

Voltage and Current Readback for Module #339 Channel 00 Stability Test

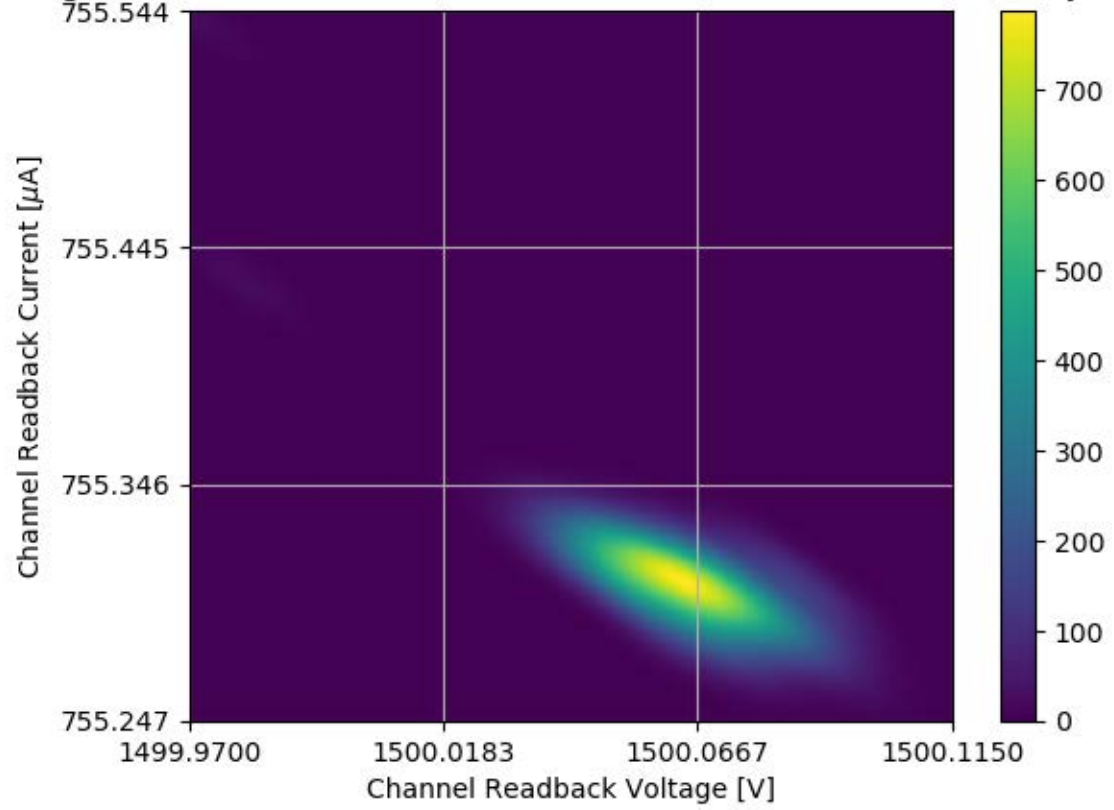

Voltage and Current Readback for Module #339 Channel 01 Stability Test

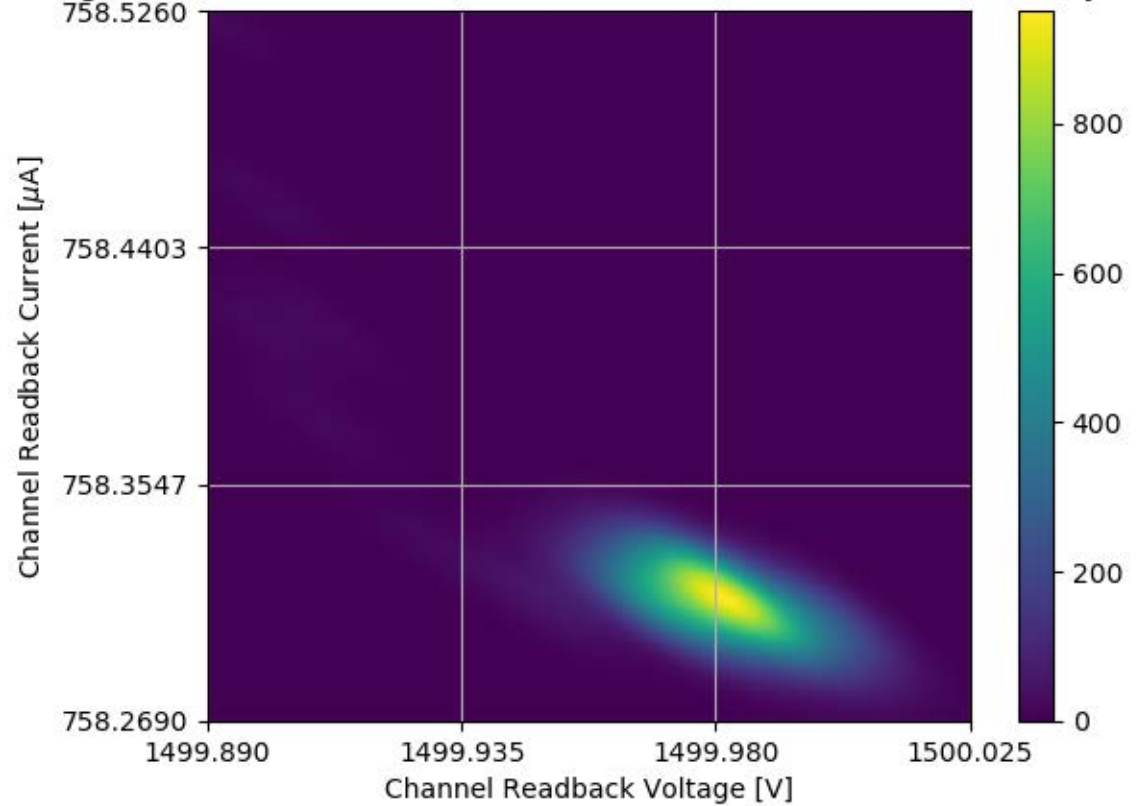

Voltage and Current Readback for Module #339 Channel 02 Stability Test

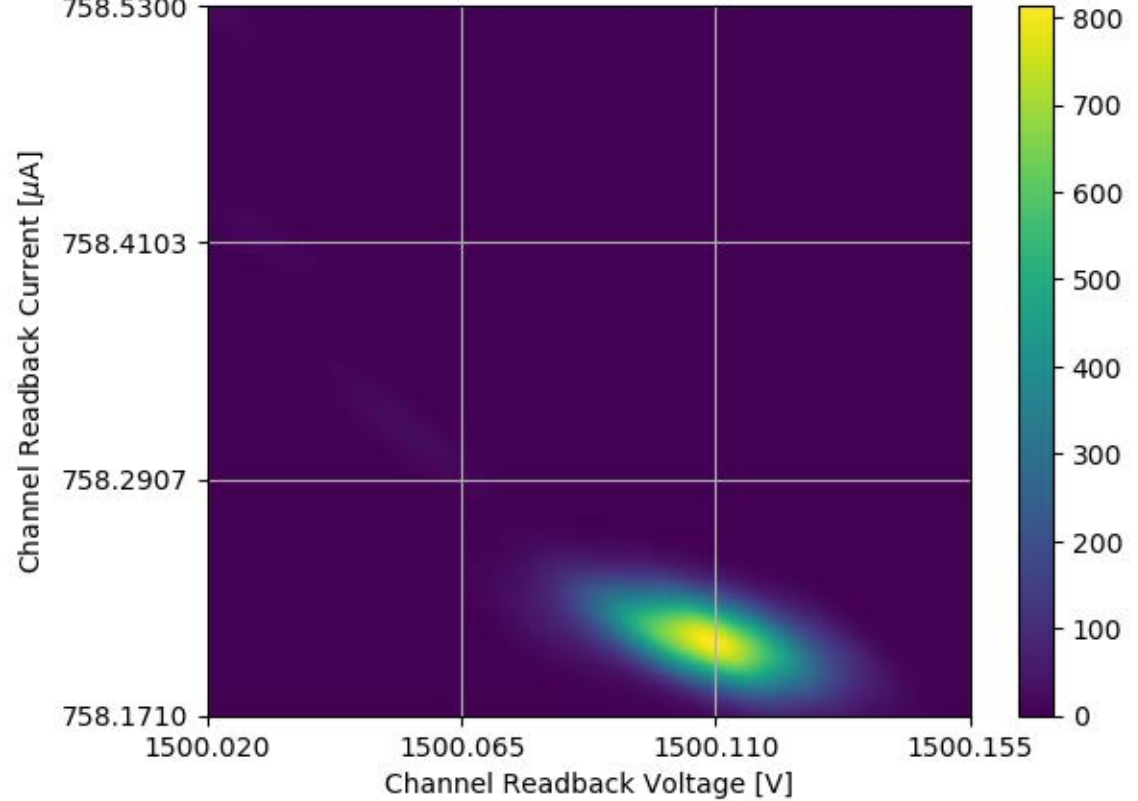

# Voltage and Current Readback for Module #339 Channel 03 Stability Test

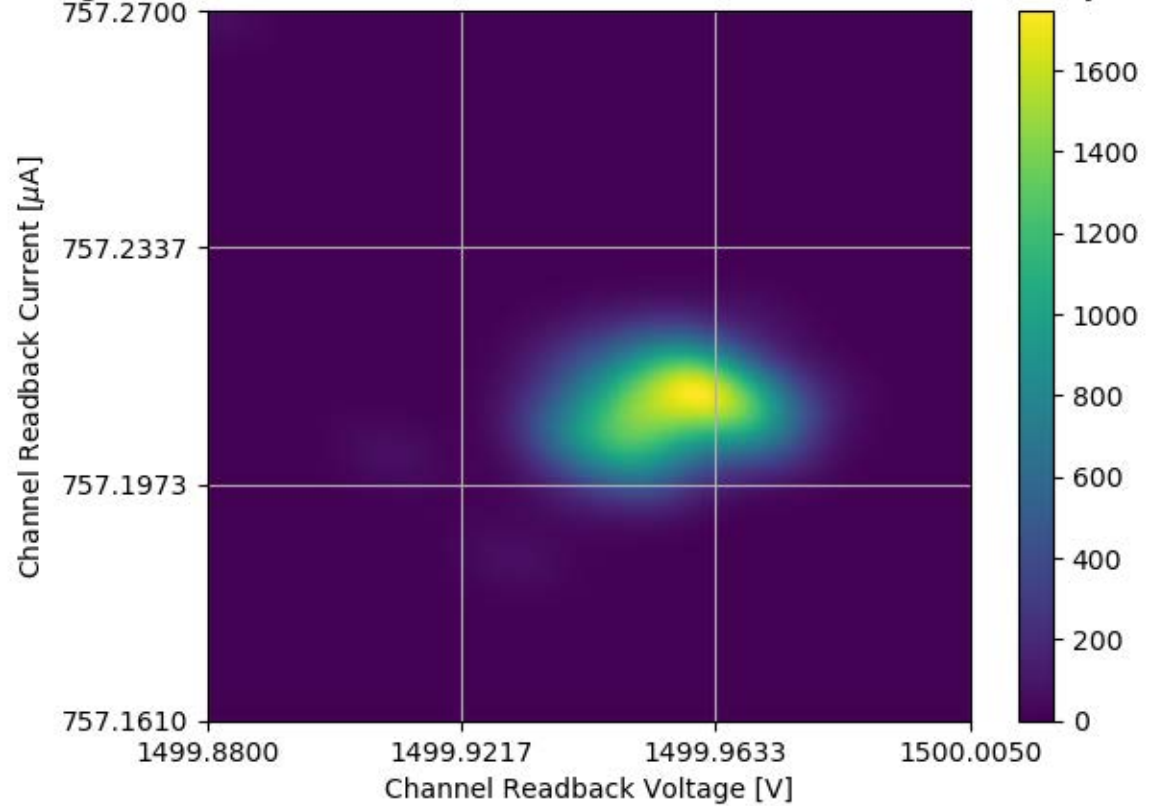

