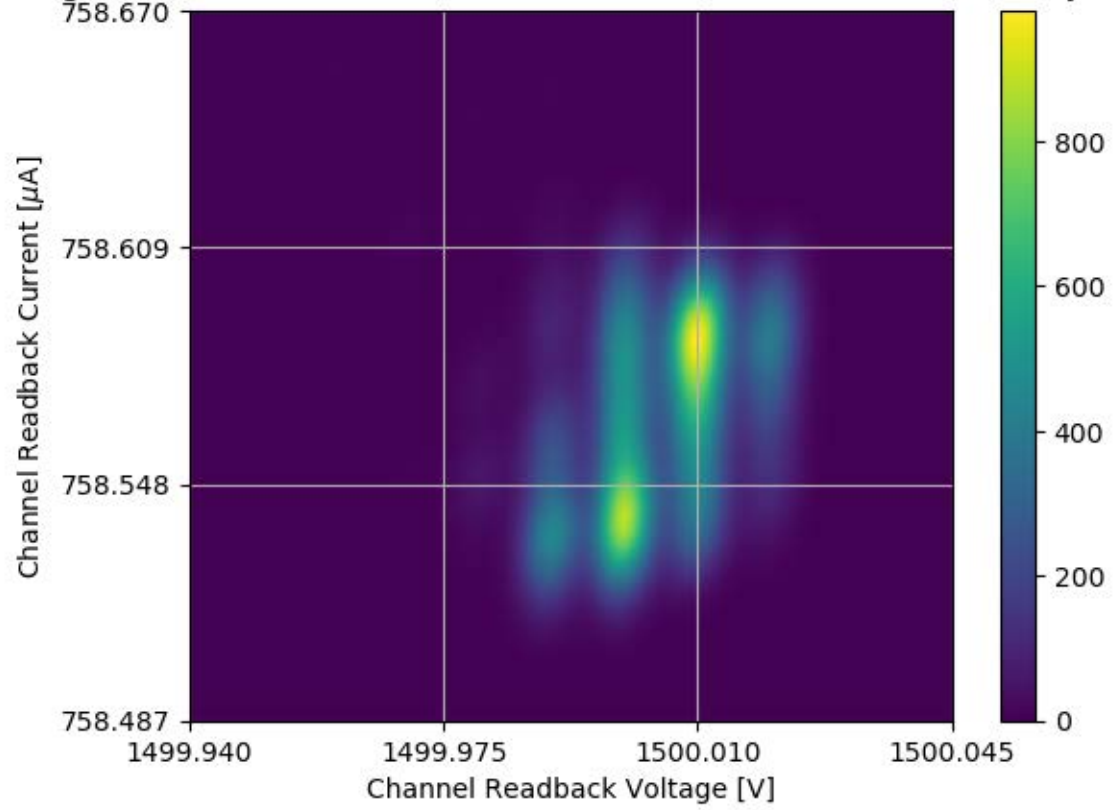

Voltage and Current Readback for Module #337 Channel 02 Stability Test

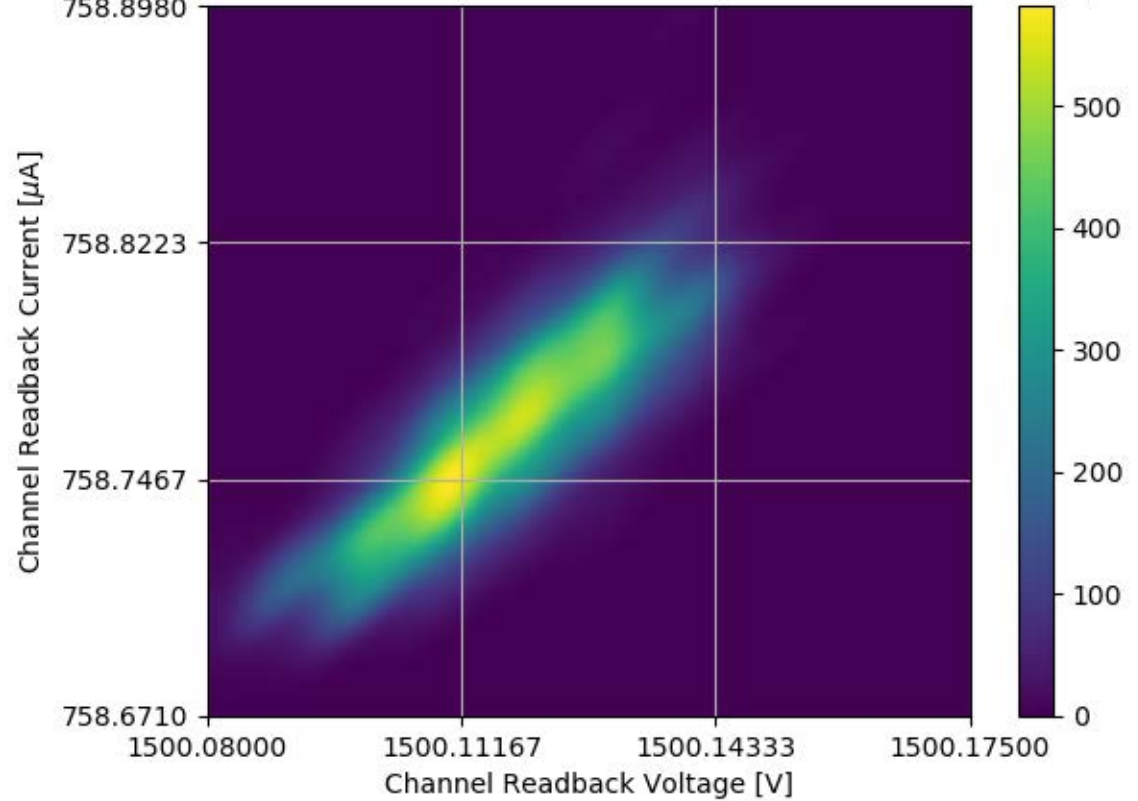

Voltage and Current Readback for Module #337 Channel 03 Stability Test

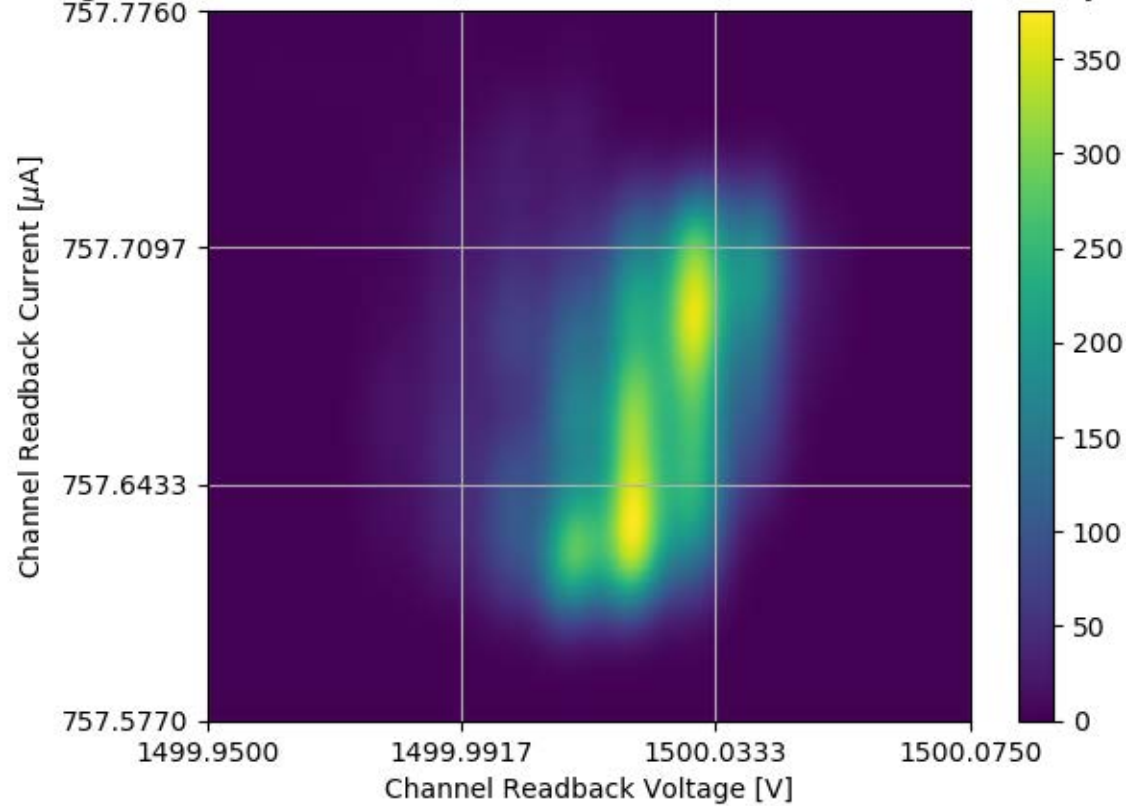

Voltage and Current Readback for Module #337 Channel 04 Stability Test

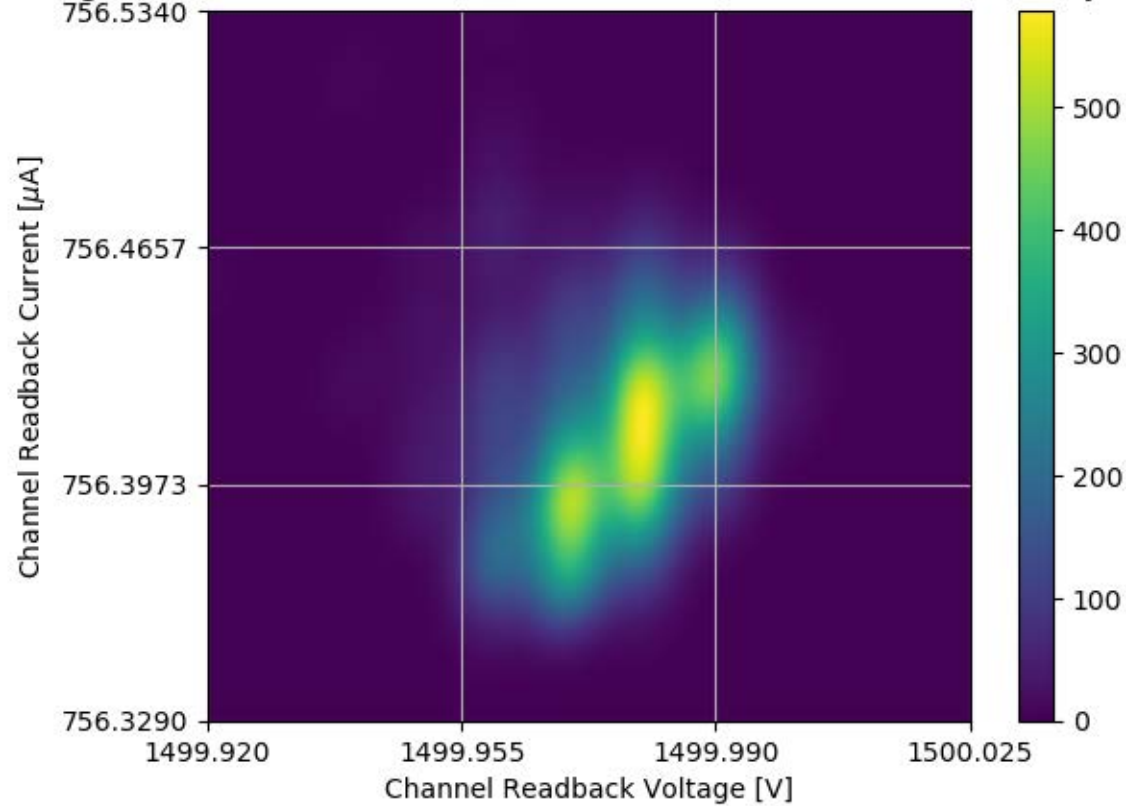

Voltage and Current Readback for Module #337 Channel 05 Stability Test

