

Voltage and Current Readback for Module #349 Channel 00 Stability Test

Voltage and Current Readback for Module #349 Channel 01 Stability Test

Voltage and Current Readback for Module #349 Channel 02 Stability Test

Voltage and Current Readback for Module #349 Channel 03 Stability Test

Voltage and Current Readback for Module #349 Channel 04 Stability Test

Voltage and Current Readback for Module #349 Channel 05 Stability Test

Voltage and Current Readback for Module #349 Channel 06 Stability Test

Voltage and Current Readback for Module #349 Channel 07 Stability Test

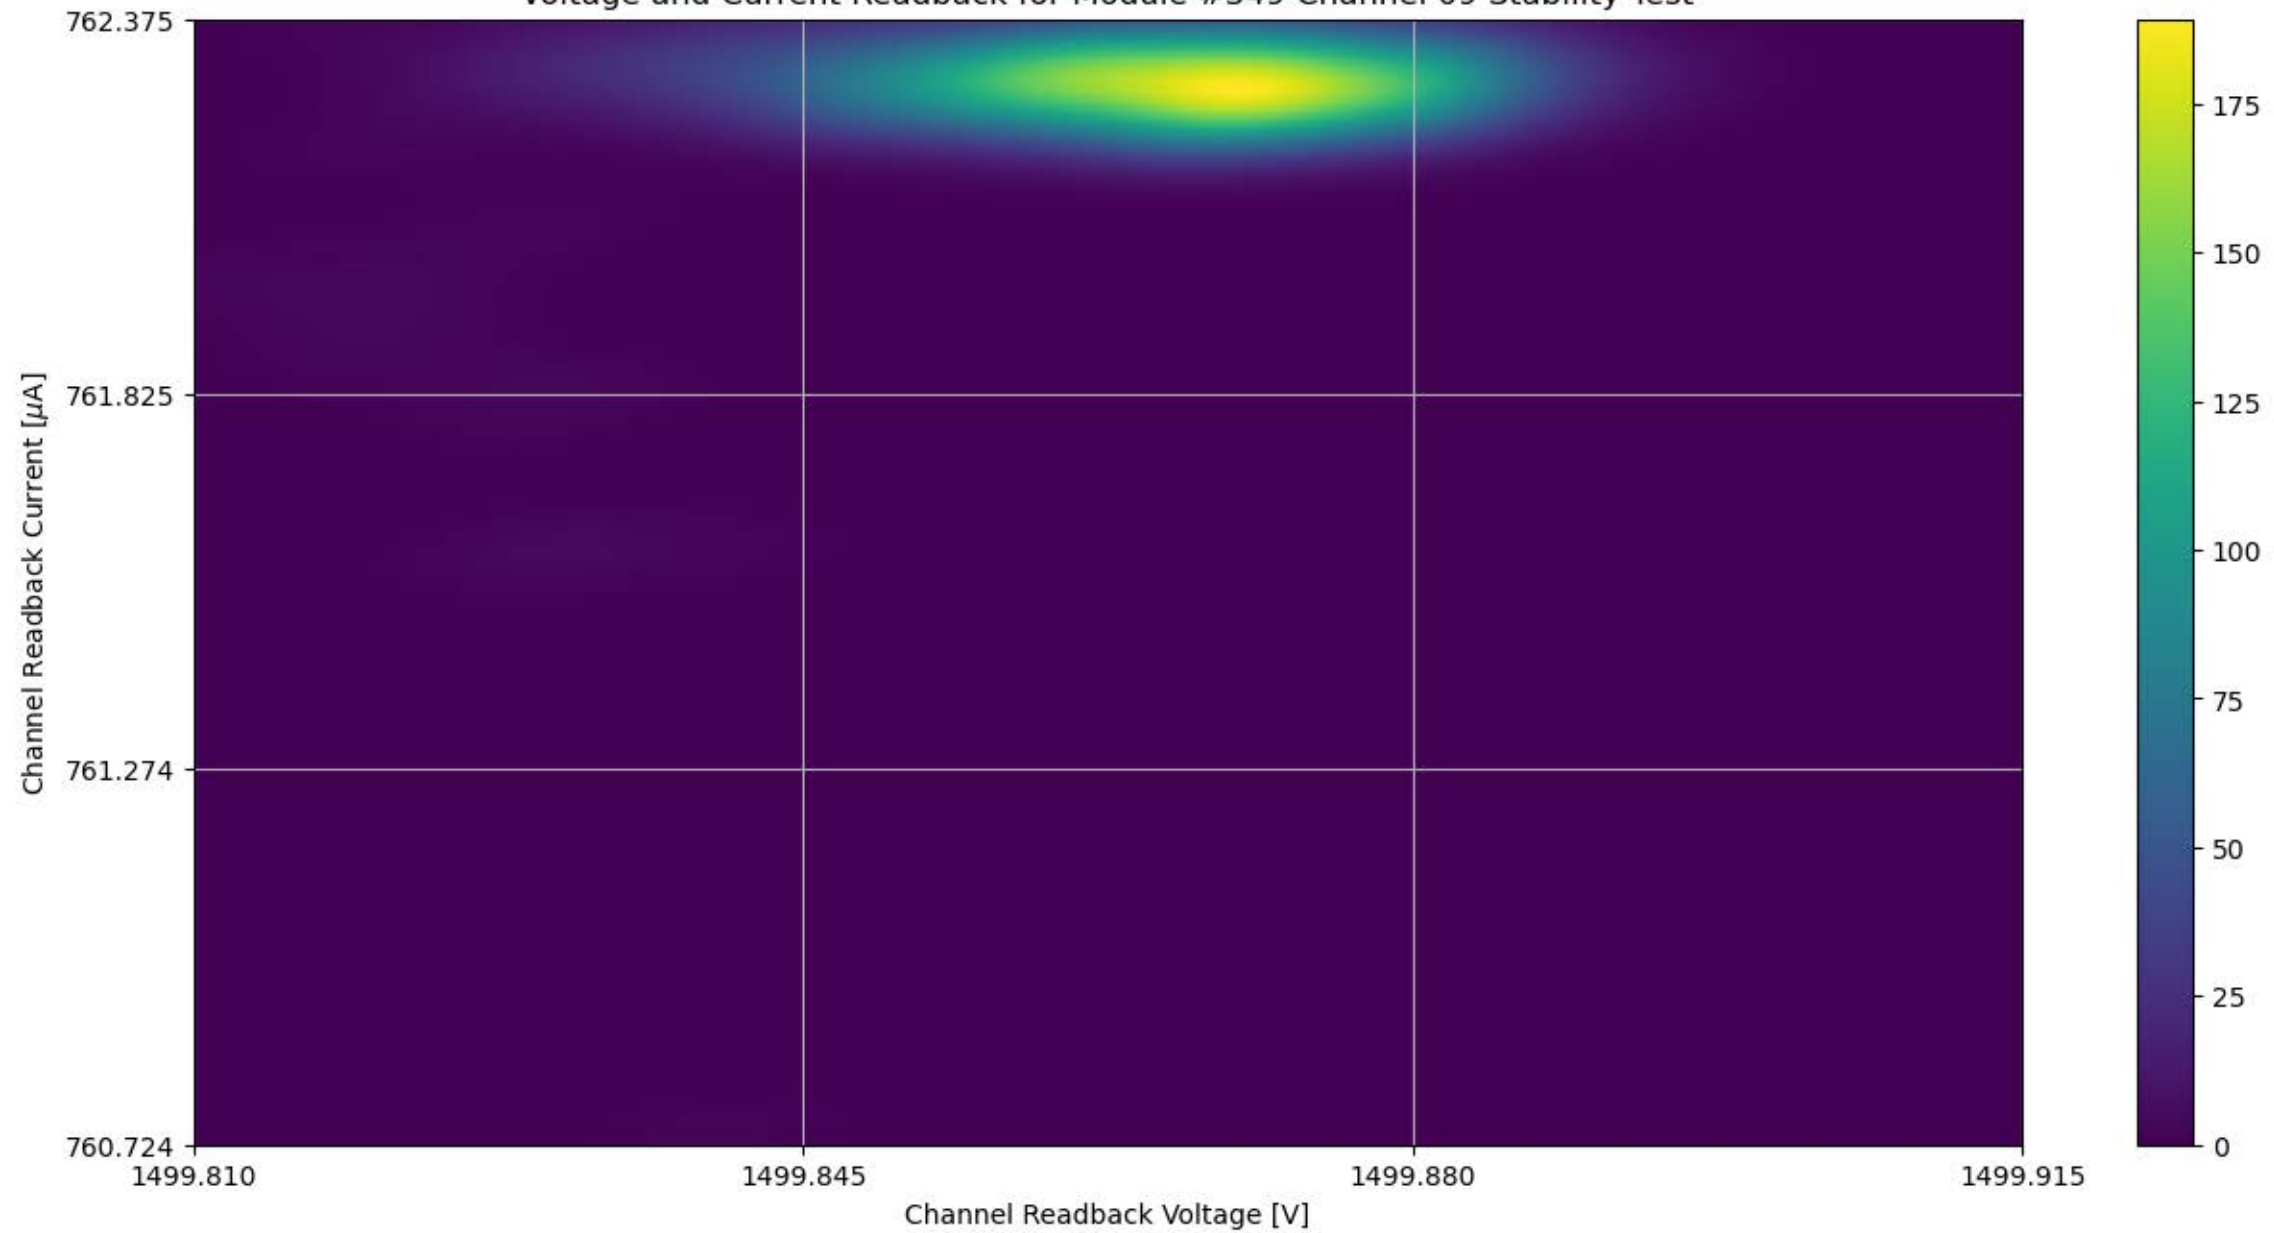

Voltage and Current Readback for Module #349 Channel 08 Stability Test