Voltage and Current Readback for Module #339 Channel 04 Stability Test

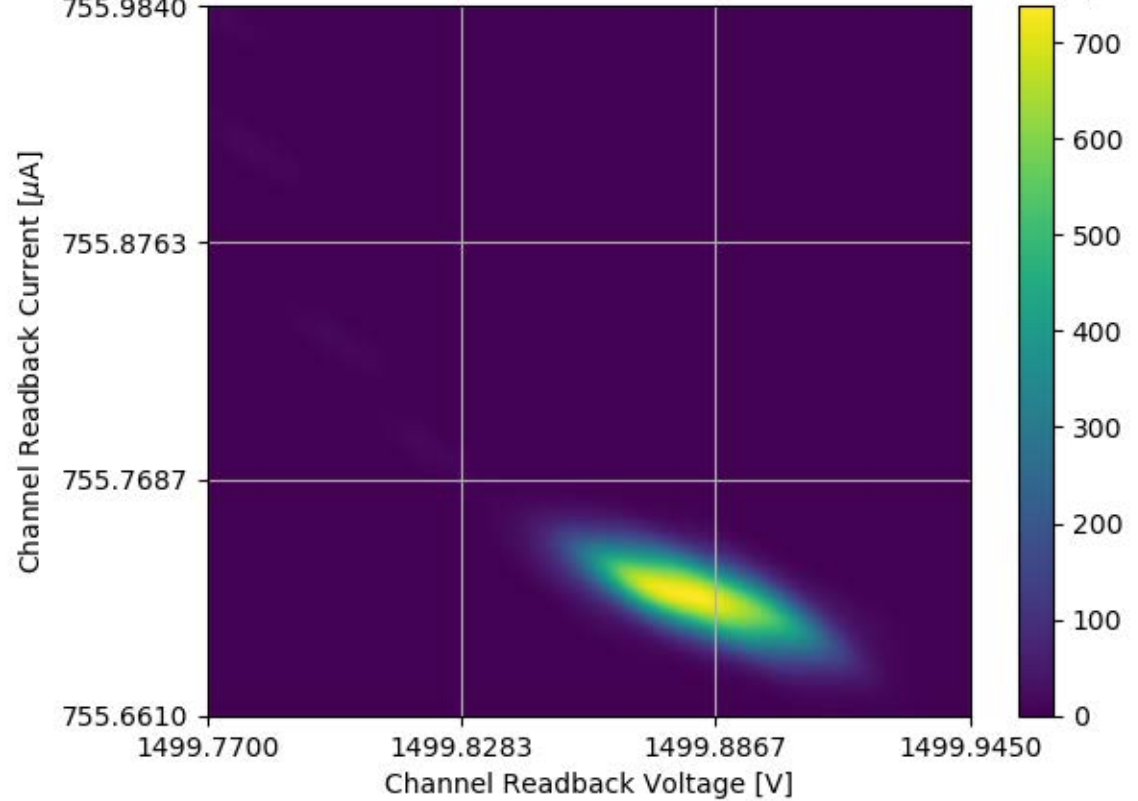

Voltage and Current Readback for Module #339 Channel 05 Stability Test

# Voltage and Current Readback for Module #339 Channel 06 Stability Test

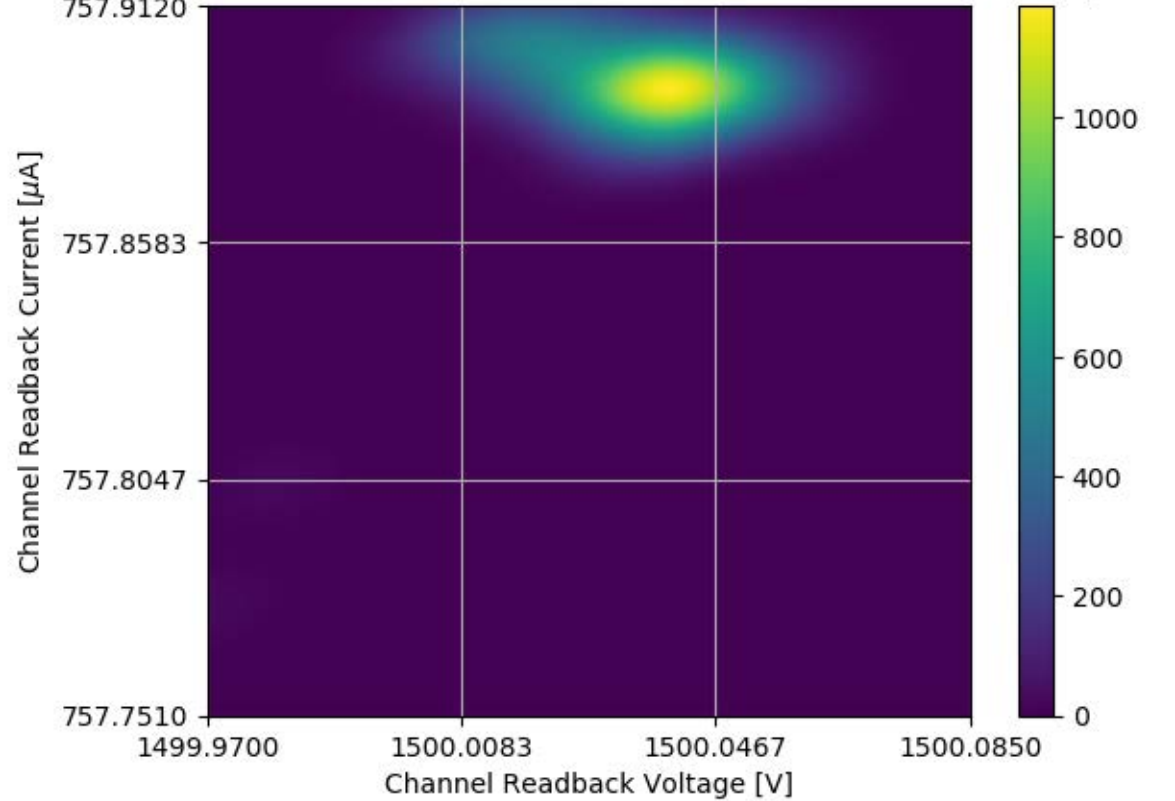

Voltage and Current Readback for Module #339 Channel 07 Stability Test

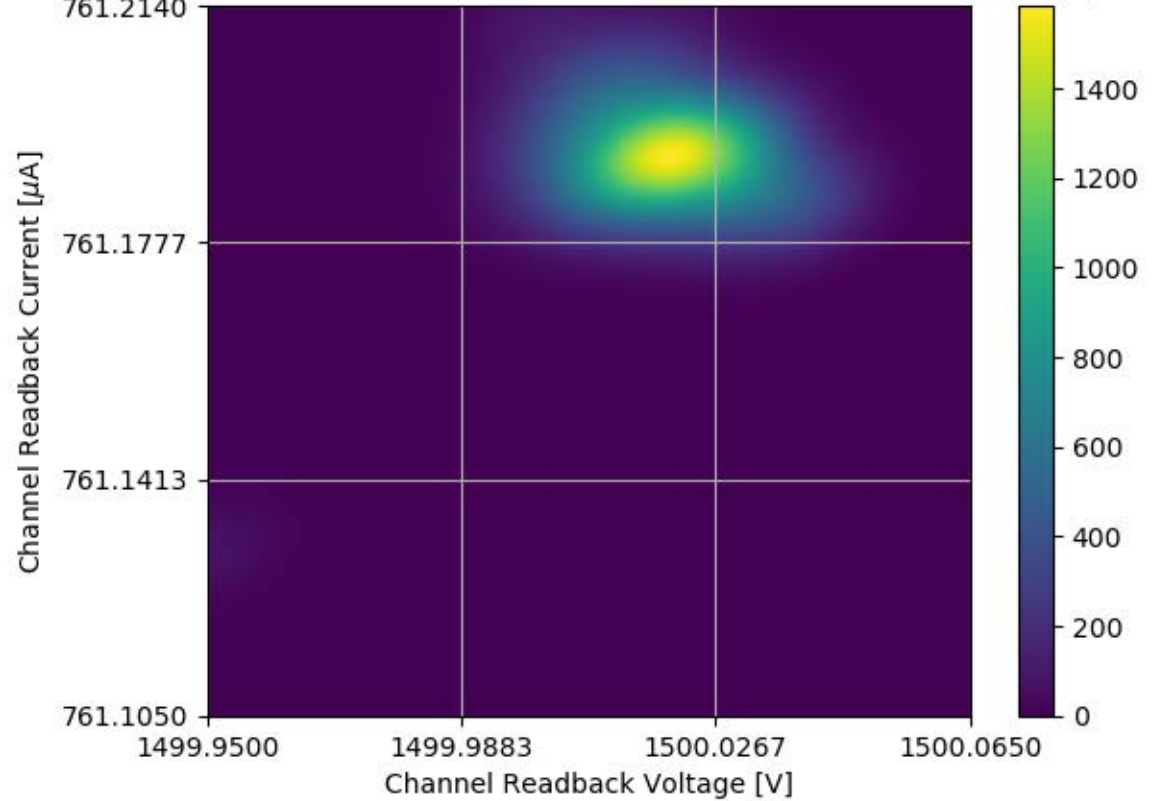

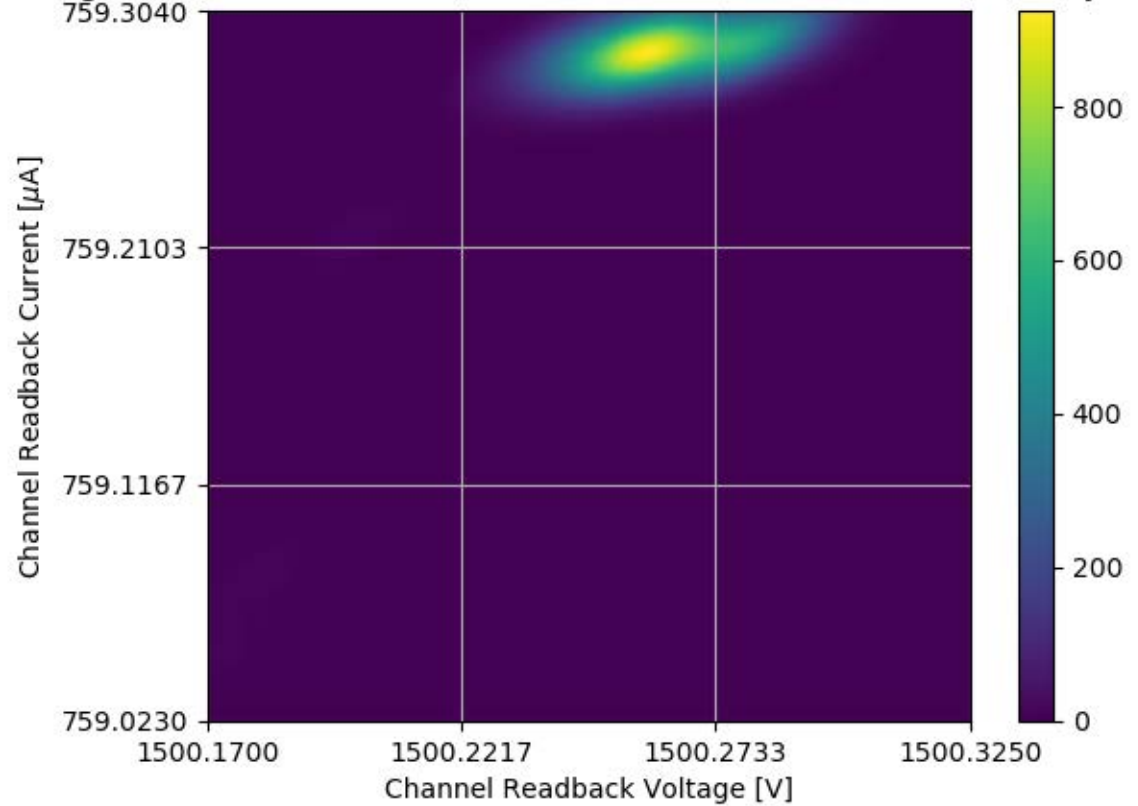

Voltage and Current Readback for Module #339 Channel 08 Stability Test