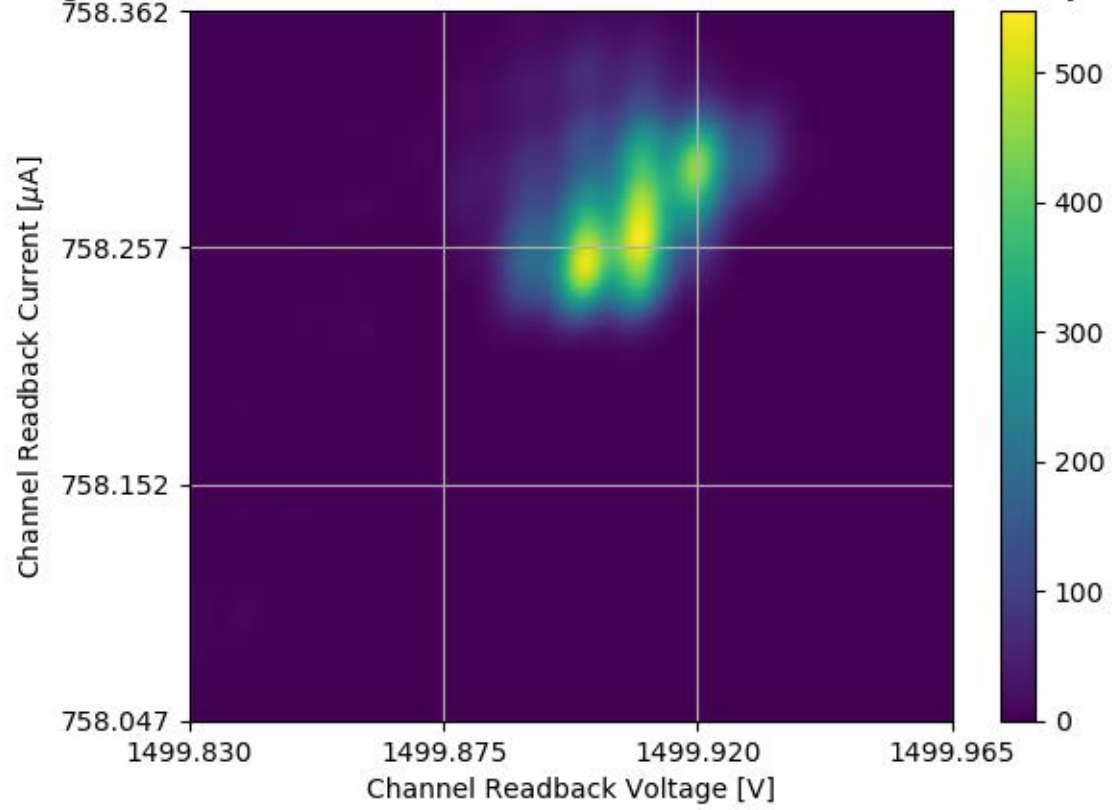

Voltage and Current Readback for Module #337 Channel 06 Stability Test

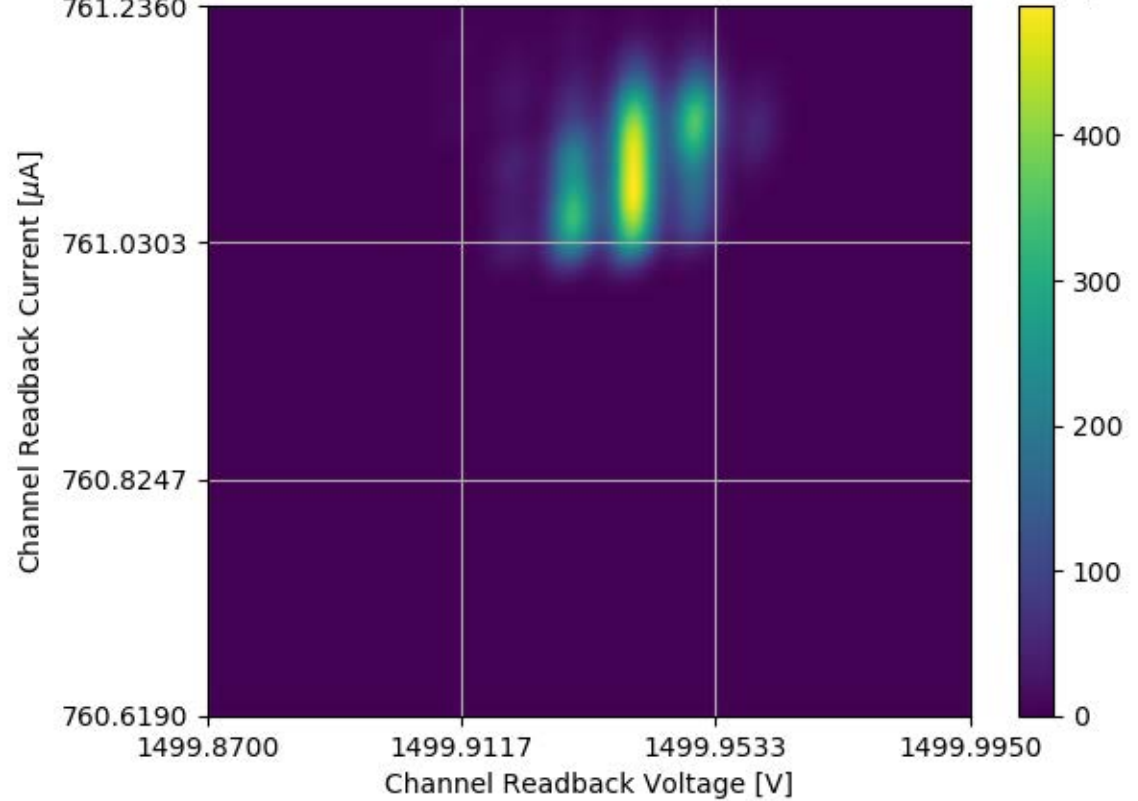

Voltage and Current Readback for Module #337 Channel 07 Stability Test

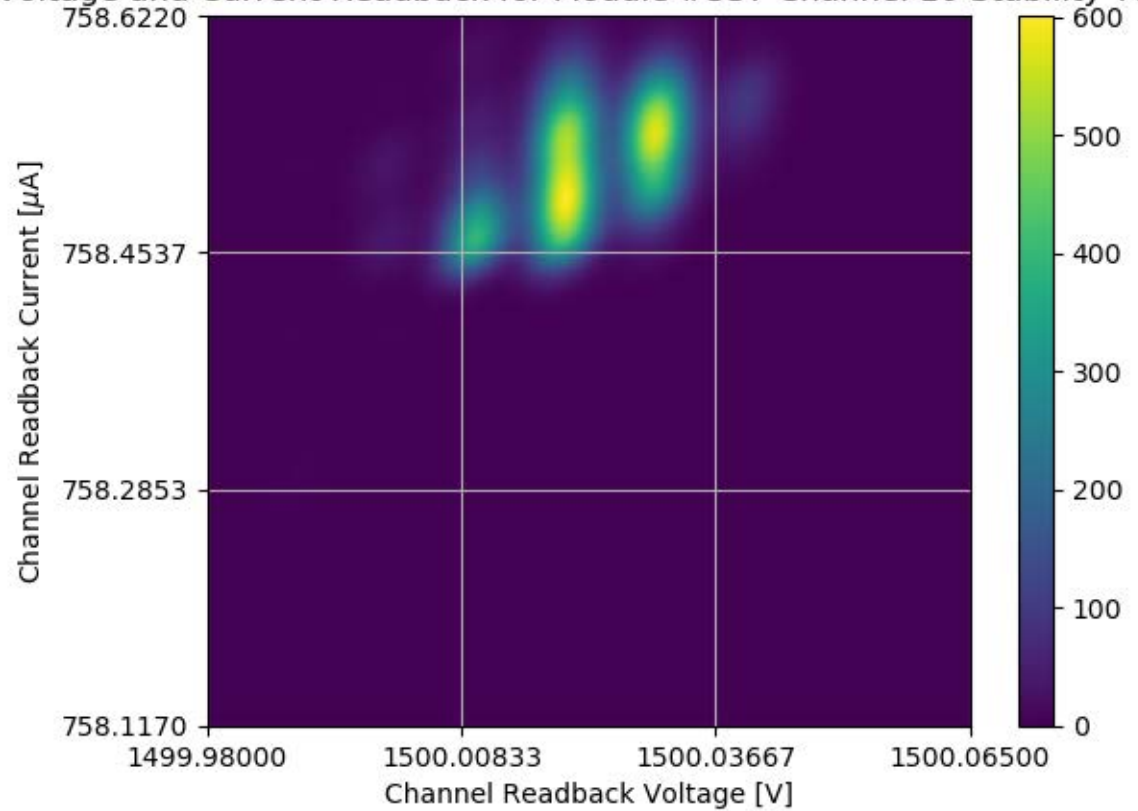

Voltage and Current Readback for Module #337 Channel 08 Stability Test

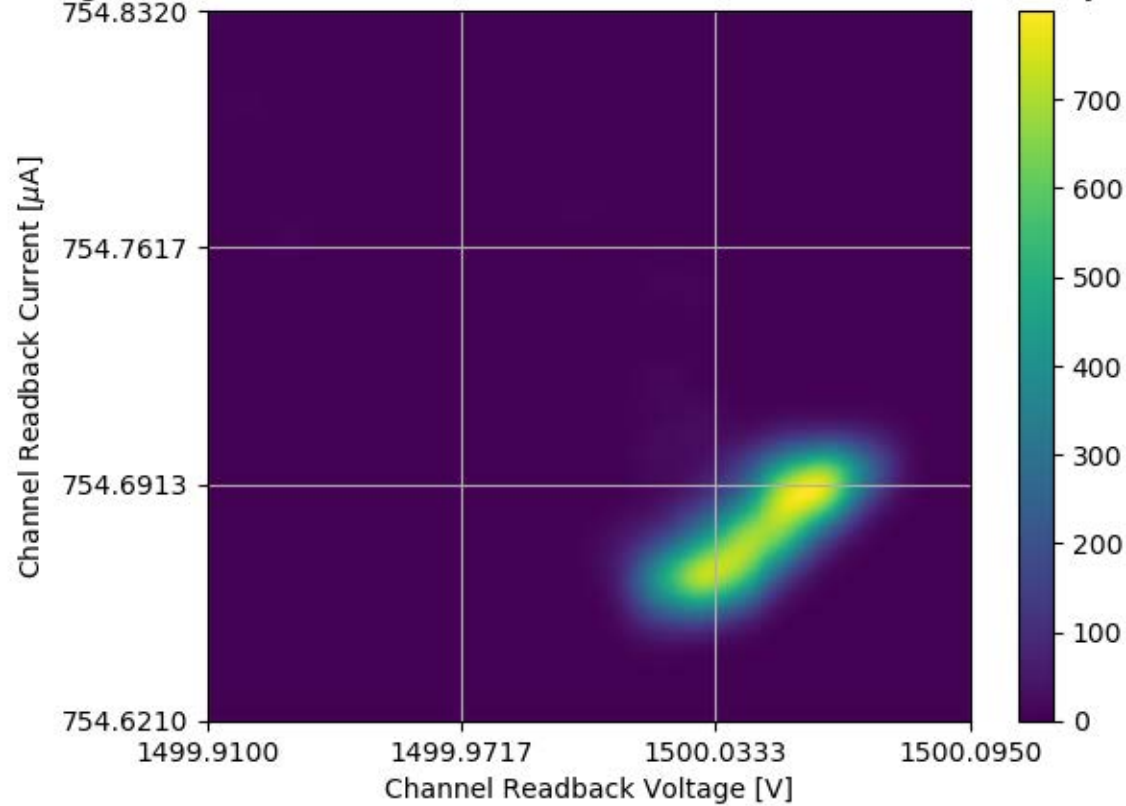

Voltage and Current Readback for Module #337 Channel 09 Stability Test

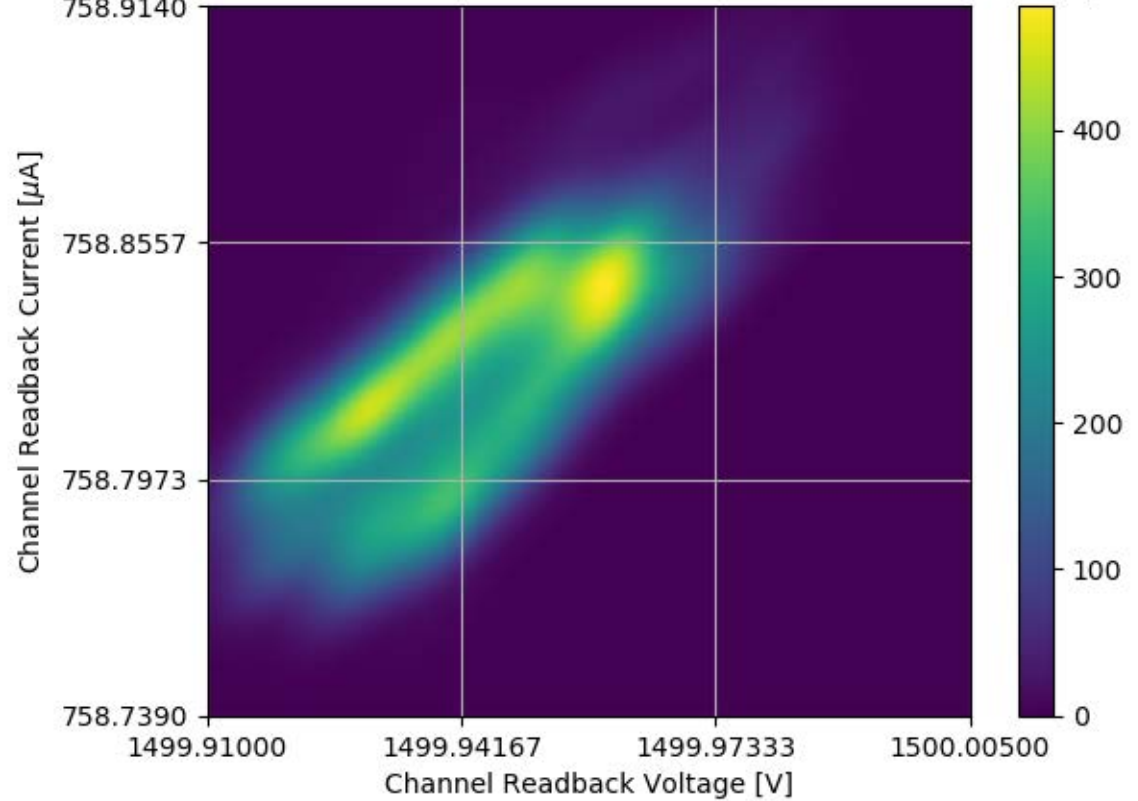