Voltage and Current Readback for Module #349 Channel 09 Stability Test

Voltage and Current Readback for Module #349 Channel 10 Stability Test

Voltage and Current Readback for Module #349 Channel 11 Stability Test

Voltage and Current Readback for Module #349 Channel 12 Stability Test

Voltage and Current Readback for Module #349 Channel 14 Stability Test

Voltage and Current Readback for Module #349 Channel 15 Stability Test

Voltage and Current Readback for Module #349 Channel 16 Stability Test

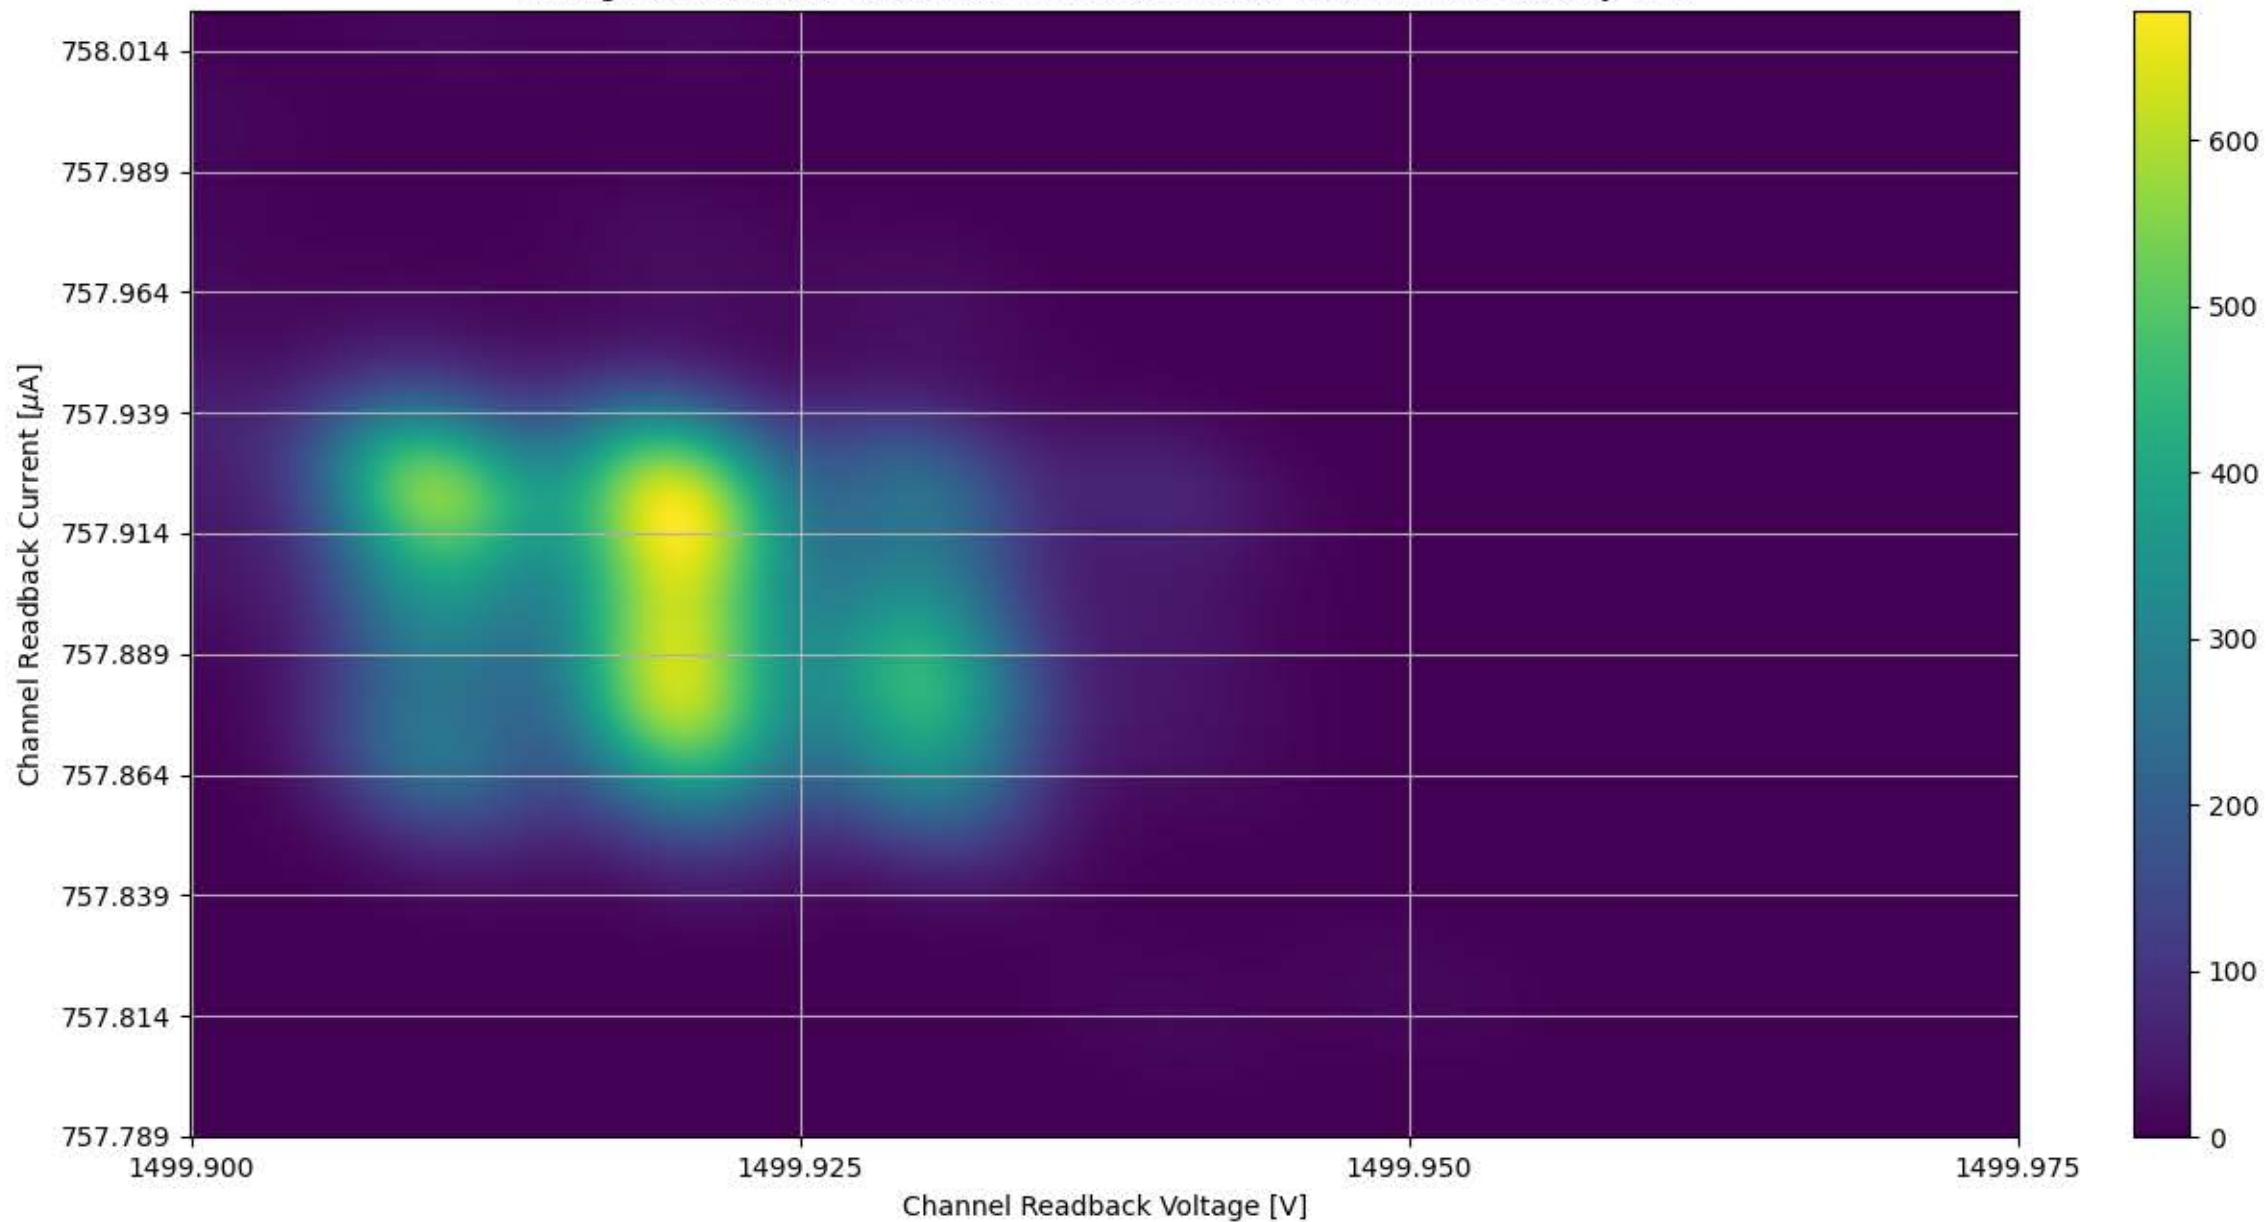

Voltage and Current Readback for Module #349 Channel 17 Stability Test

Voltage and Current Readback for Module #349 Channel 18 Stability Test