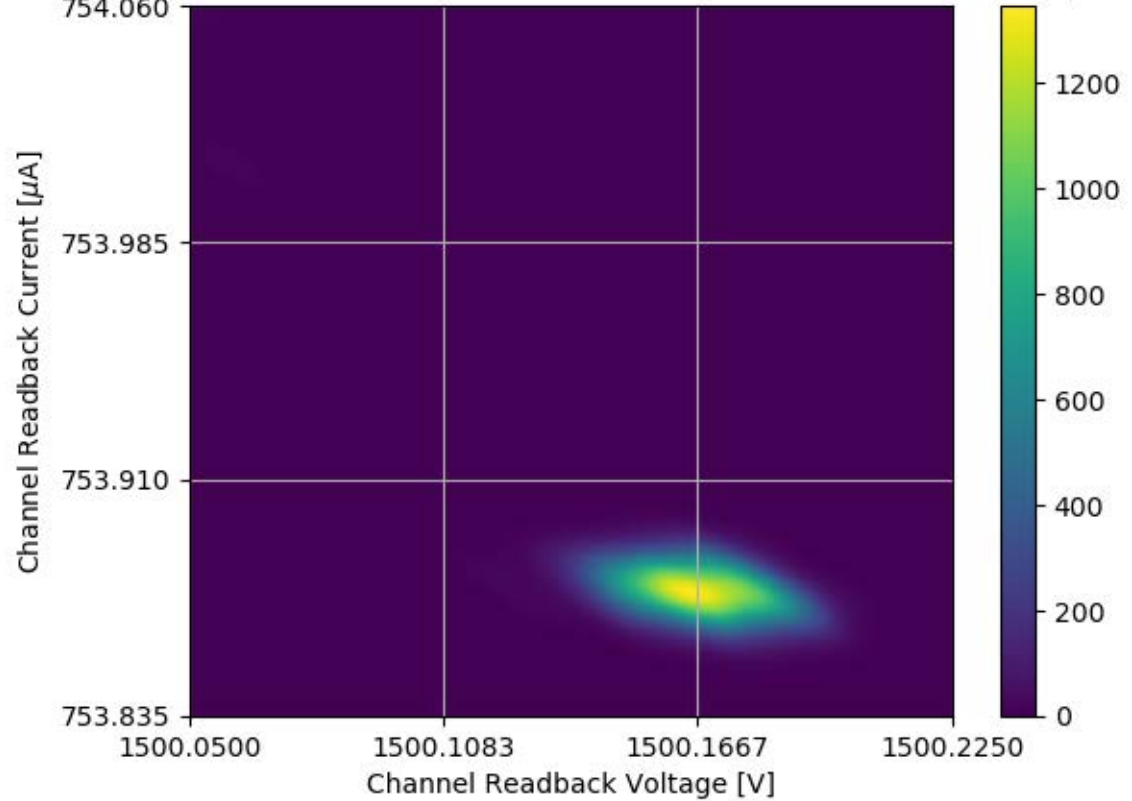

Voltage and Current Readback for Module #339 Channel 09 Stability Test

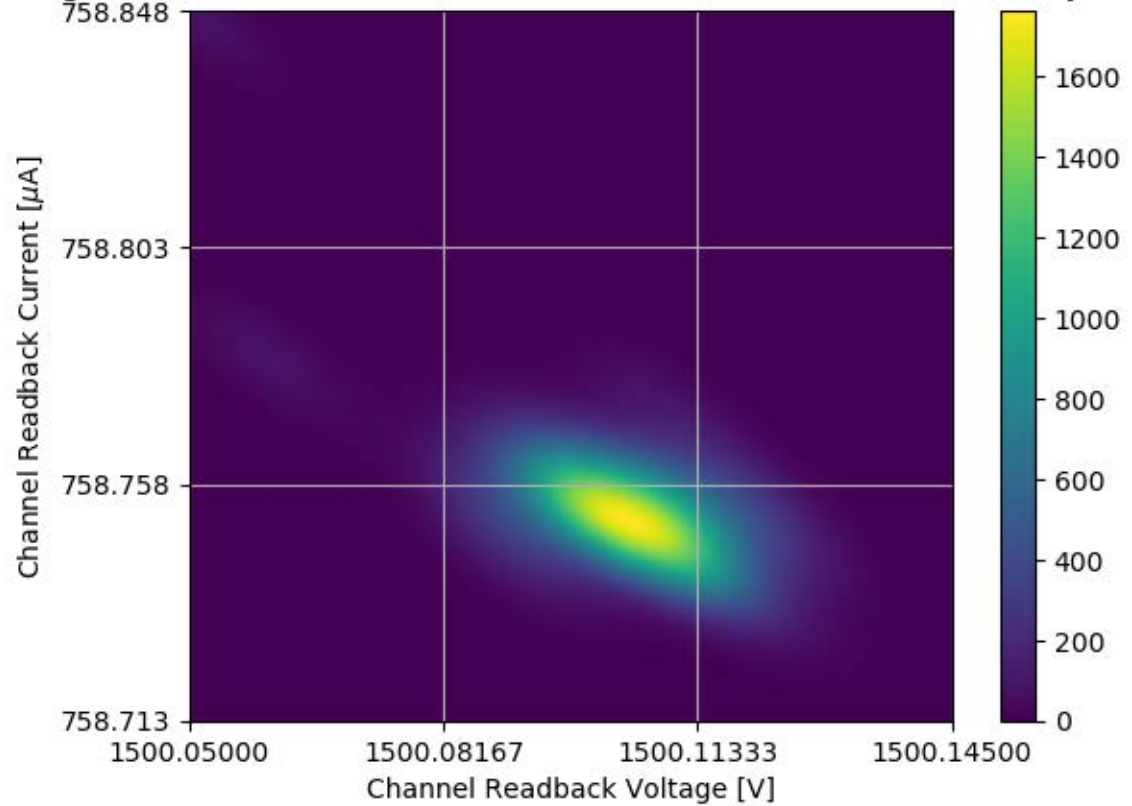

Voltage and Current Readback for Module #339 Channel 10 Stability Test

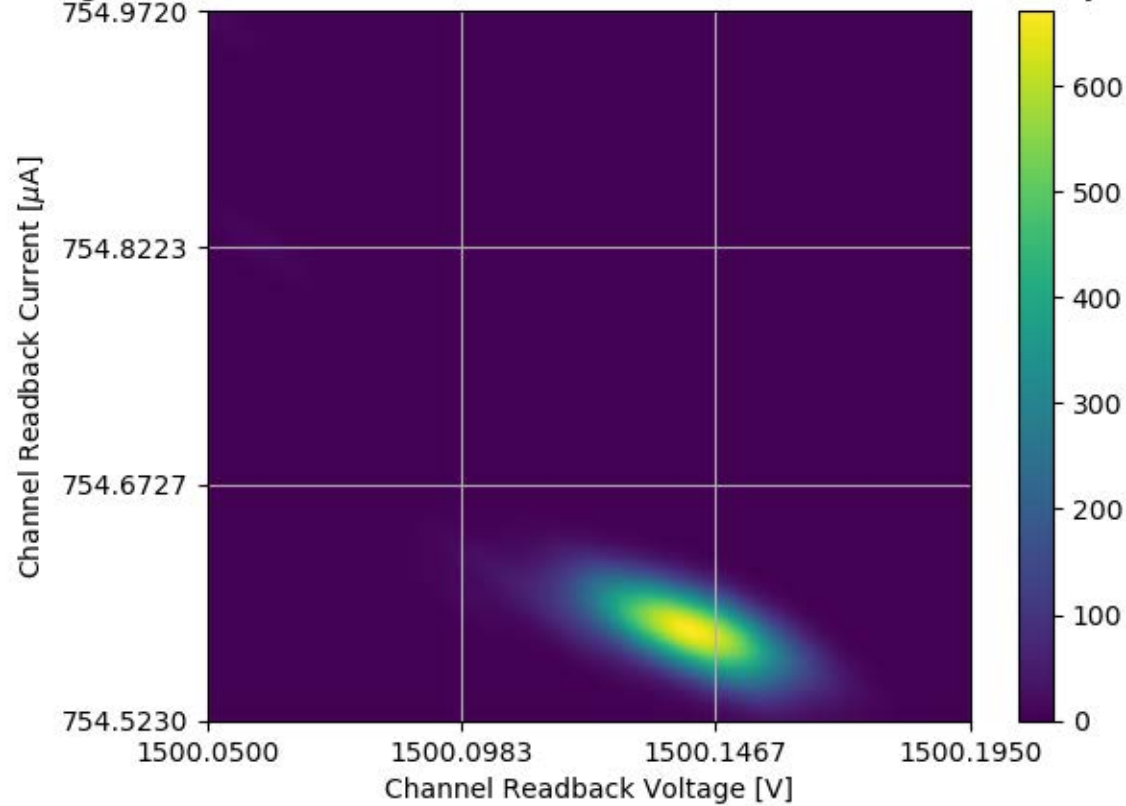

Voltage and Current Readback for Module #339 Channel 11 Stability Test

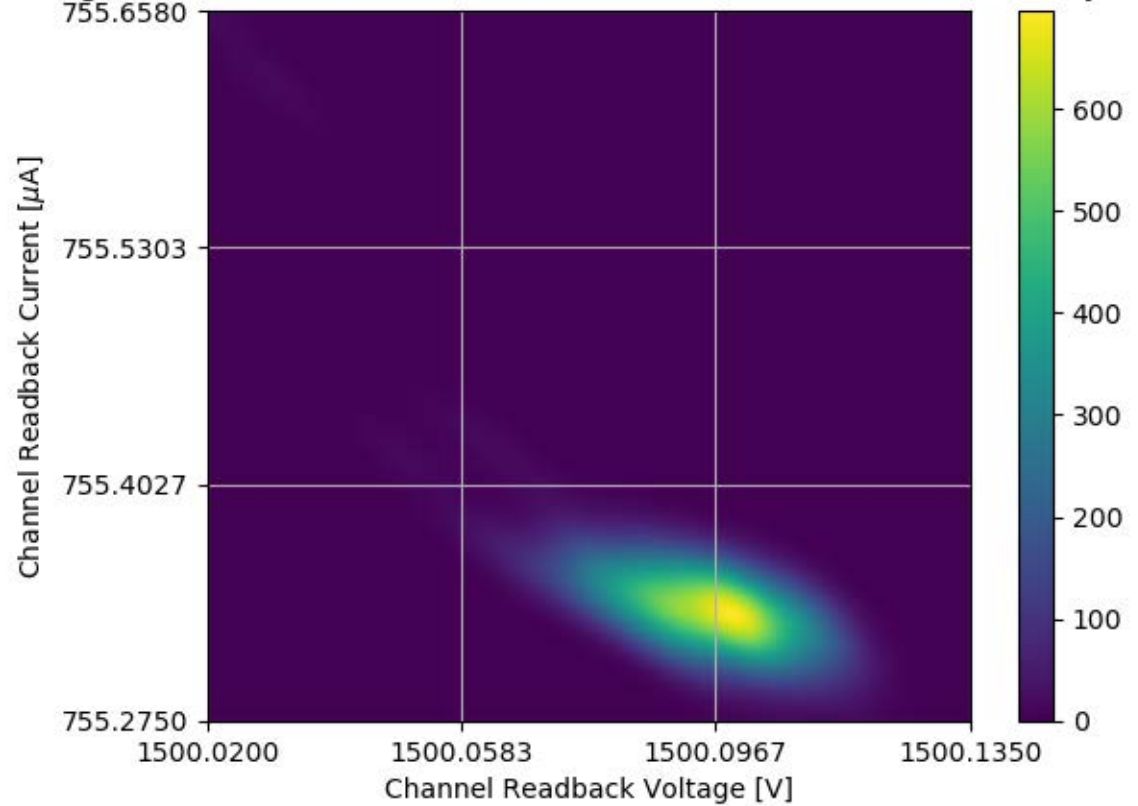

# Voltage and Current Readback for Module #339 Channel 12 Stability Test

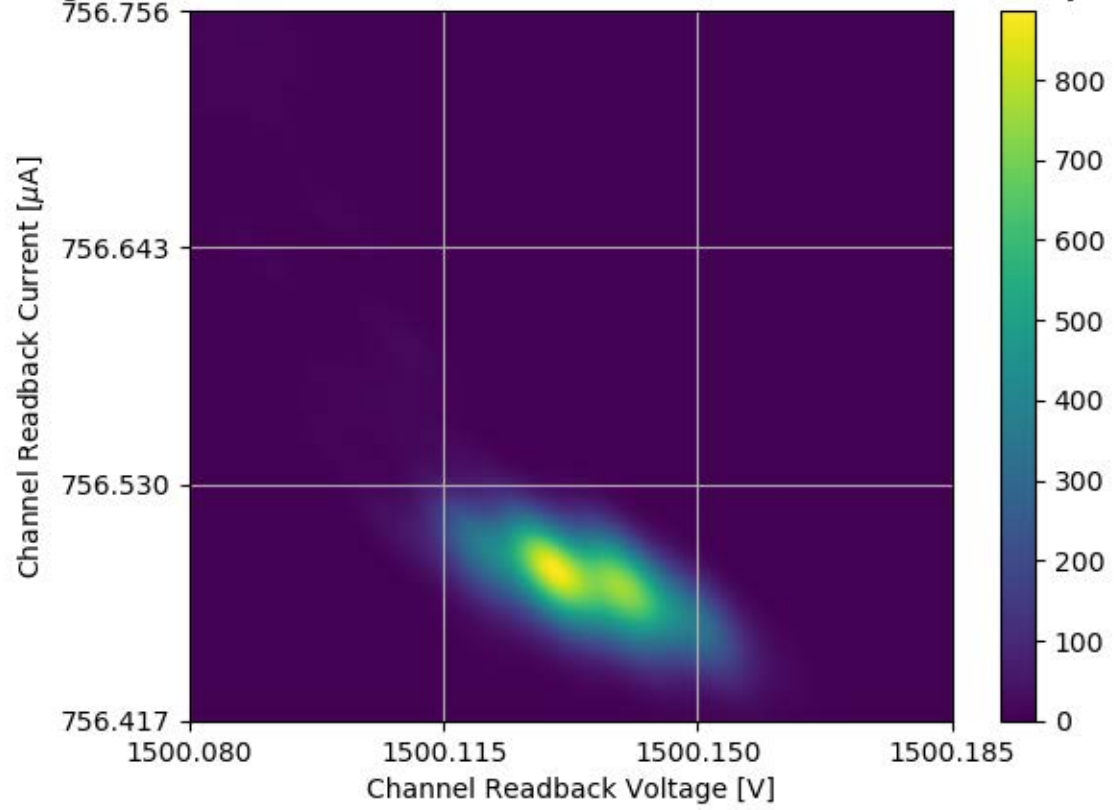