Voltage and Current Readback for Module #337 Channel 10 Stability Test

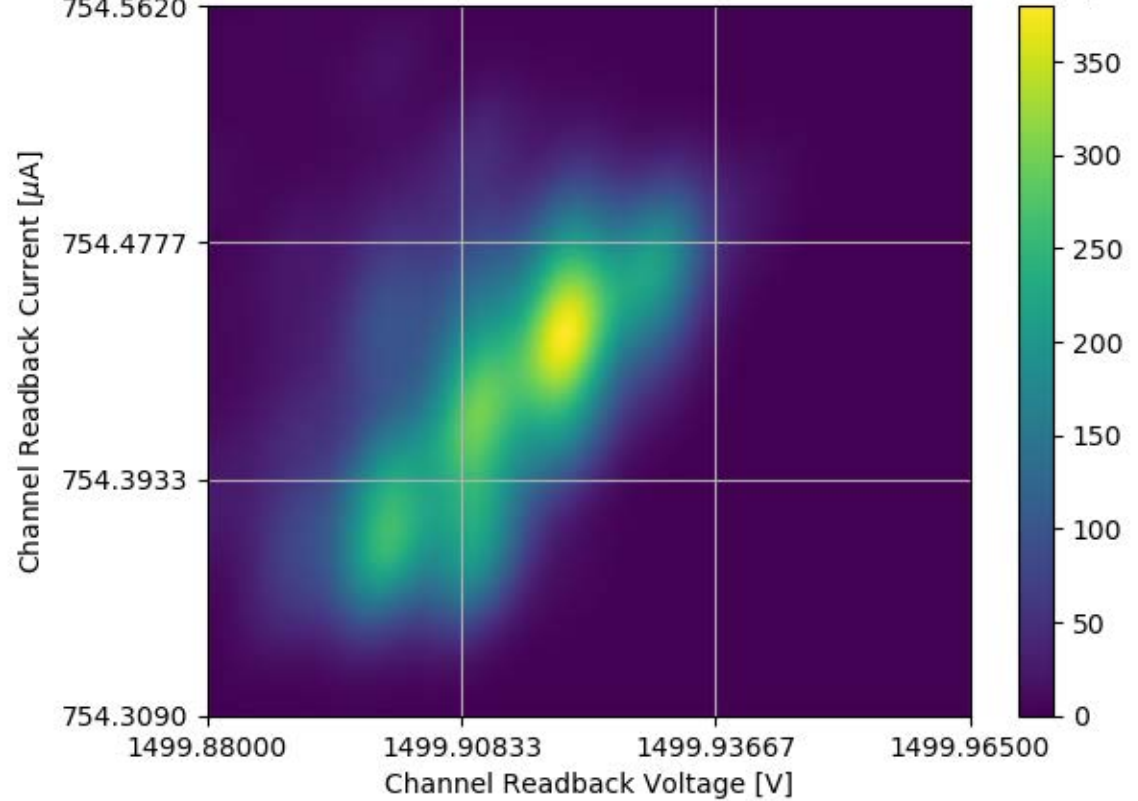

Voltage and Current Readback for Module #337 Channel 11 Stability Test

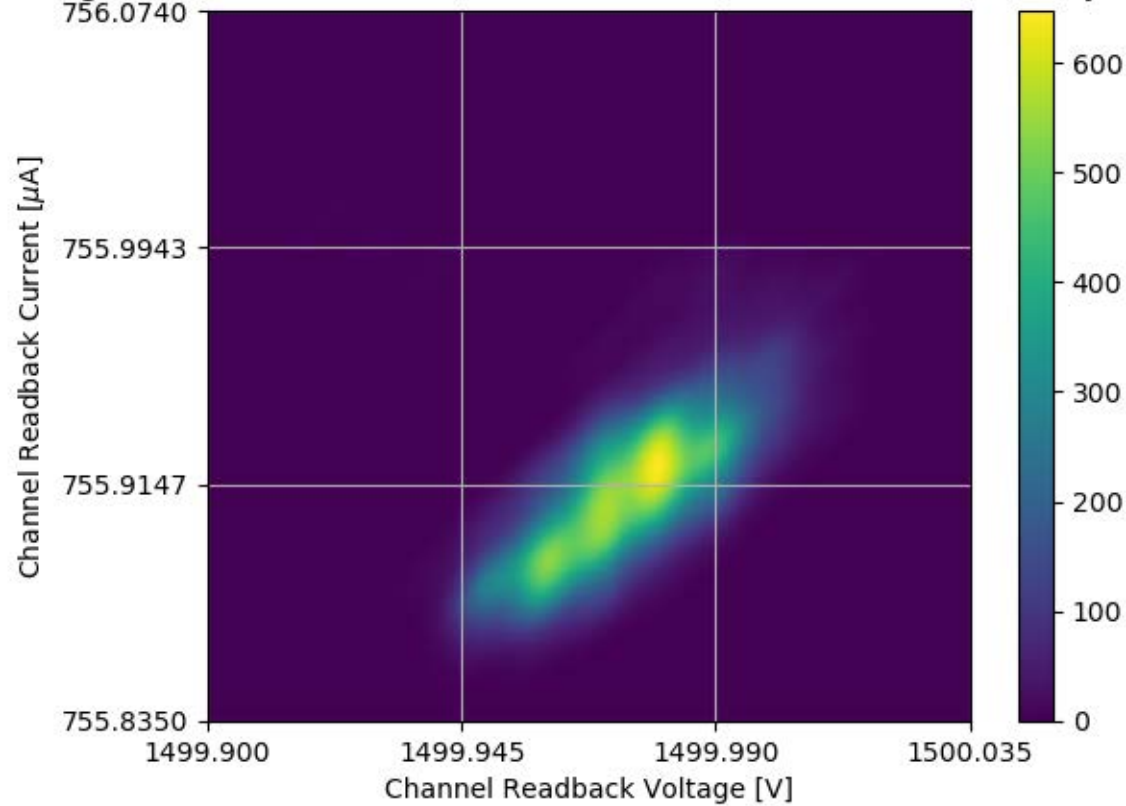

Voltage and Current Readback for Module #337 Channel 12 Stability Test

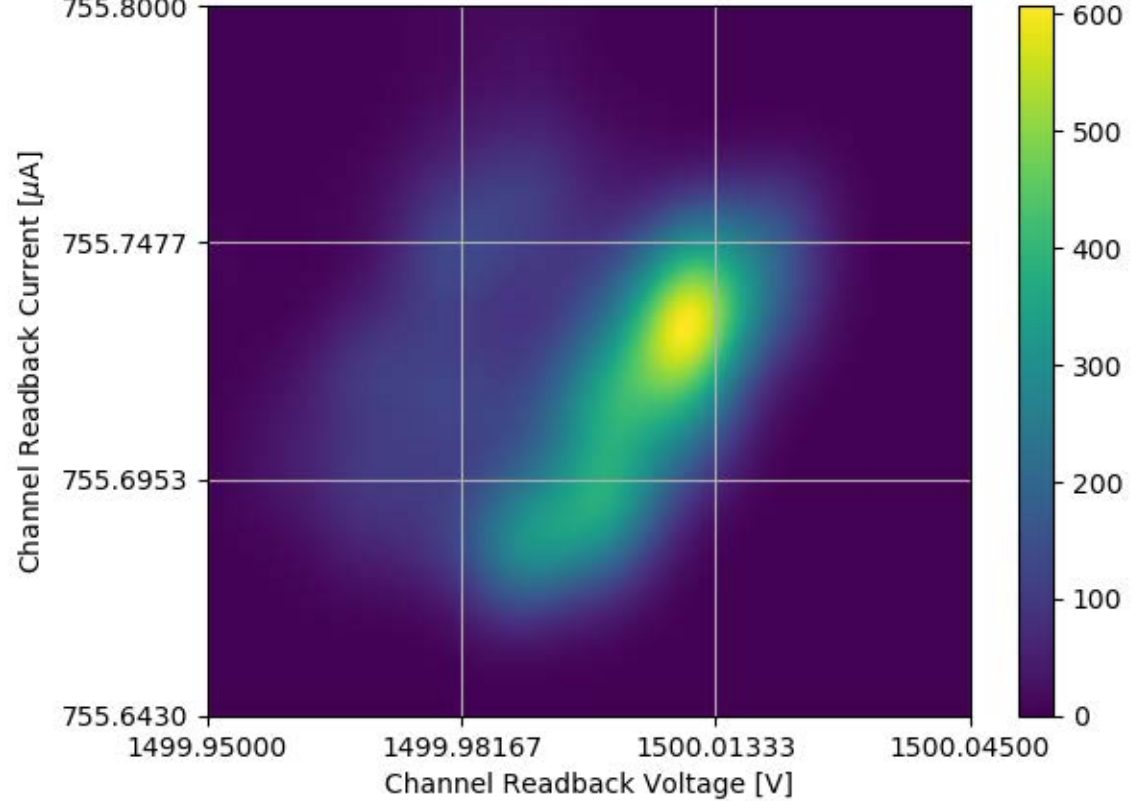

Voltage and Current Readback for Module #337 Channel 13 Stability Test

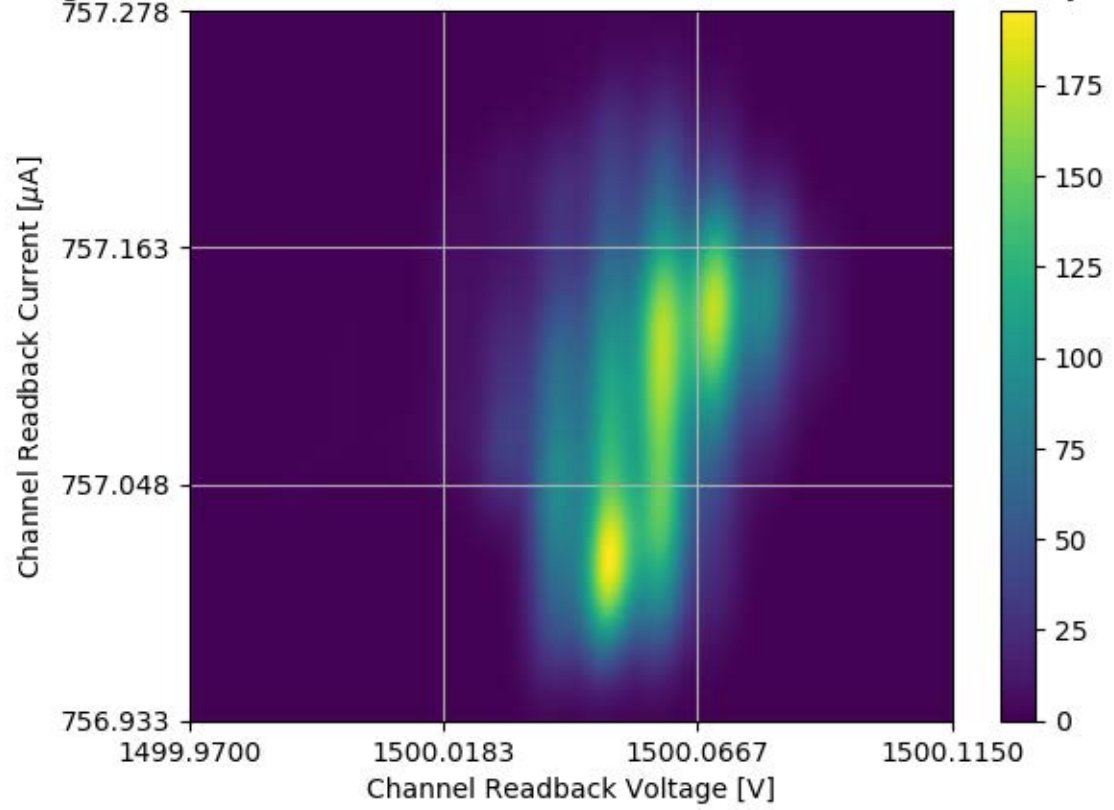