Voltage and Current Readback for Module #339 Channel 13 Stability Test

Voltage and Current Readback for Module #339 Channel 14 Stability Test

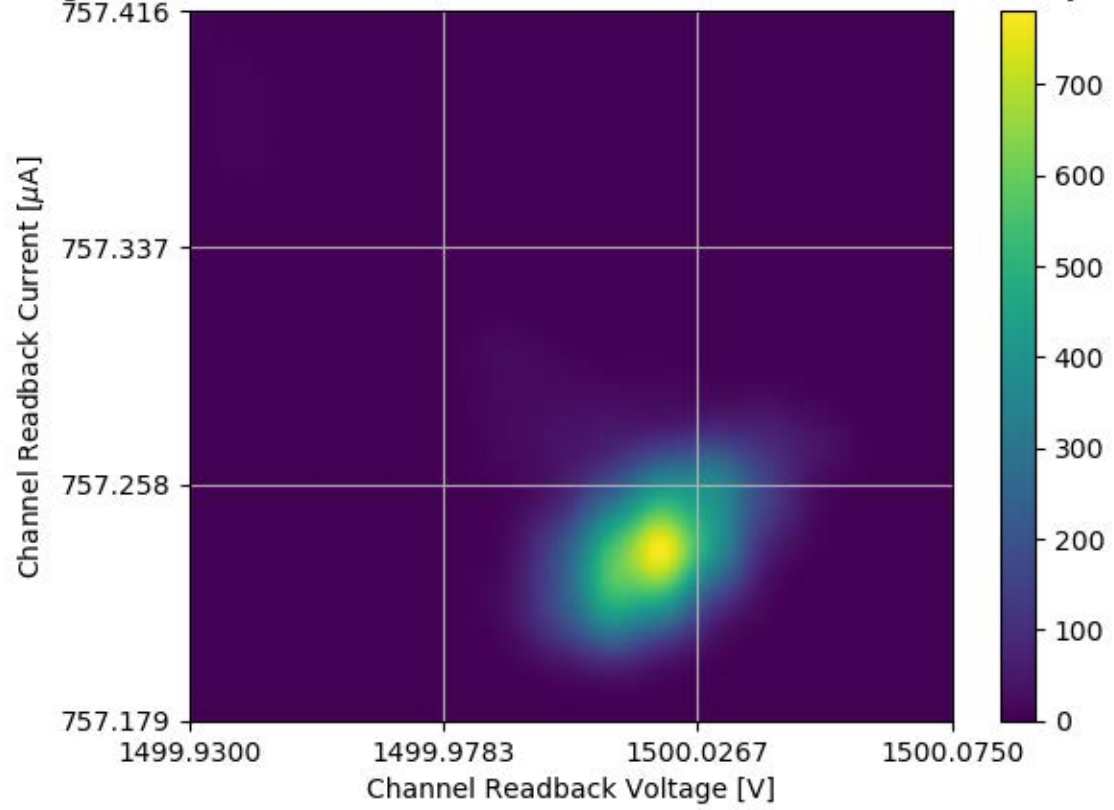

Voltage and Current Readback for Module #339 Channel 15 Stability Test

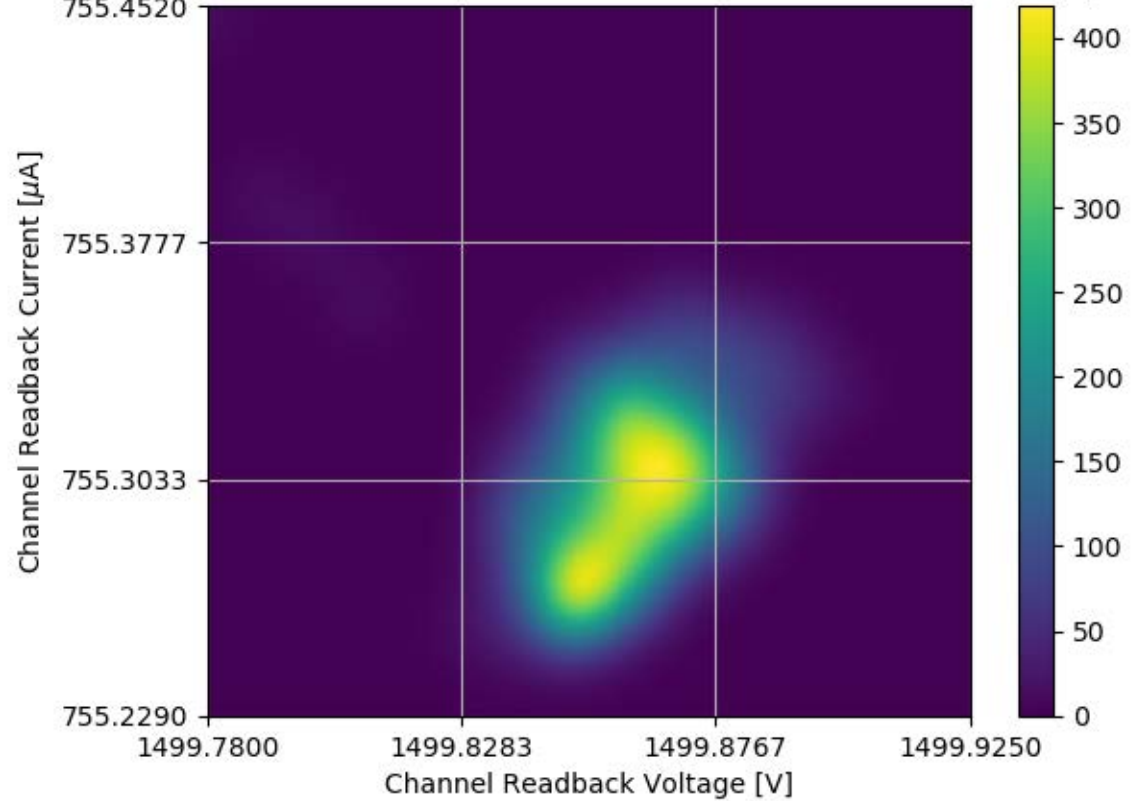

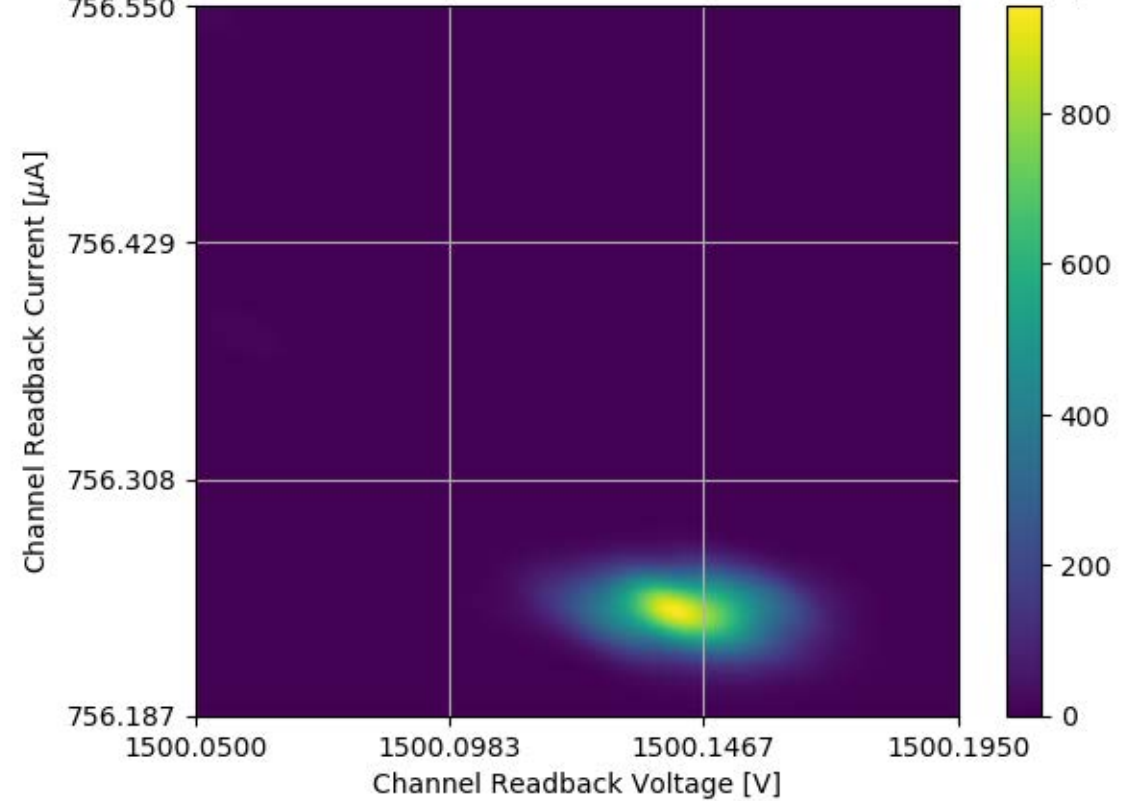

# Voltage and Current Readback for Module #339 Channel 16 Stability Test

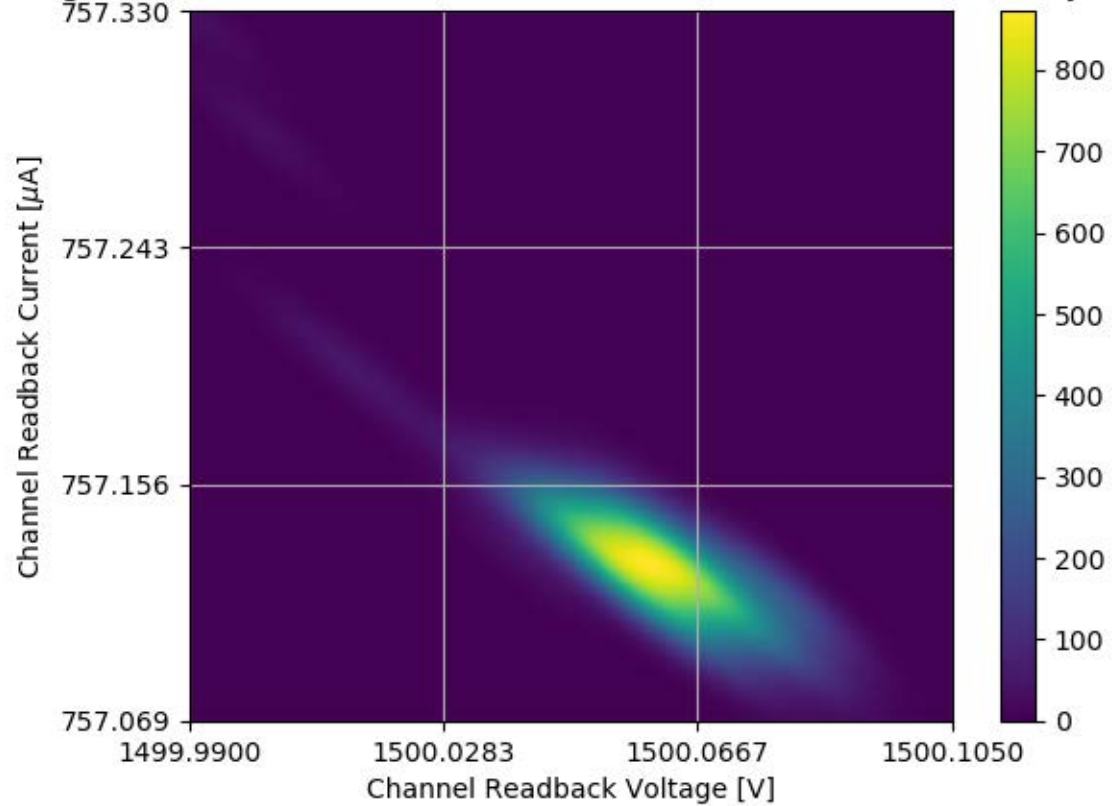

Voltage and Current Readback for Module #339 Channel 17 Stability Test

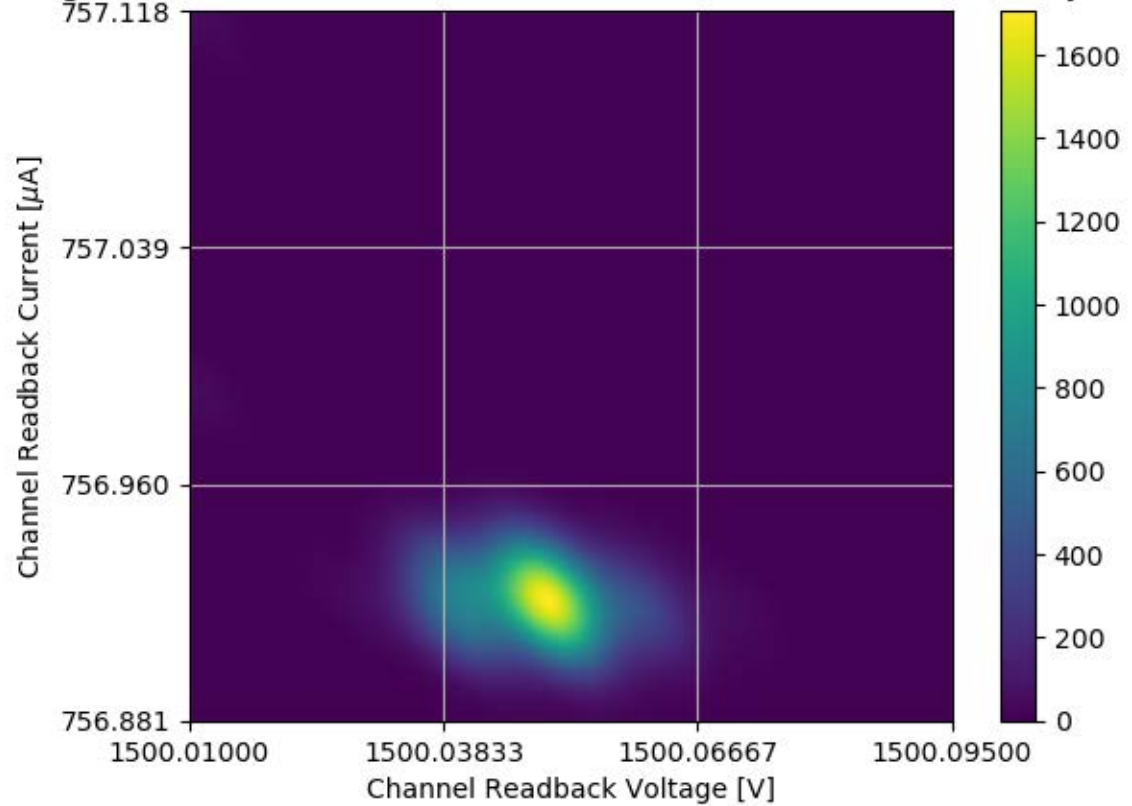

# Voltage and Current Readback for Module #339 Channel 18 Stability Test

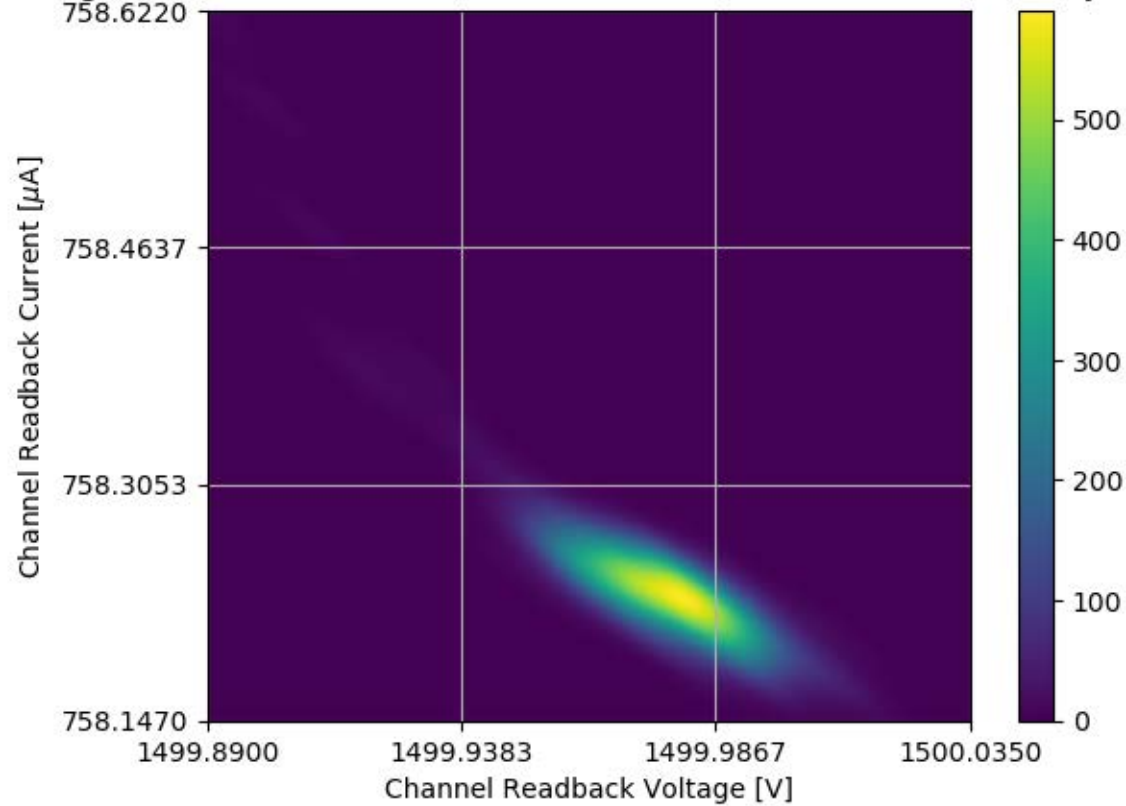

Voltage and Current Readback for Module #339 Channel 19 Stability Test

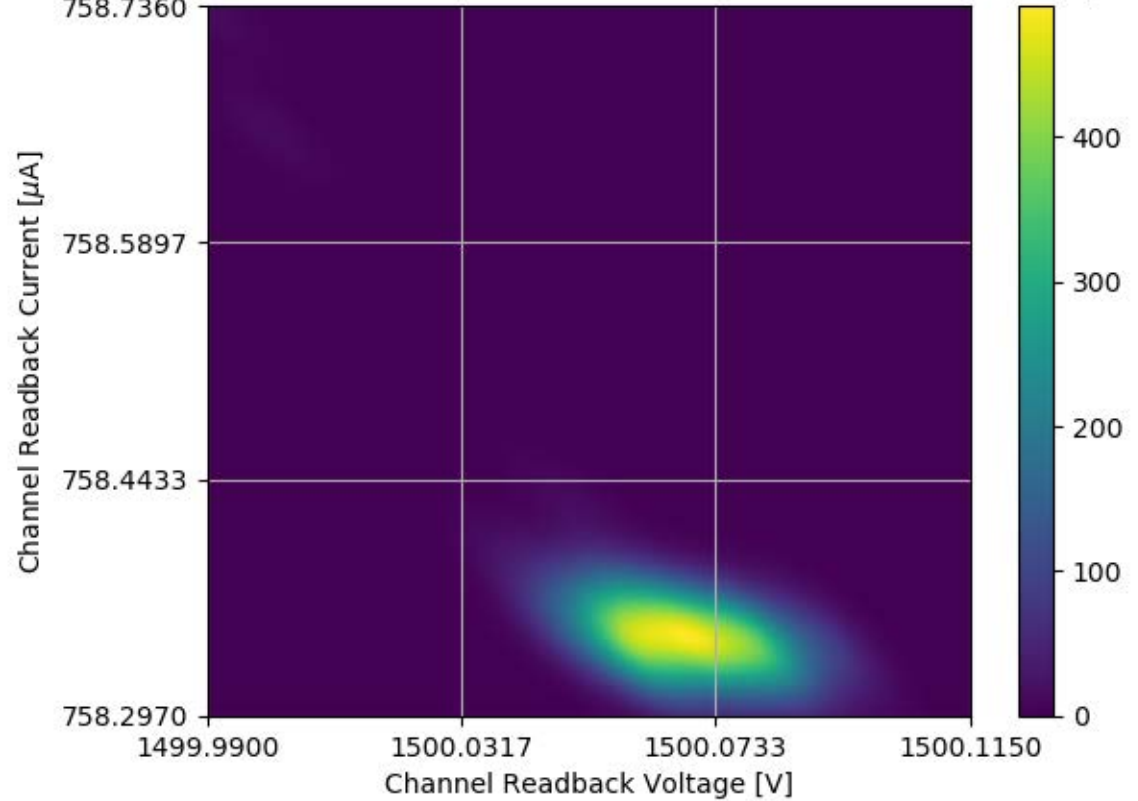

# Voltage and Current Readback for Module #339 Channel 20 Stability Test

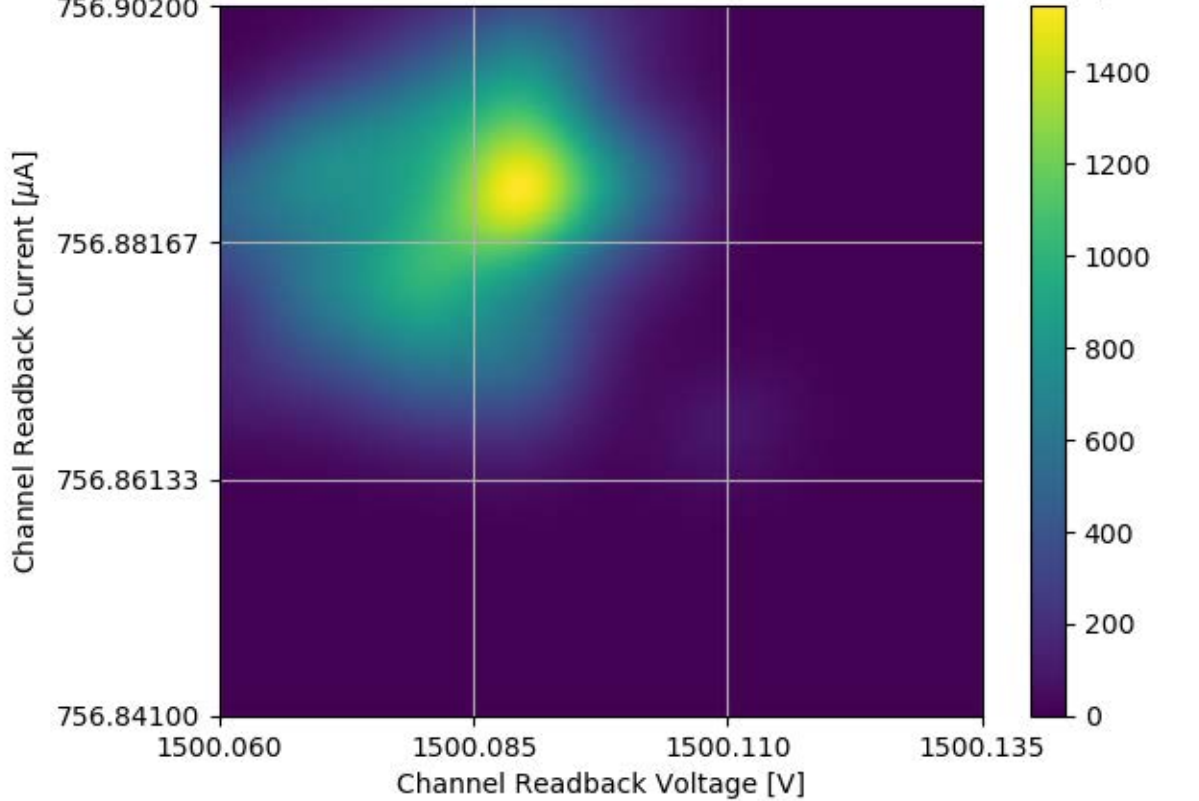

Voltage and Current Readback for Module #339 Channel 21 Stability Test