Voltage and Current Readback for Module #337 Channel 14 Stability Test

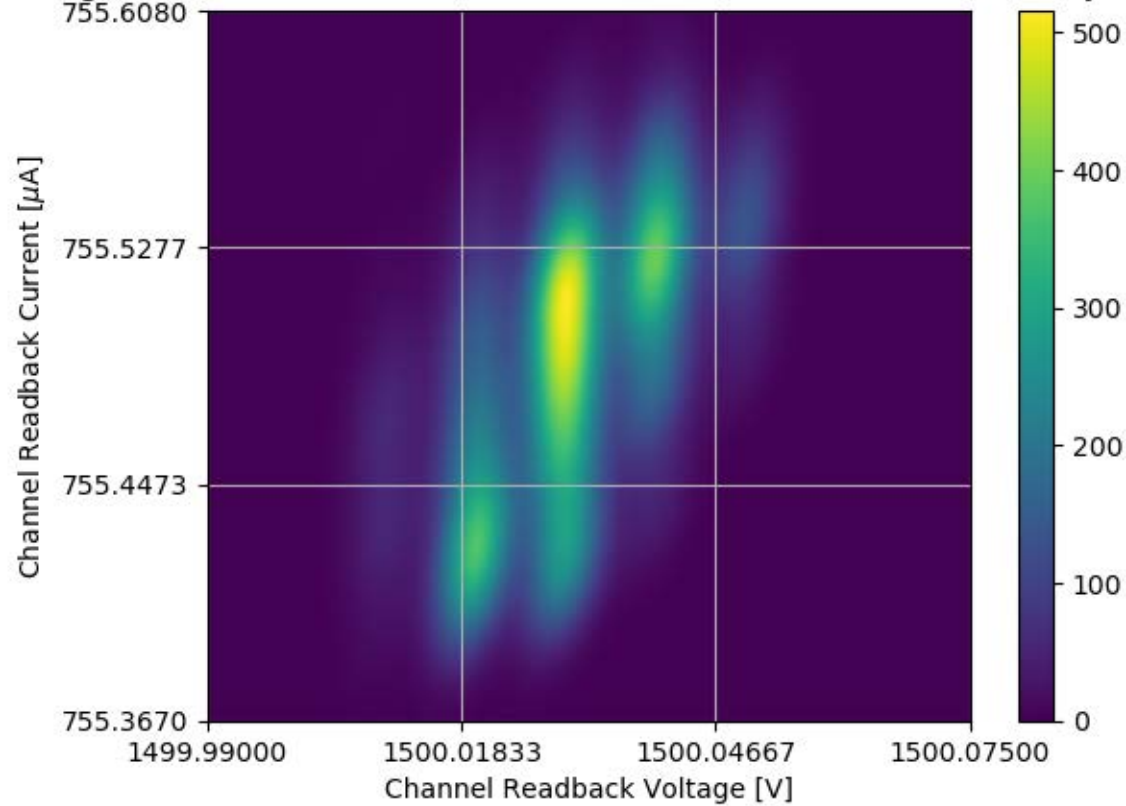

Voltage and Current Readback for Module #337 Channel 15 Stability Test

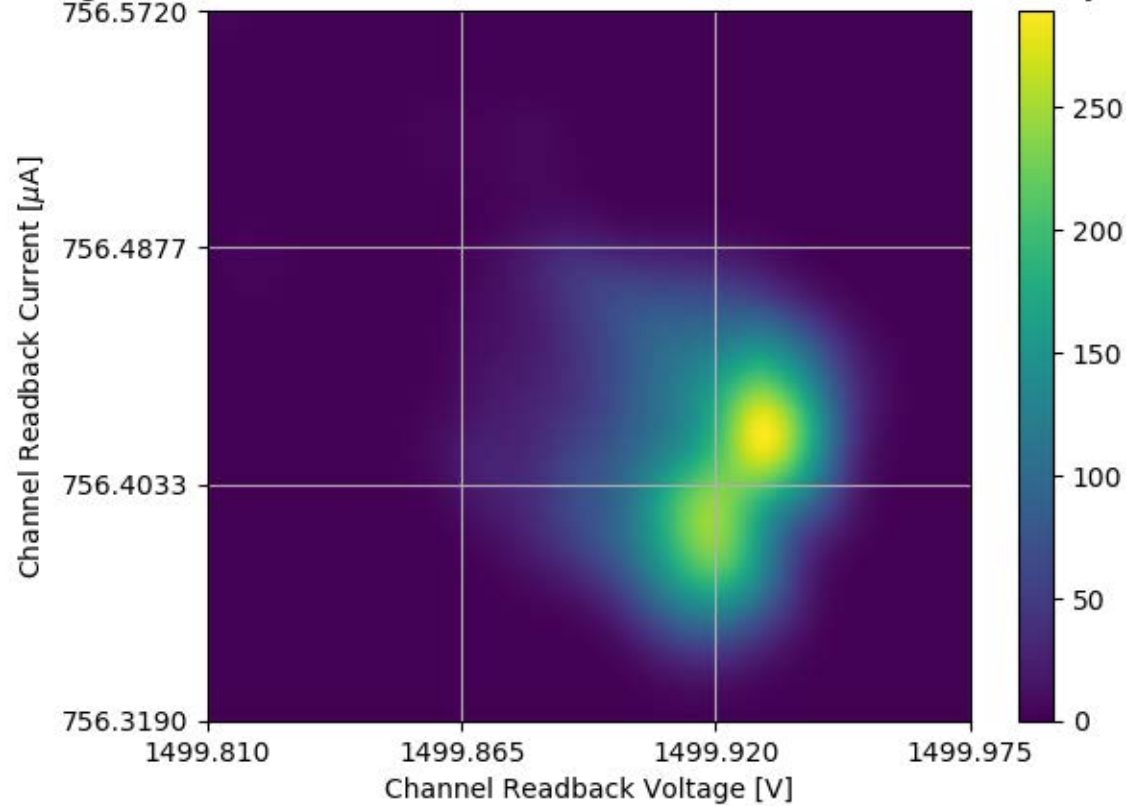

Voltage and Current Readback for Module #337 Channel 16 Stability Test

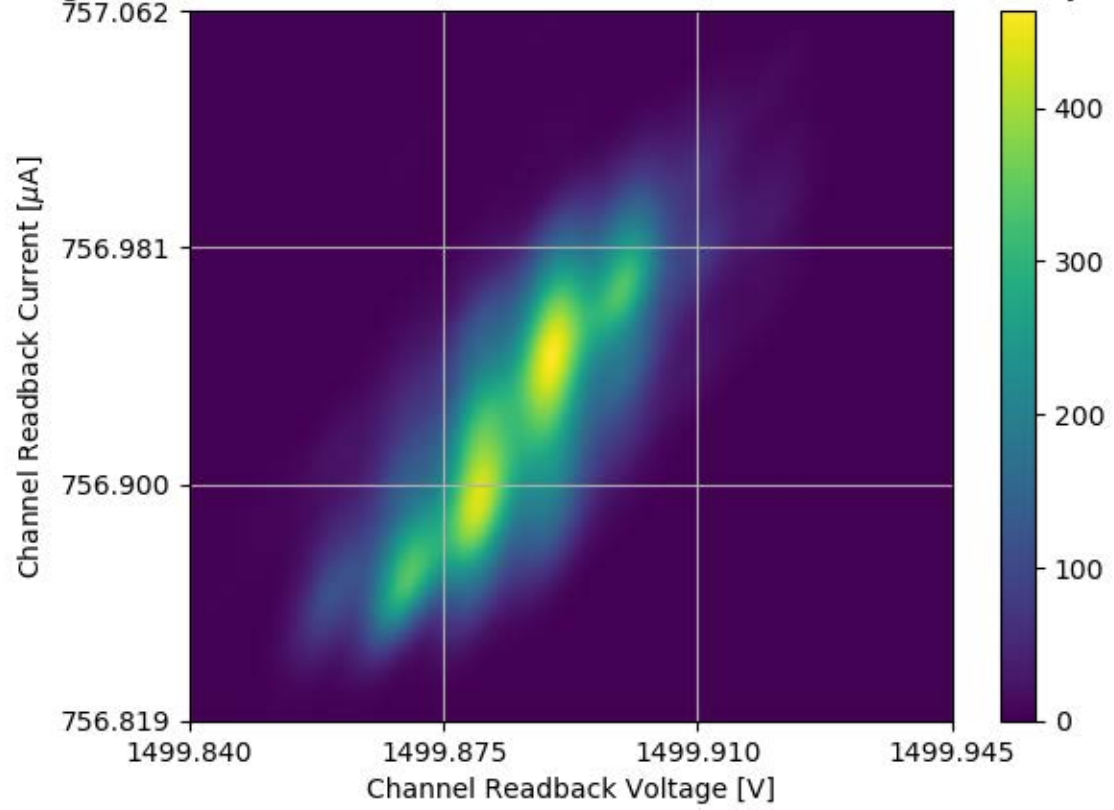

Voltage and Current Readback for Module #337 Channel 17 Stability Test

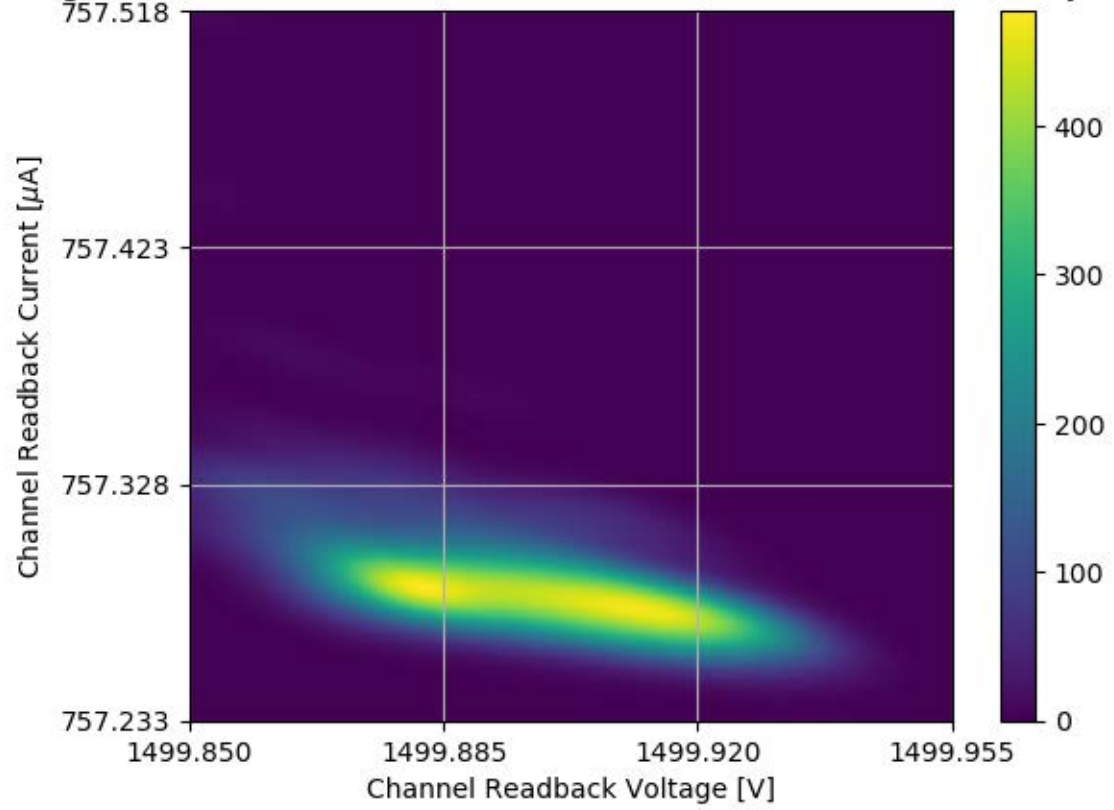

Voltage and Current Readback for Module #337 Channel 18 Stability Test

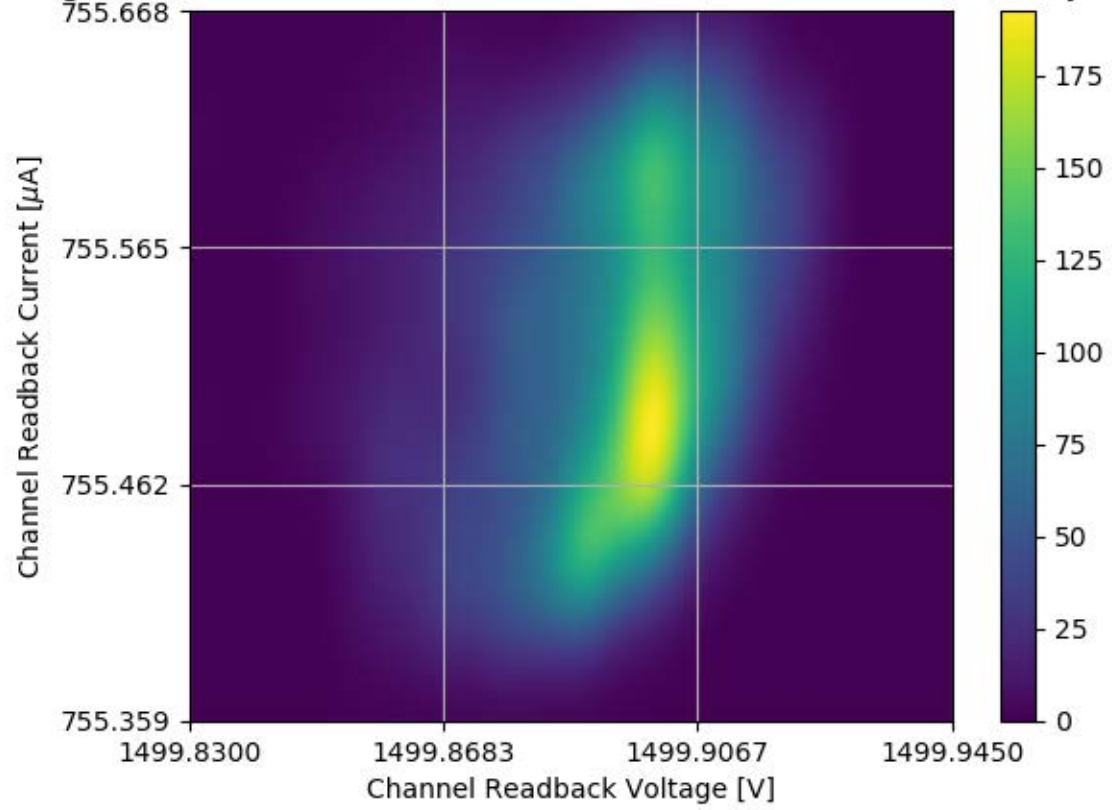

Voltage and Current Readback for Module #337 Channel 19 Stability Test

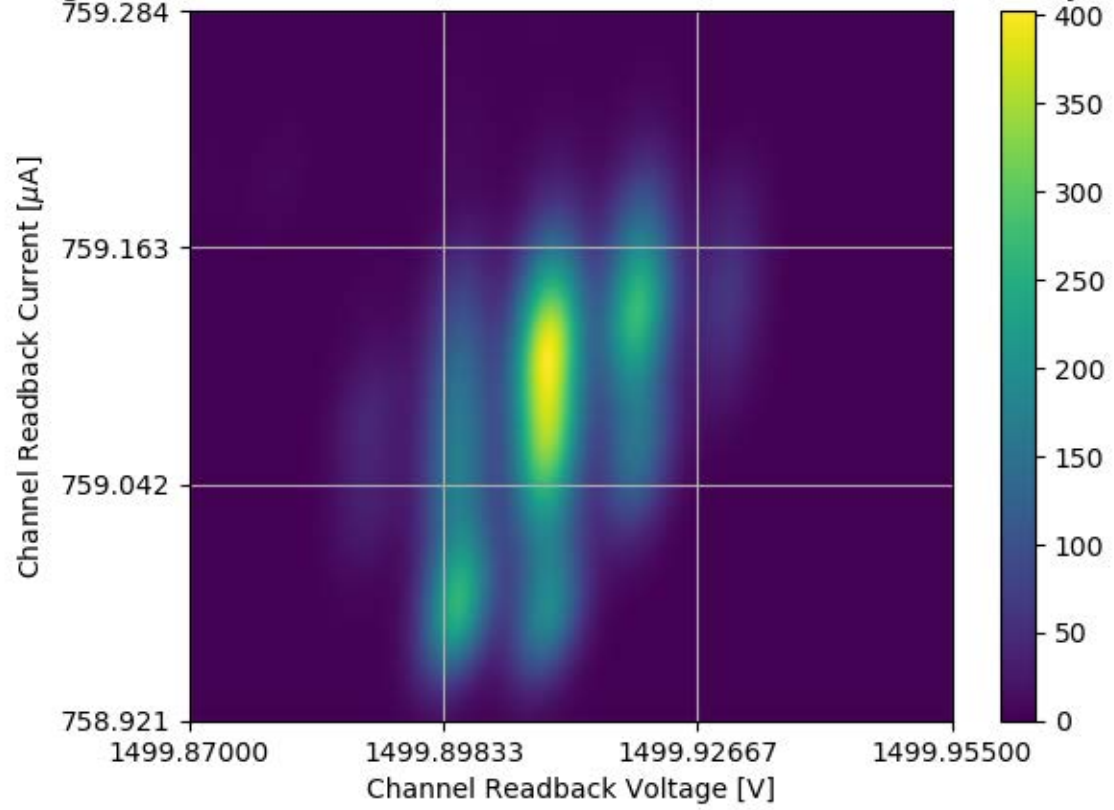

Voltage and Current Readback for Module #337 Channel 20 Stability Test

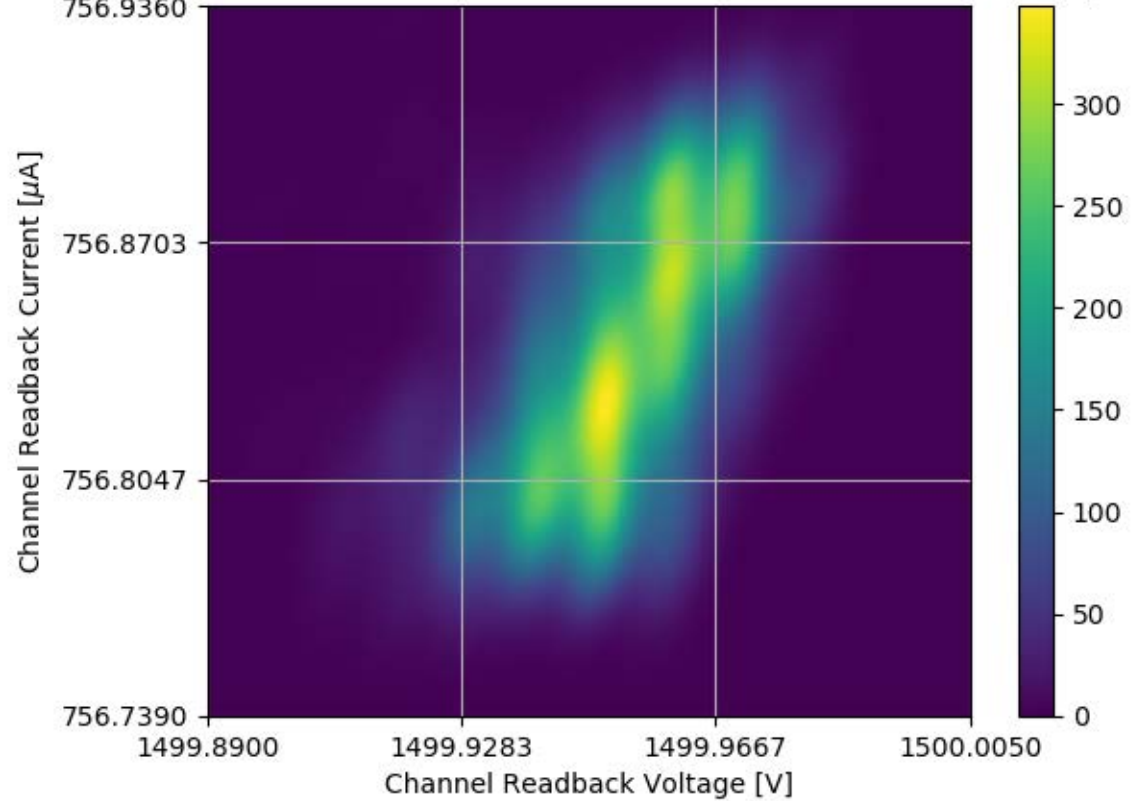

Voltage and Current Readback for Module #337 Channel 21 Stability Test

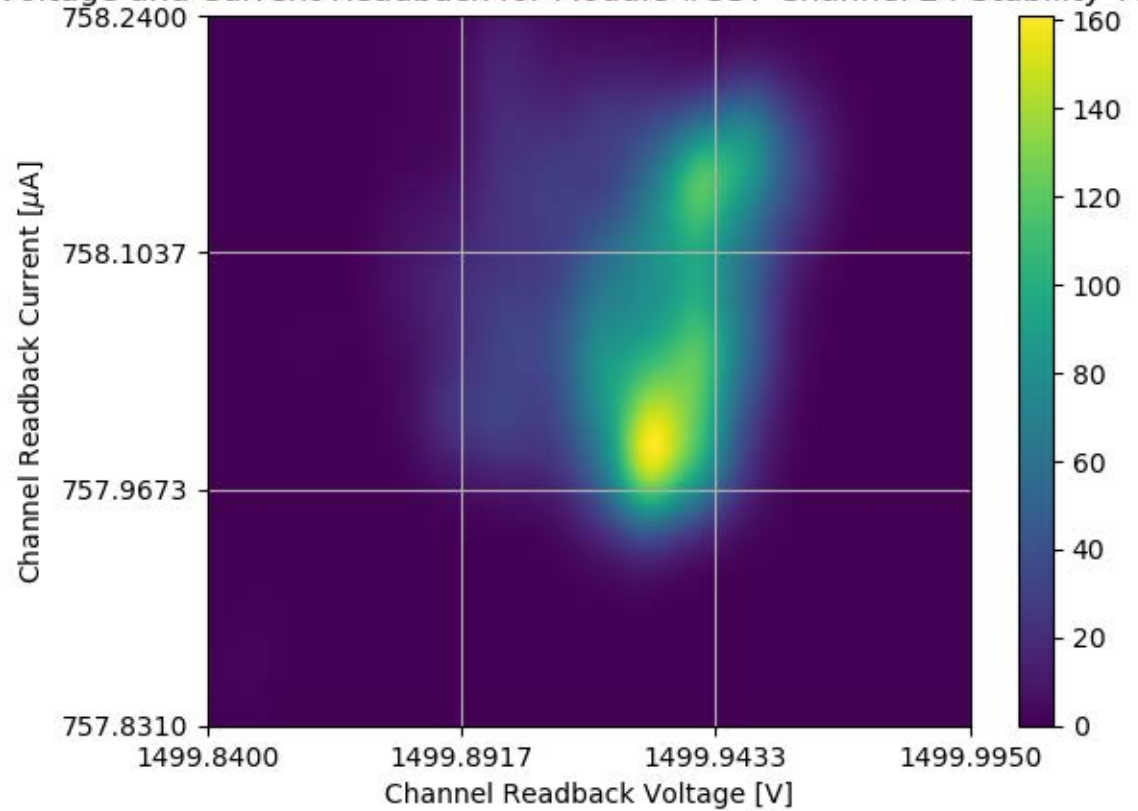