Voltage and Current Readback for Module #339 Channel 22 Stability Test

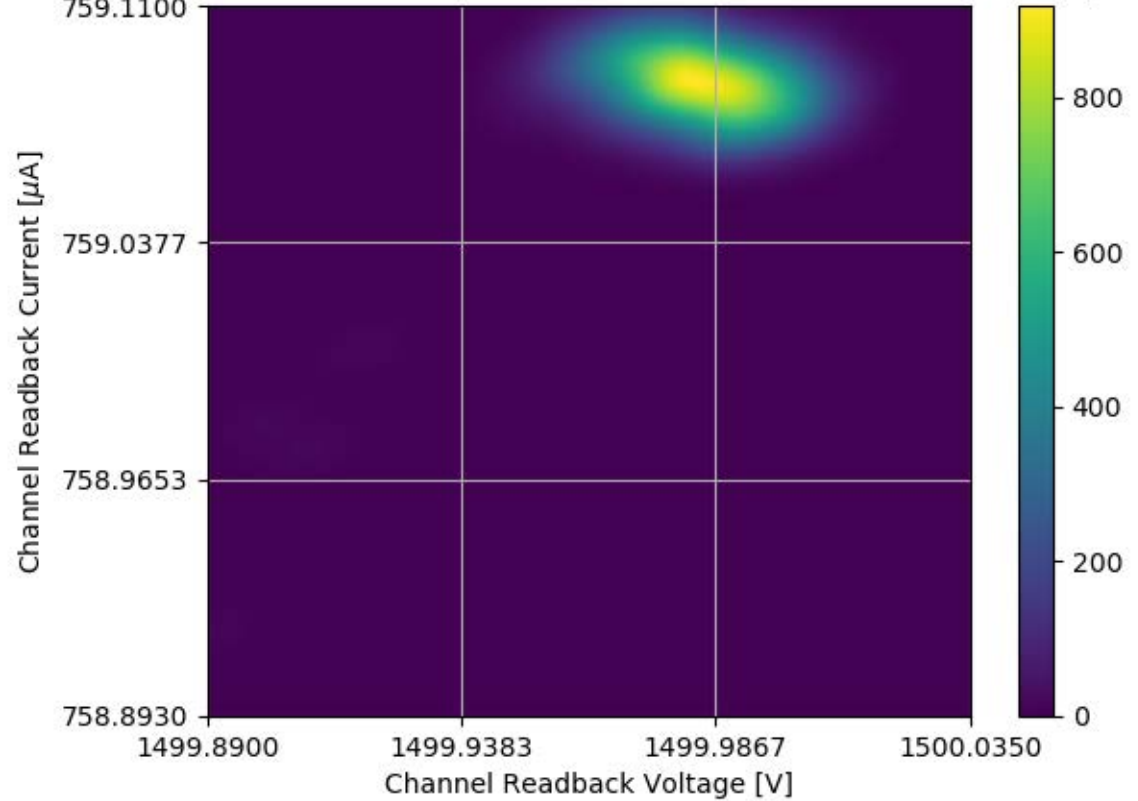

Voltage and Current Readback for Module #339 Channel 23 Stability Test

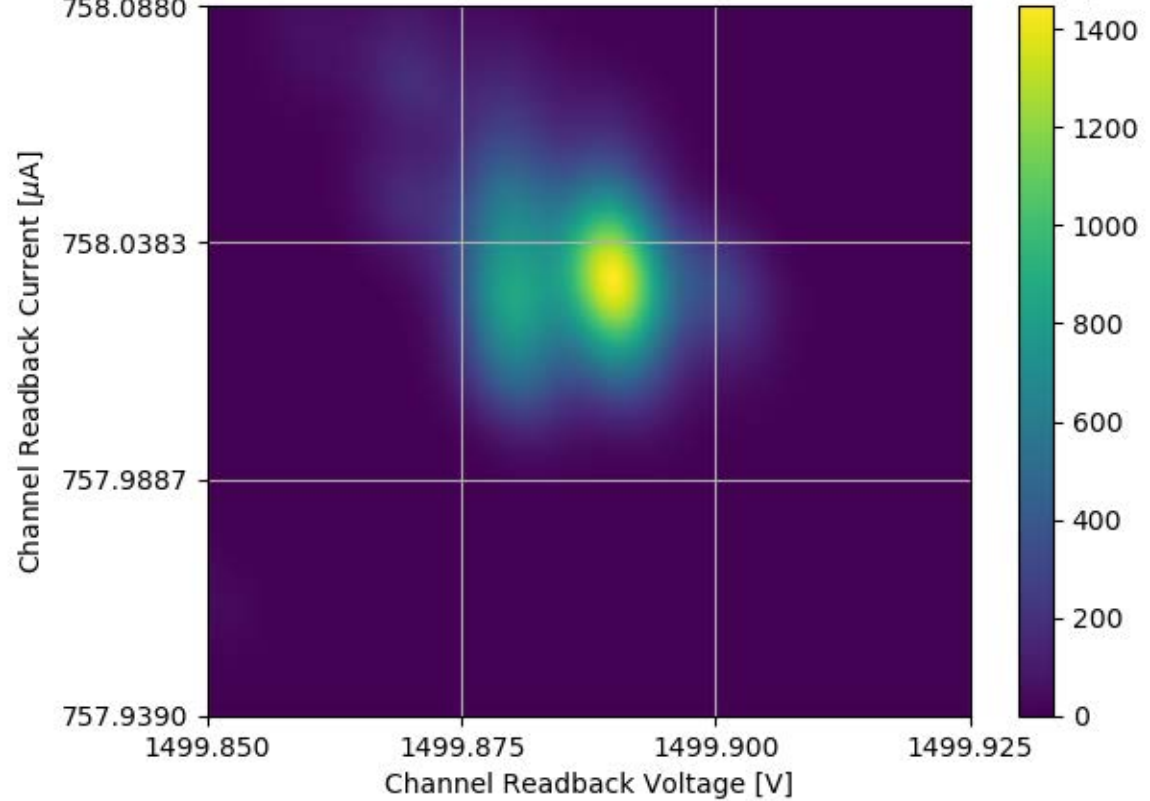

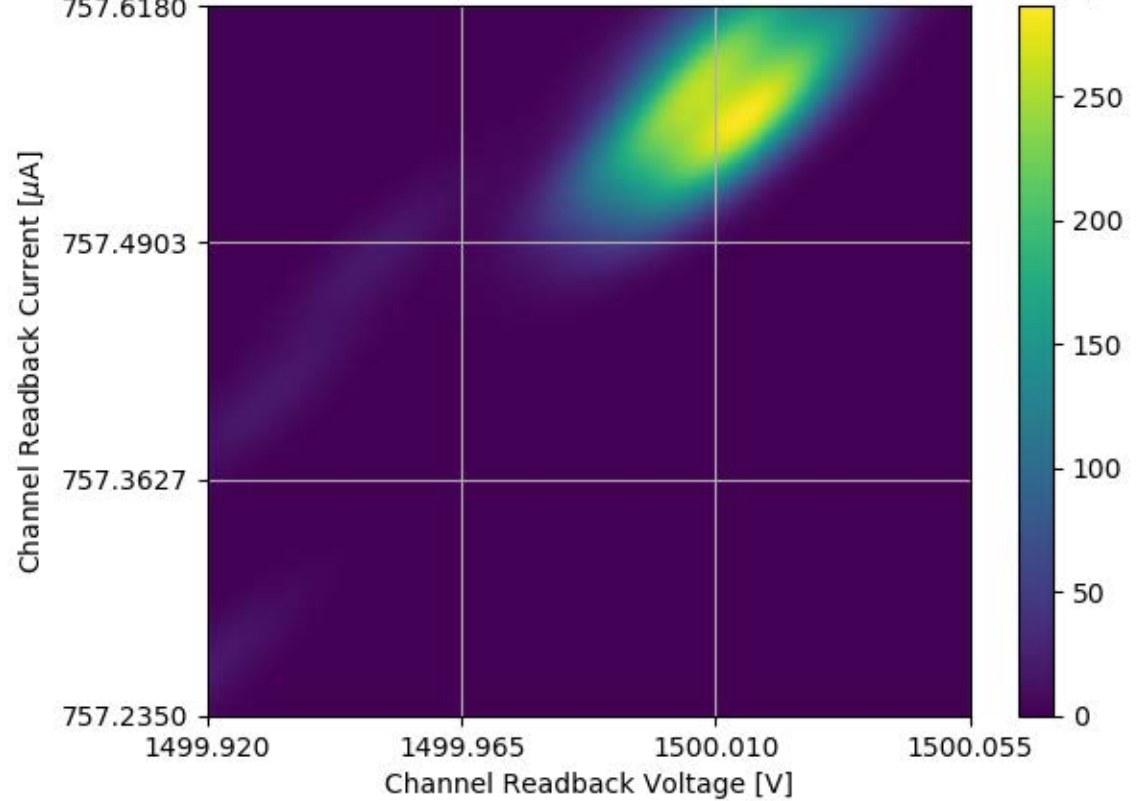

Voltage and Current Readback for Module #339 Channel 24 Stability Test

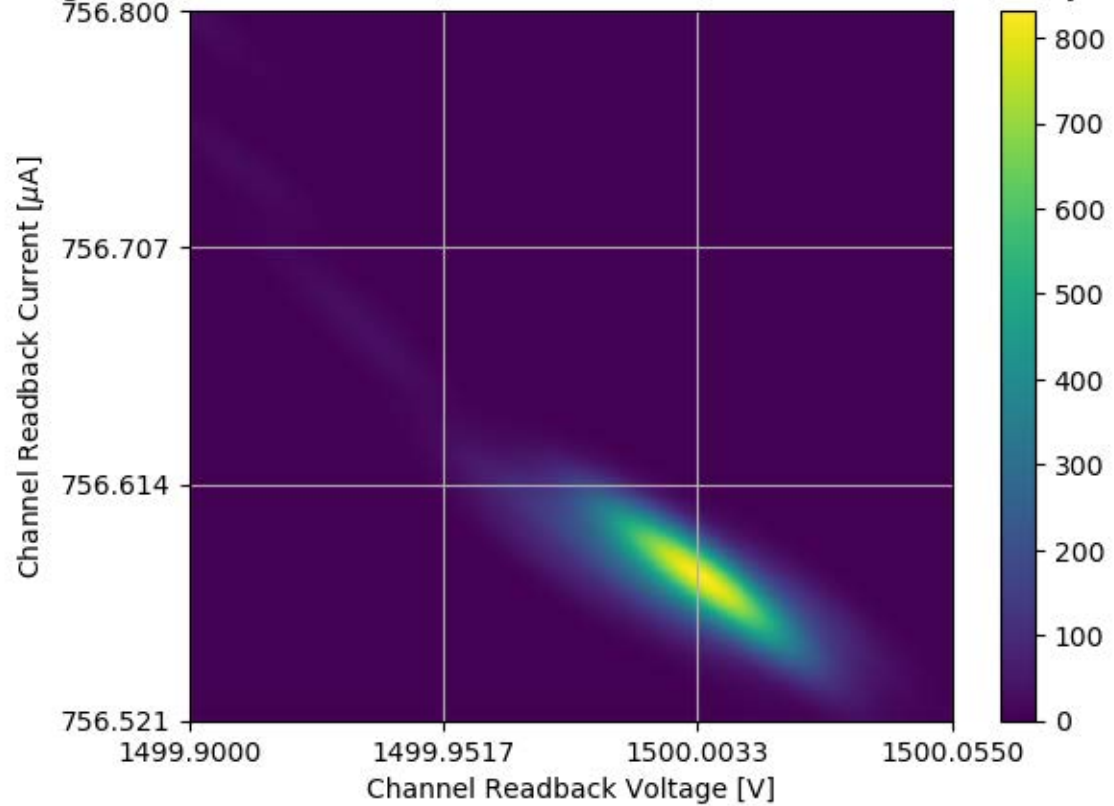

Voltage and Current Readback for Module #339 Channel 25 Stability Test

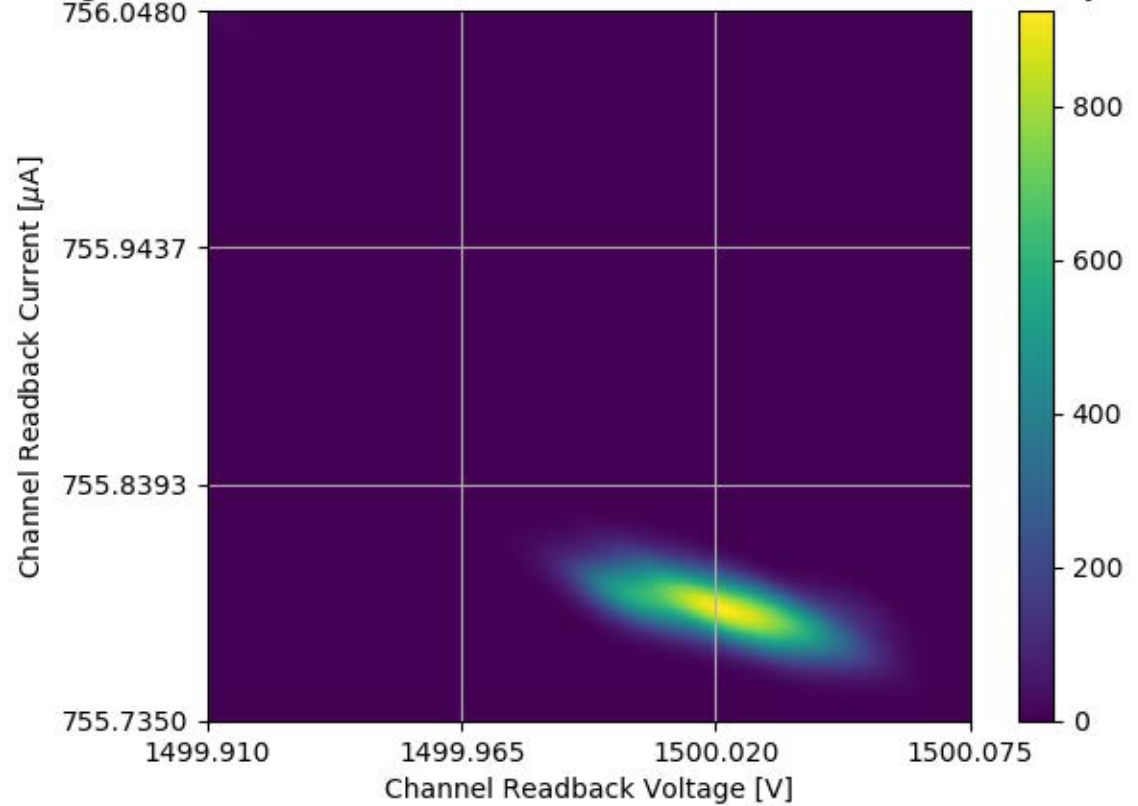