Voltage and Current Readback for Module #337 Channel 22 Stability Test

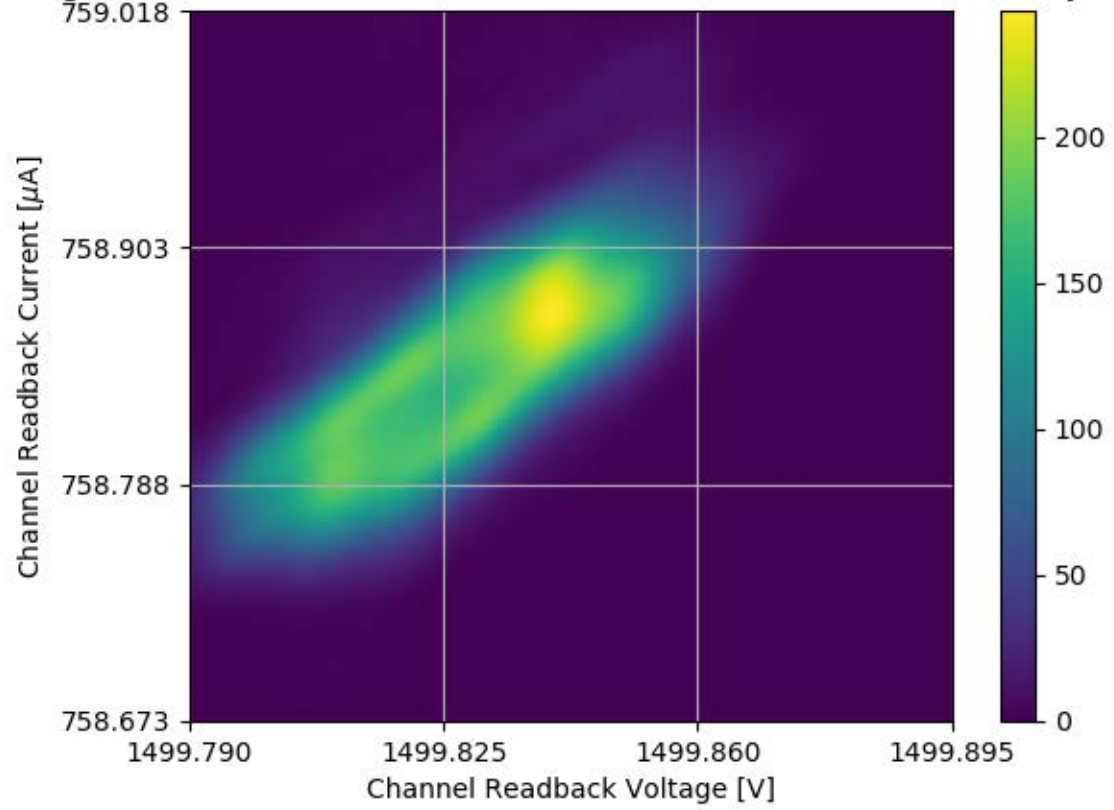

Voltage and Current Readback for Module #337 Channel 23 Stability Test

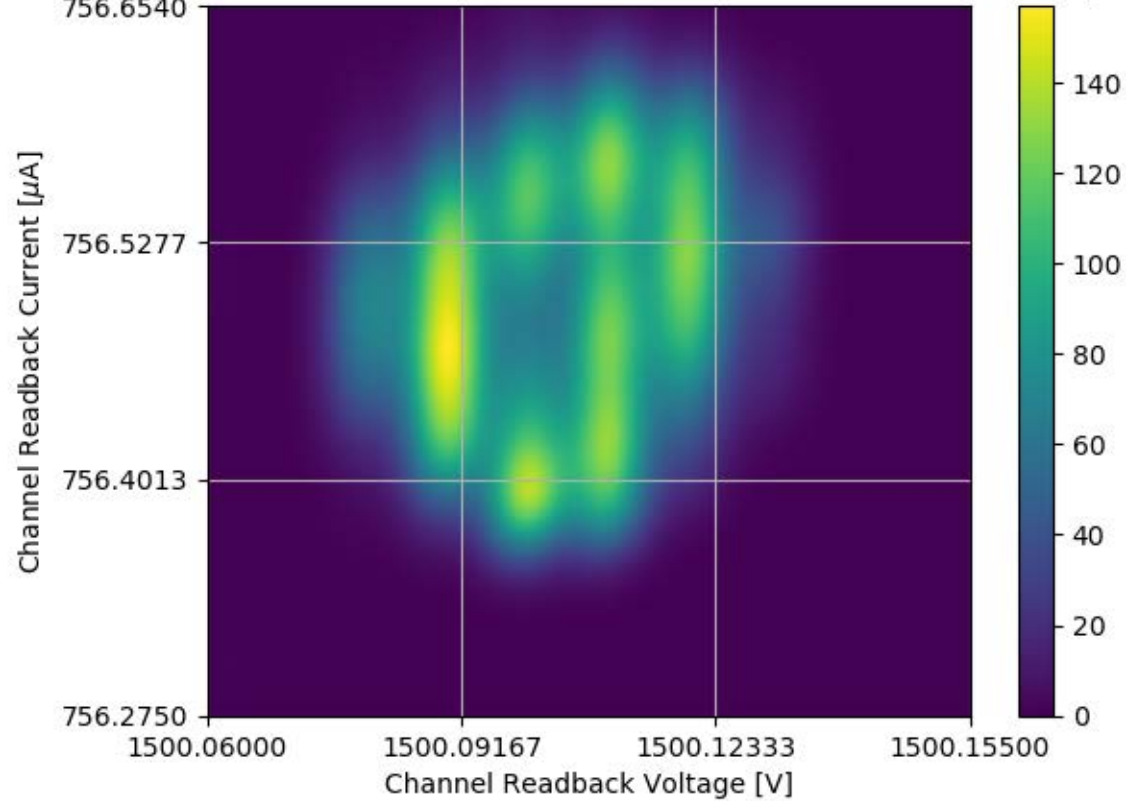

Voltage and Current Readback for Module #337 Channel 24 Stability Test

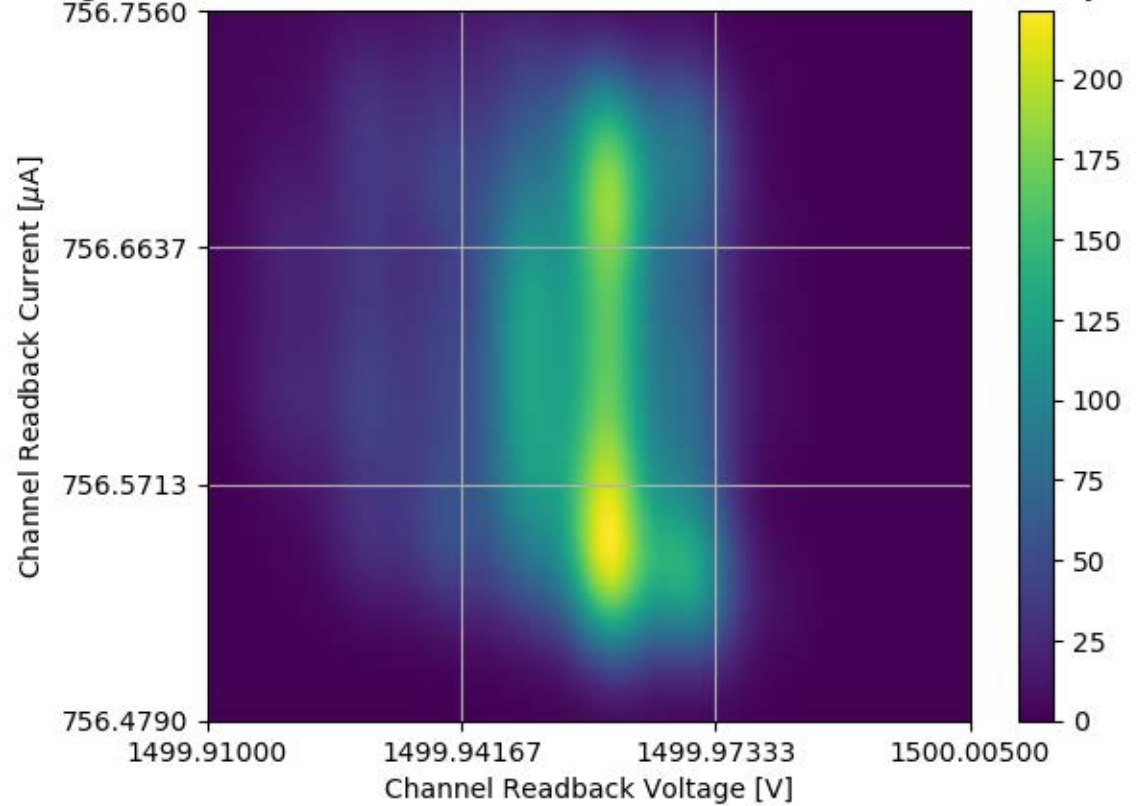

Voltage and Current Readback for Module #337 Channel 25 Stability Test

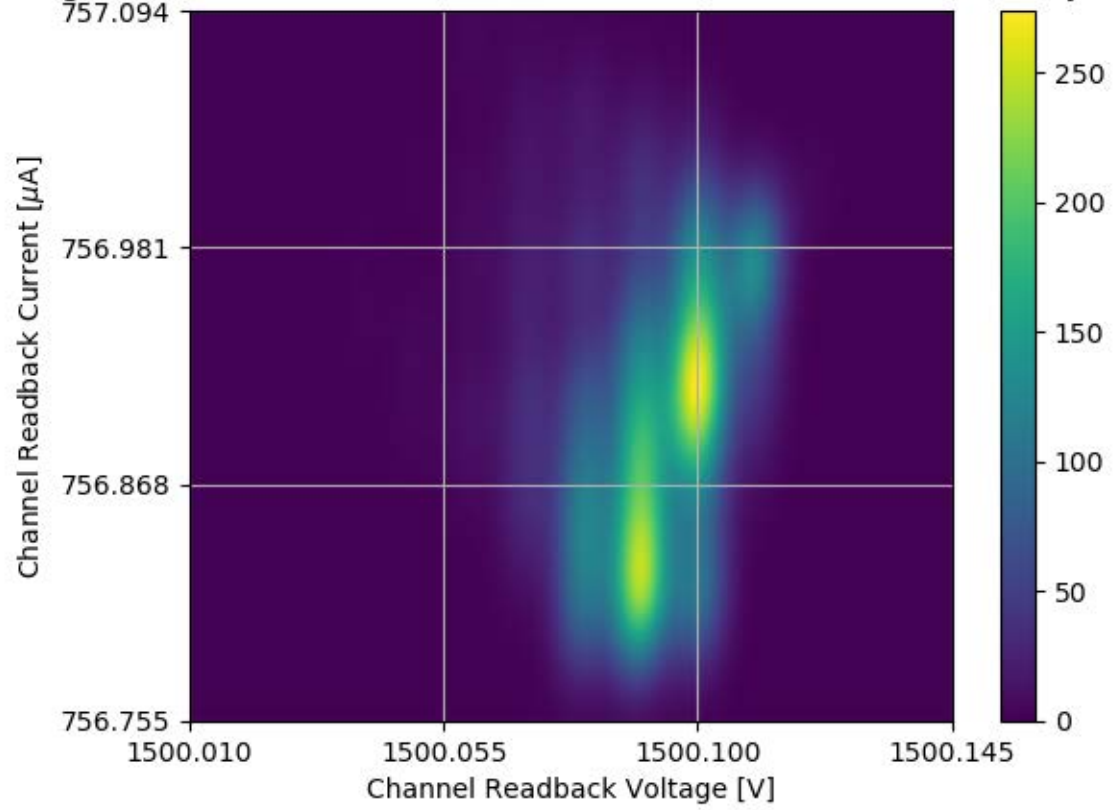

Voltage and Current Readback for Module #337 Channel 26 Stability Test

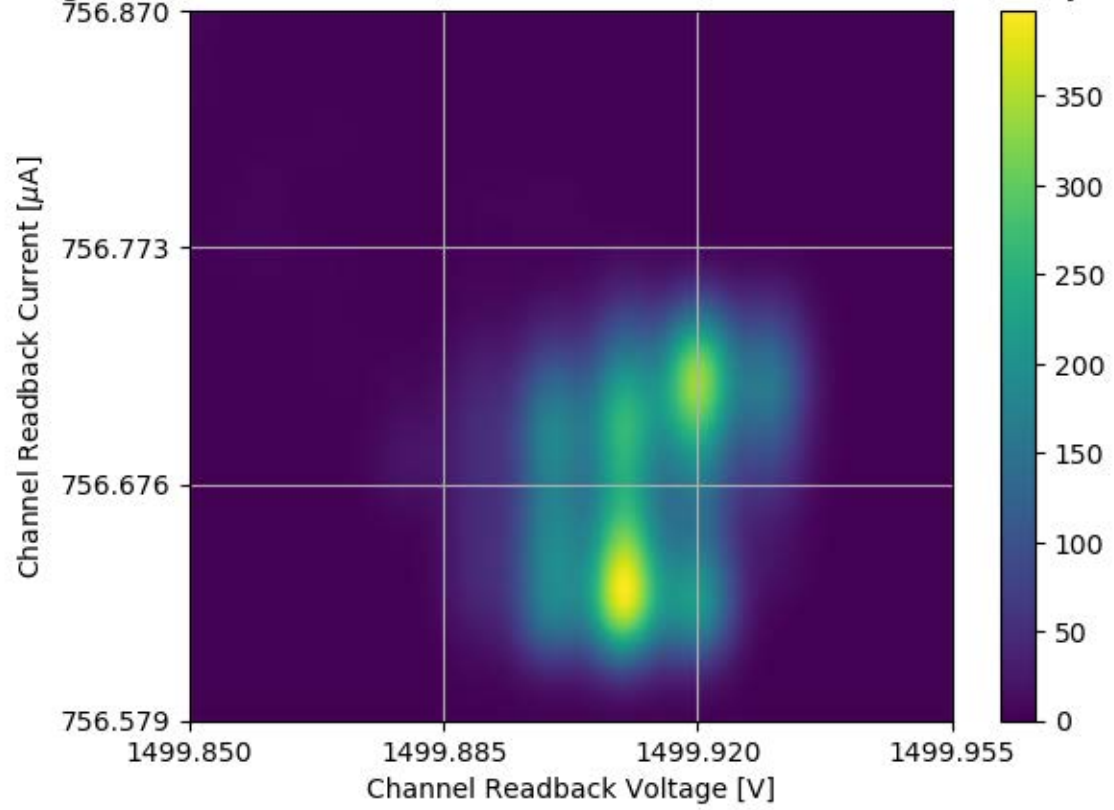

Voltage and Current Readback for Module #337 Channel 27 Stability Test

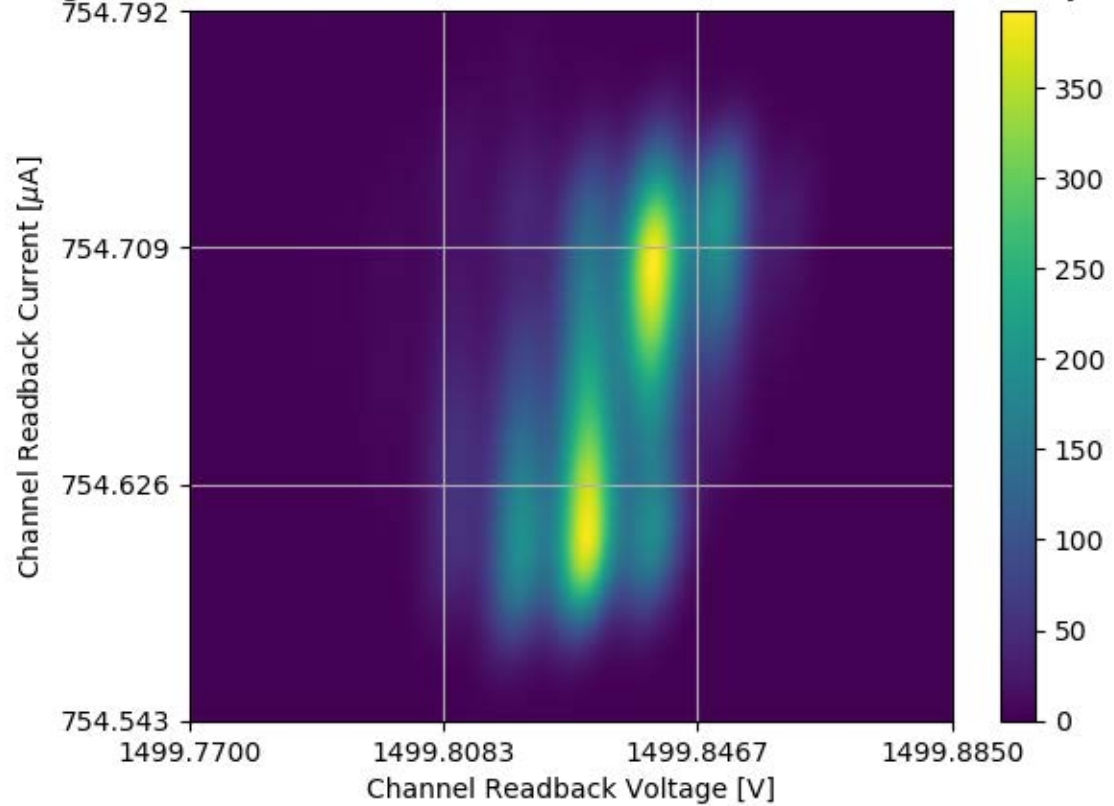

Voltage and Current Readback for Module #337 Channel 28 Stability Test

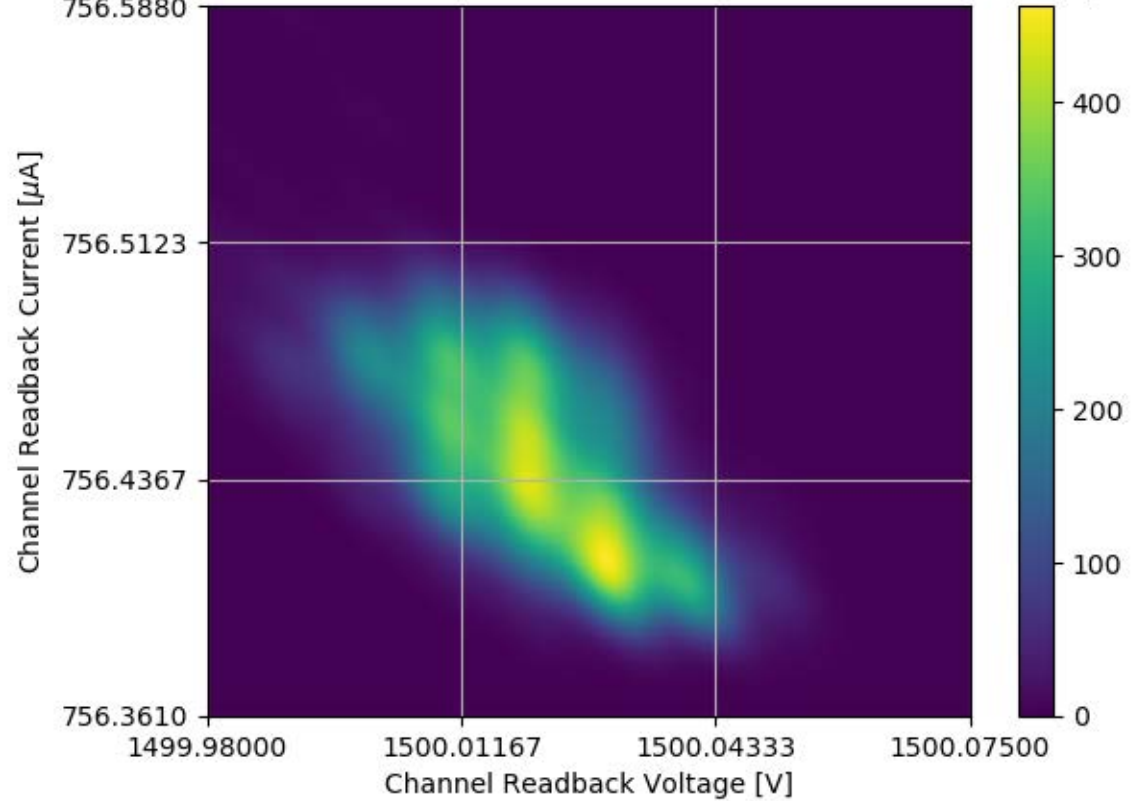

Voltage and Current Readback for Module #337 Channel 29 Stability Test

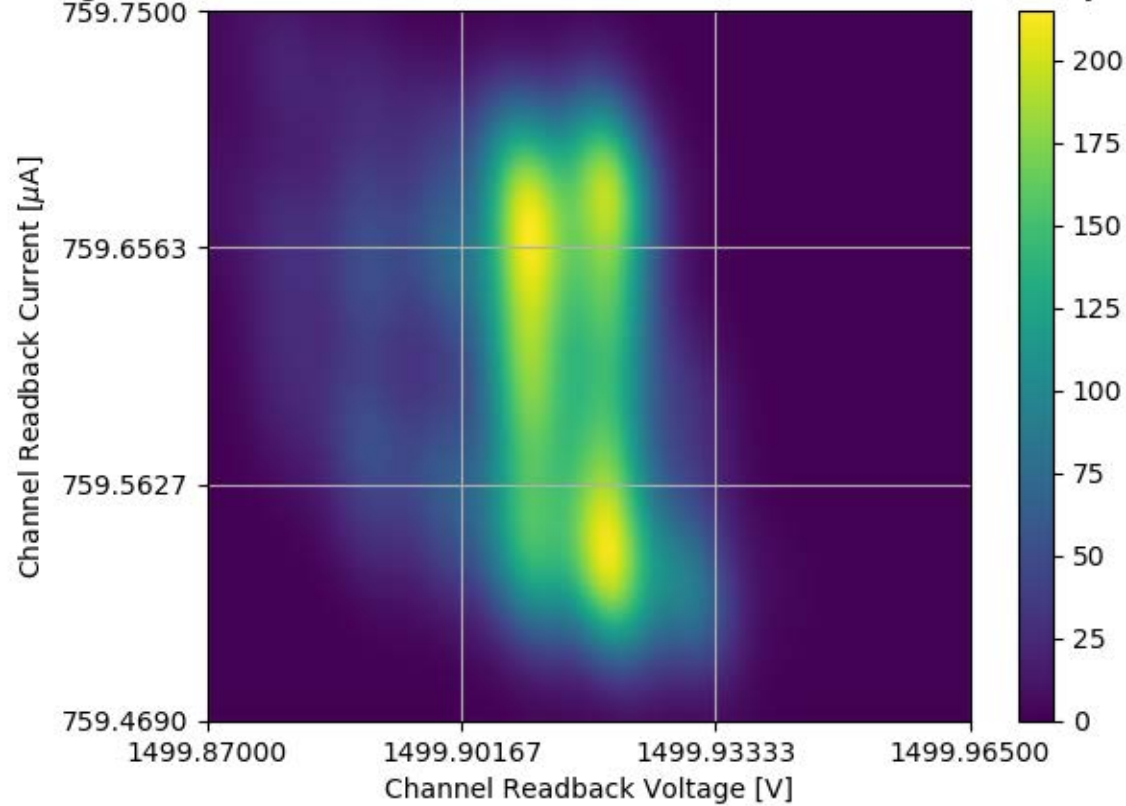

Voltage and Current Readback for Module #337 Channel 30 Stability Test