Voltage and Current Readback for Module #339 Channel 26 Stability Test

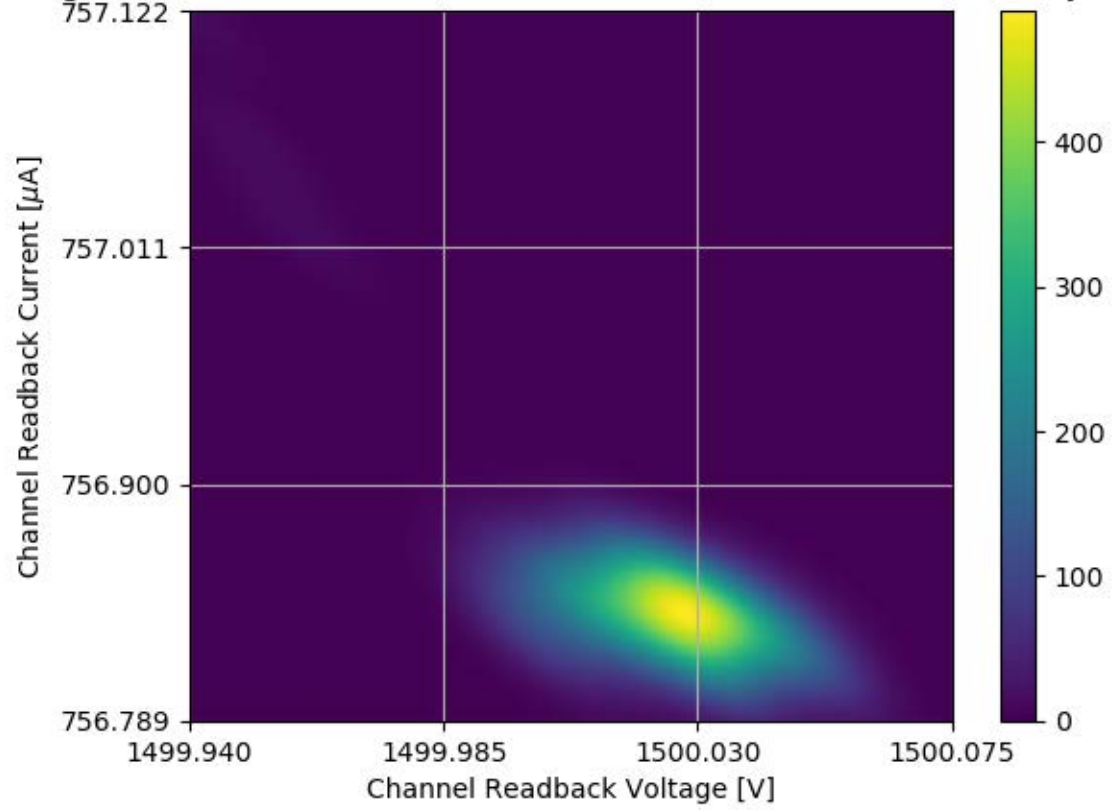

Voltage and Current Readback for Module #339 Channel 27 Stability Test

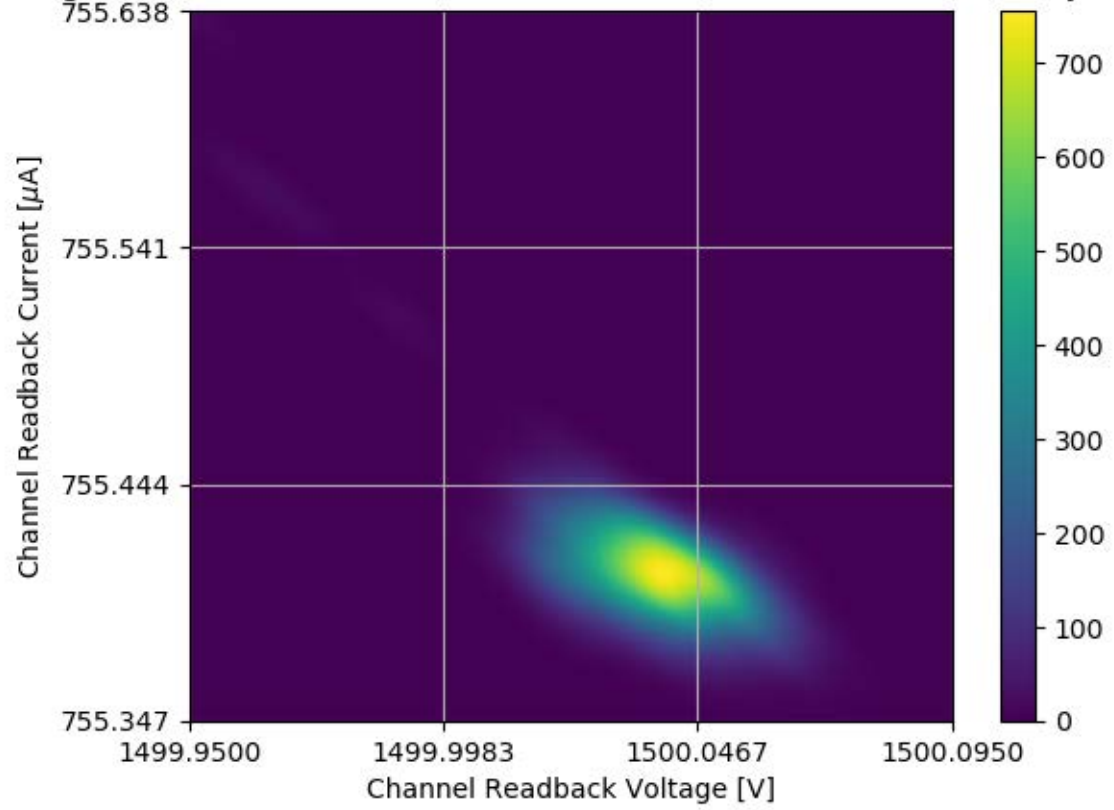

Voltage and Current Readback for Module #339 Channel 28 Stability Test

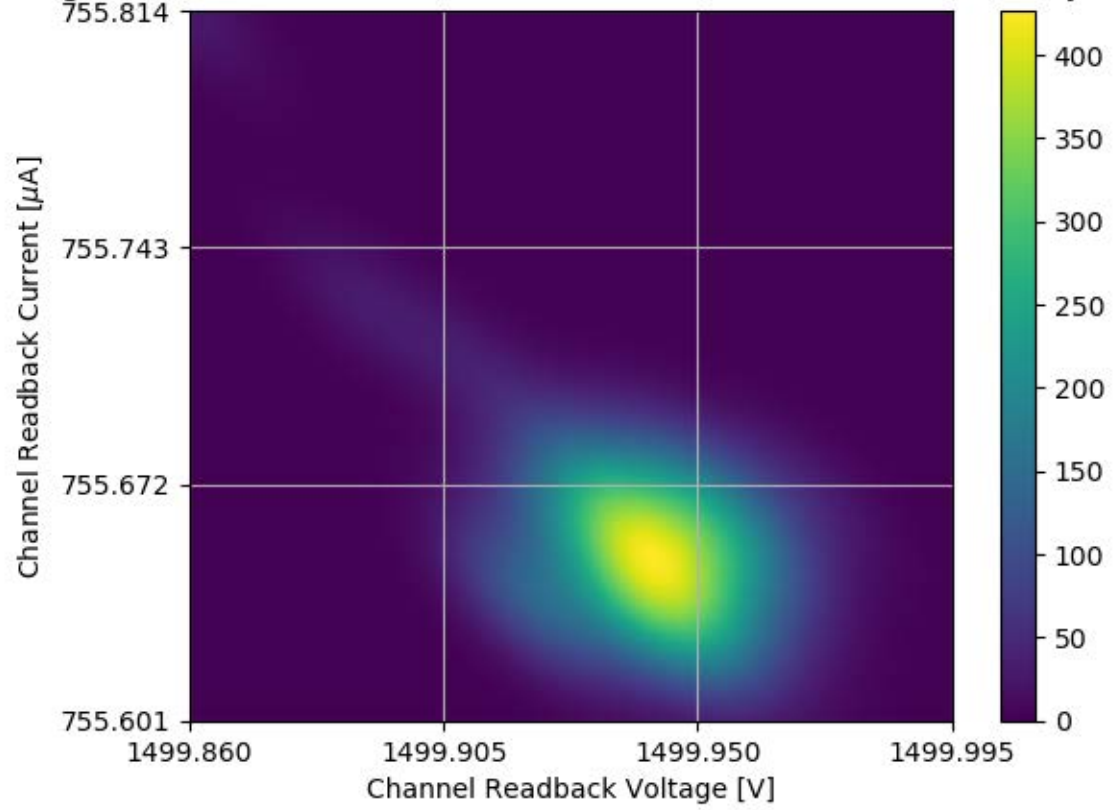

Voltage and Current Readback for Module #339 Channel 29 Stability Test

Voltage and Current Readback for Module #339 Channel 30 Stability Test