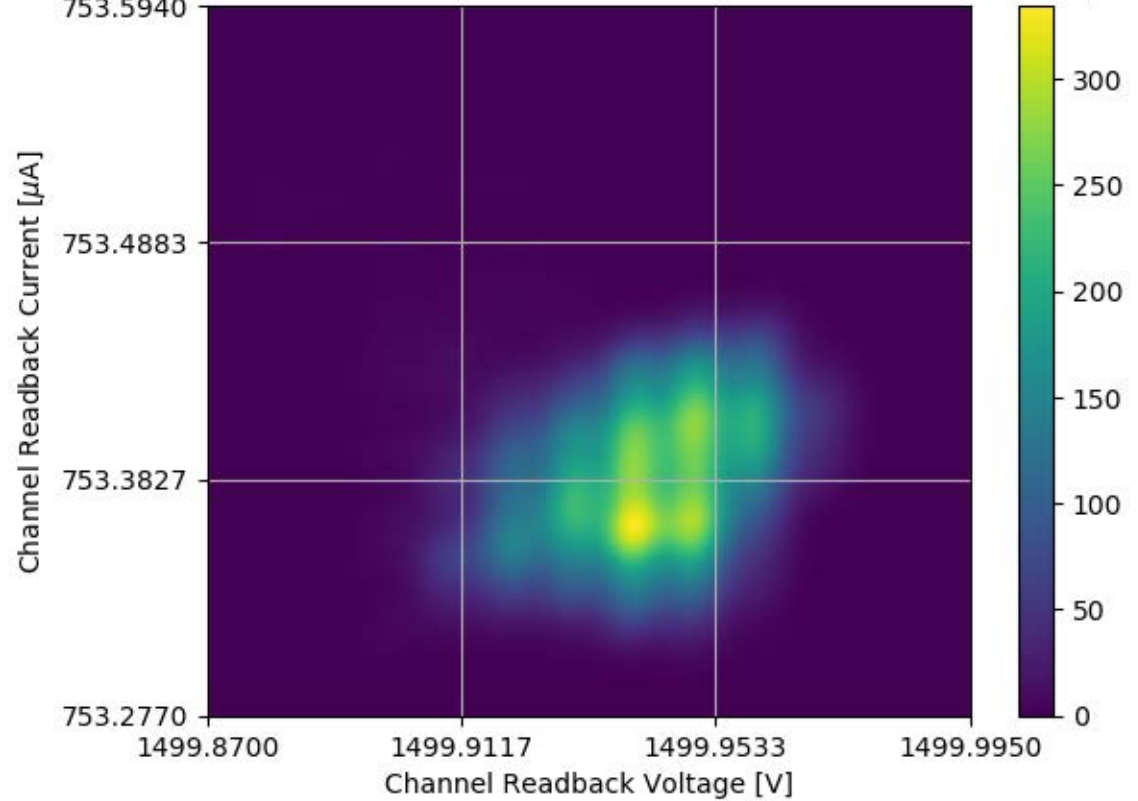

Voltage and Current Readback for Module #337 Channel 31 Stability Test

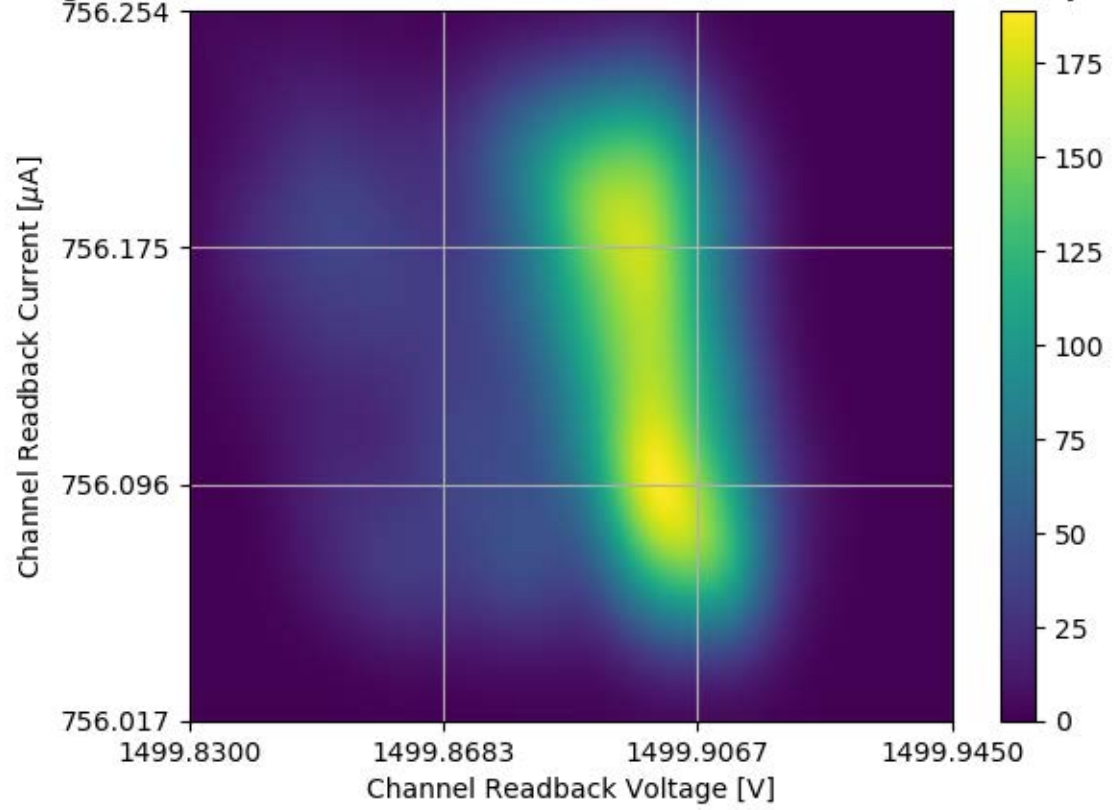

Voltage and Current Readback for Module #337 Channel 32 Stability Test

Voltage and Current Readback for Module #337 Channel 33 Stability Test

Voltage and Current Readback for Module #337 Channel 34 Stability Test

Voltage and Current Readback for Module #337 Channel 35 Stability Test