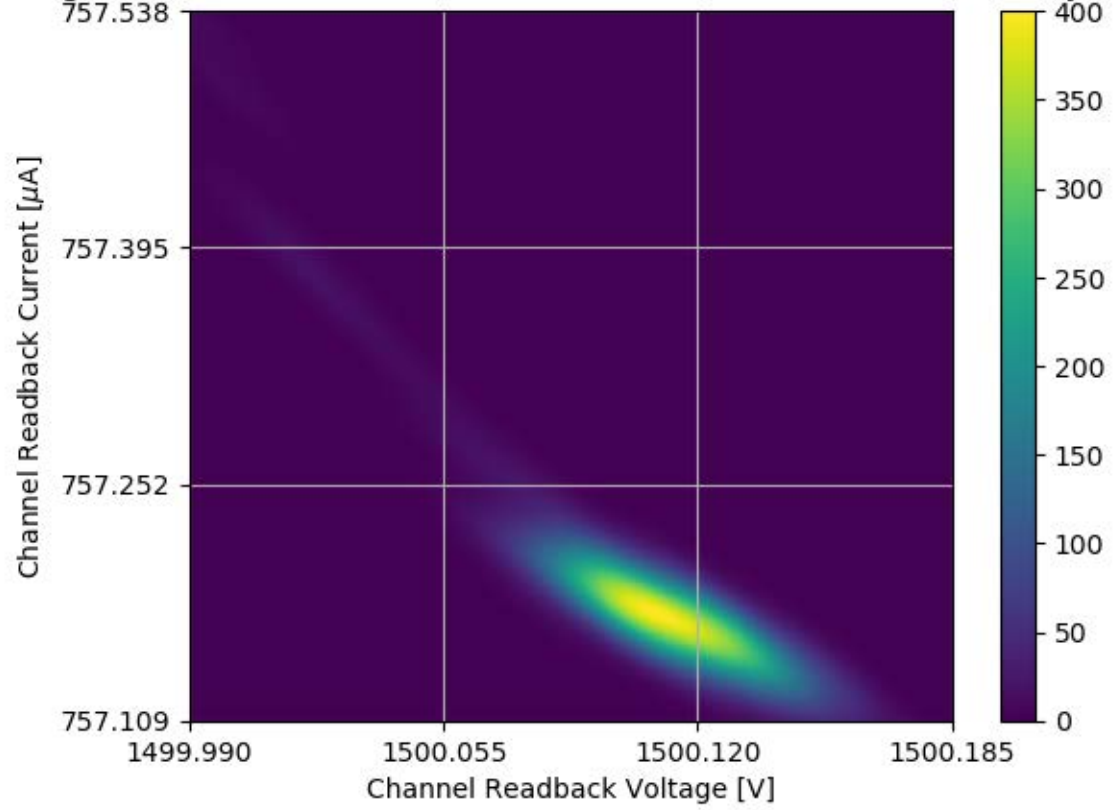

Voltage and Current Readback for Module #339 Channel 31 Stability Test

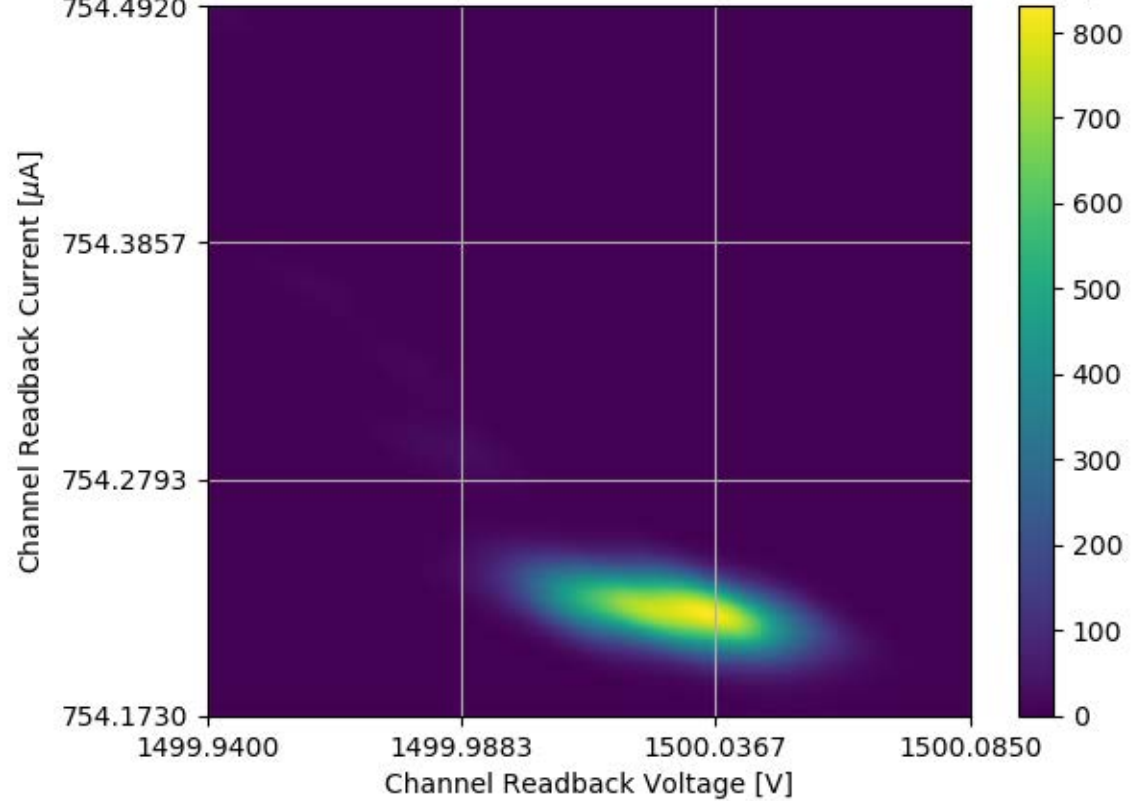

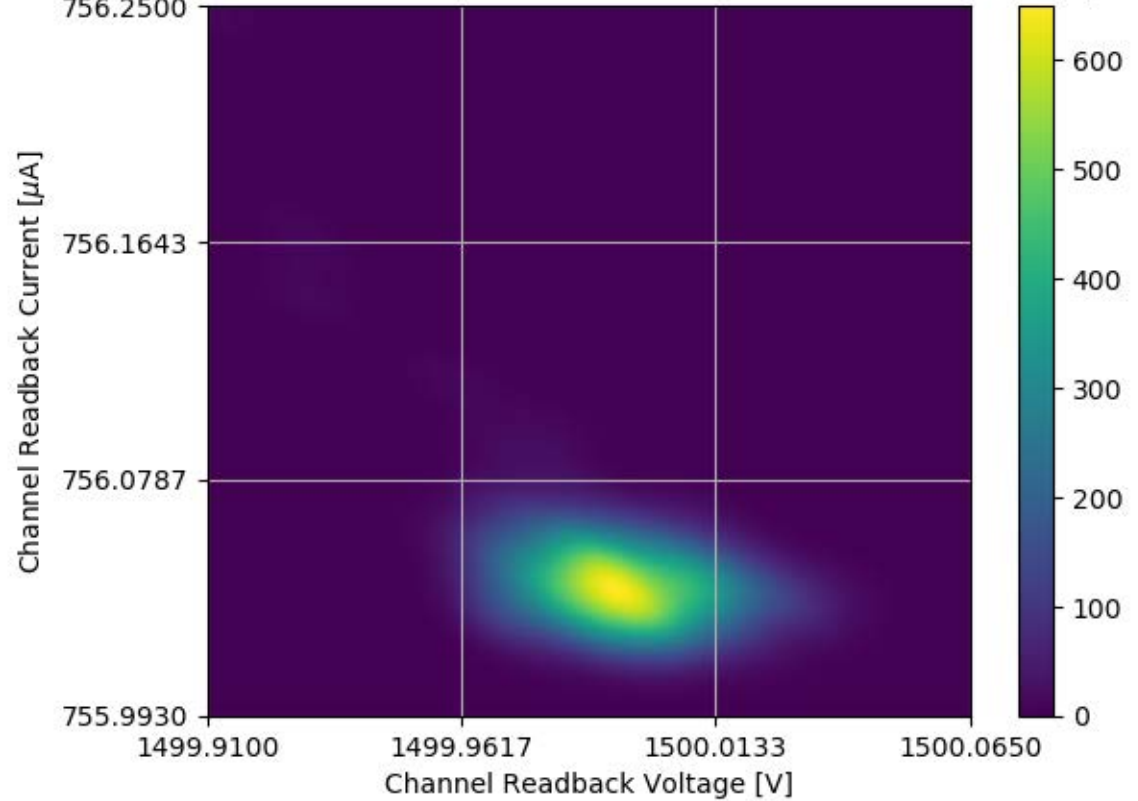

Voltage and Current Readback for Module #339 Channel 32 Stability Test

# Voltage and Current Readback for Module #339 Channel 33 Stability Test

Voltage and Current Readback for Module #339 Channel 34 Stability Test

Voltage and Current Readback for Module #339 Channel 35 Stability Test