Voltage and Current Readback for Module #349 Channel 19 Stability Test

Voltage and Current Readback for Module #349 Channel 20 Stability Test

Voltage and Current Readback for Module #349 Channel 21 Stability Test

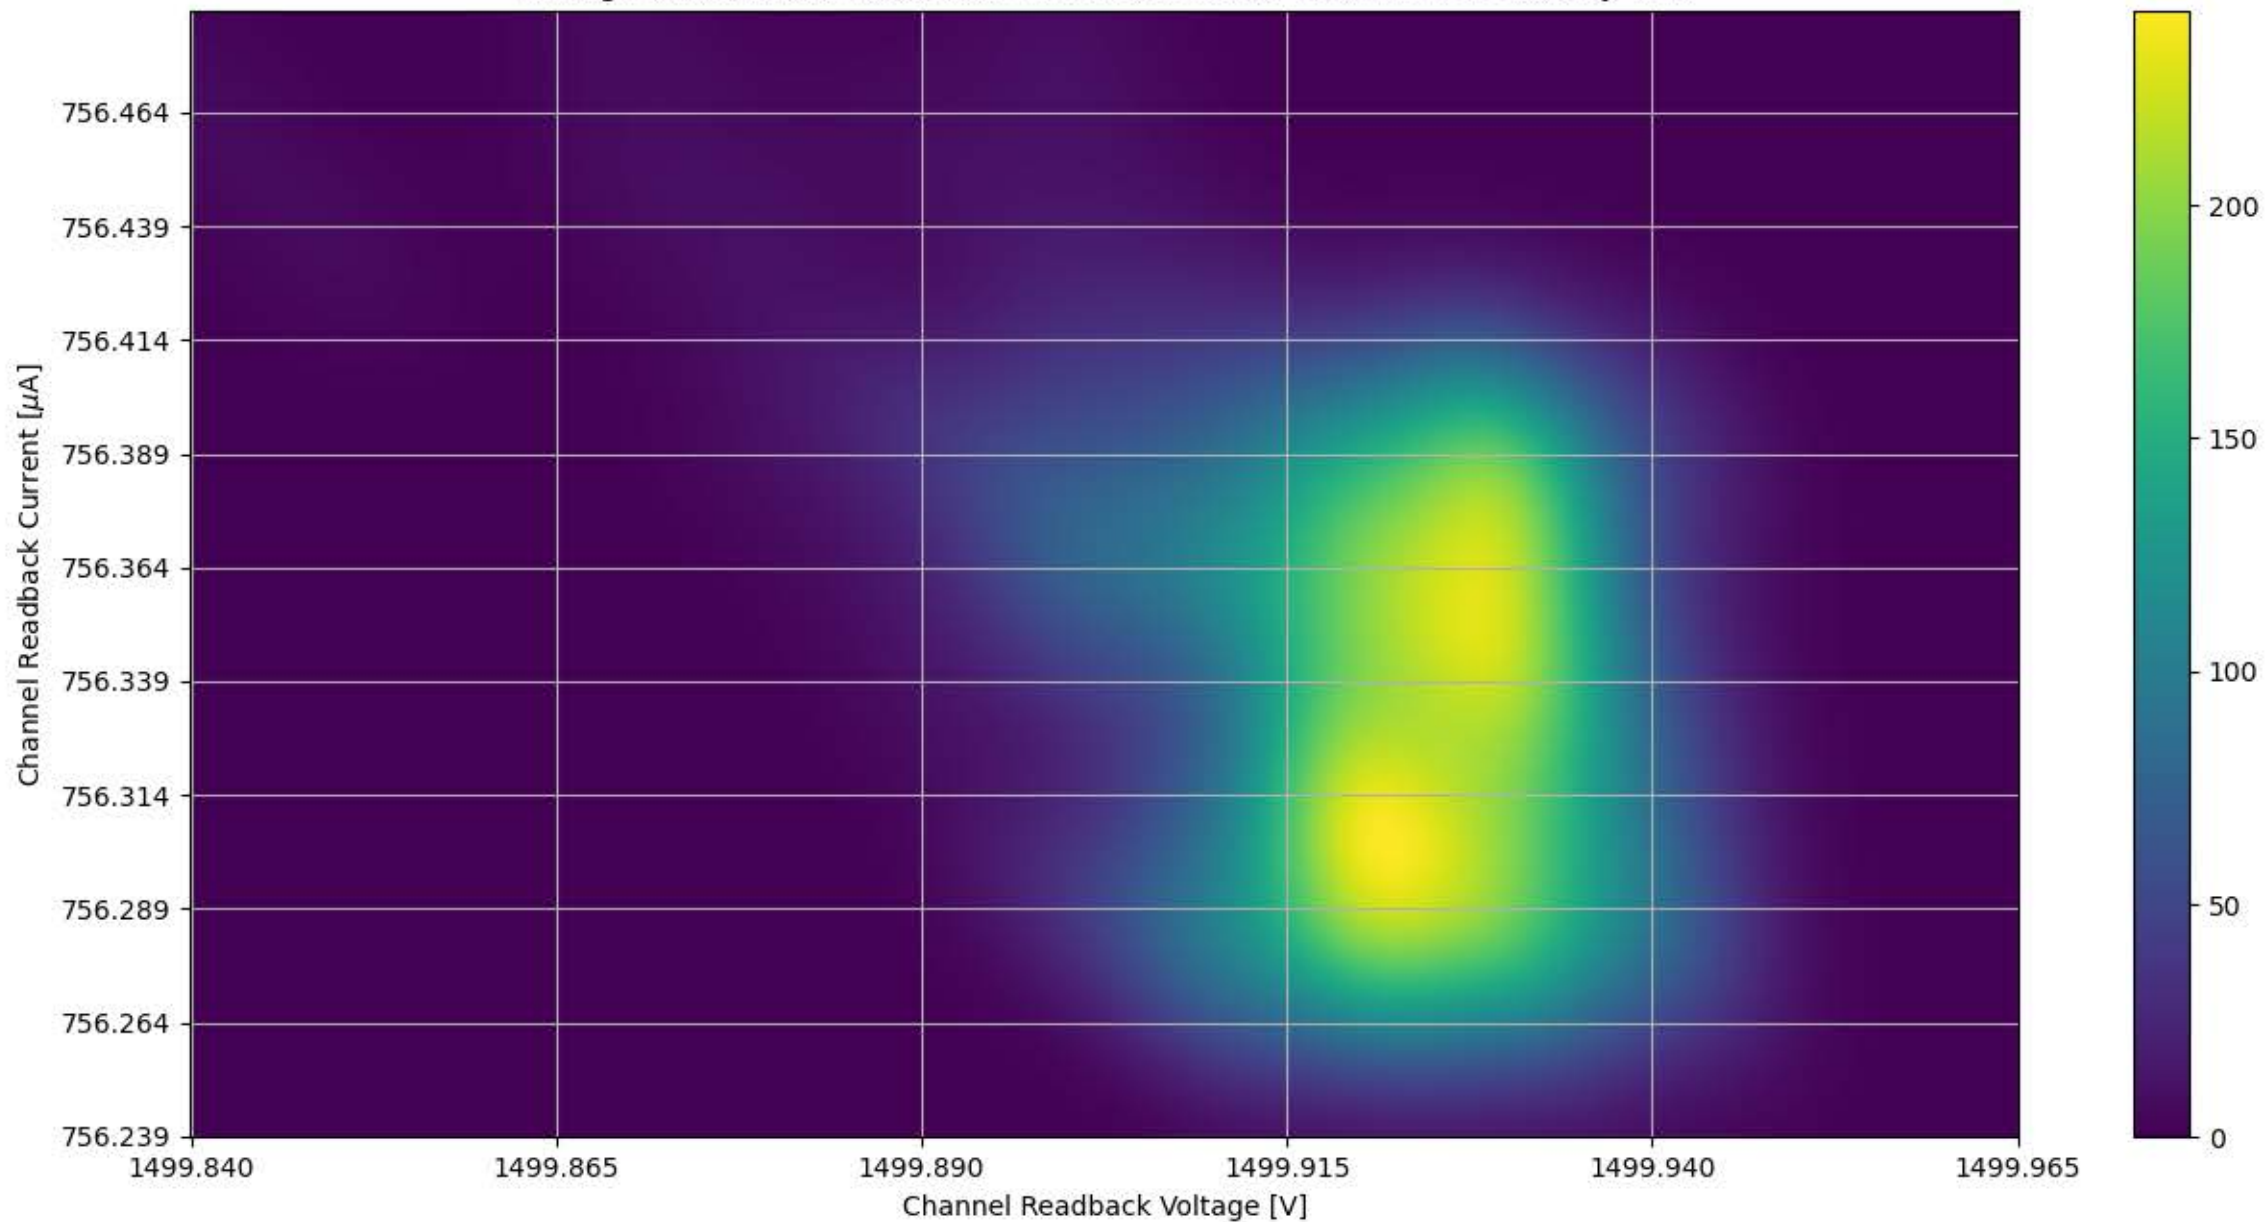

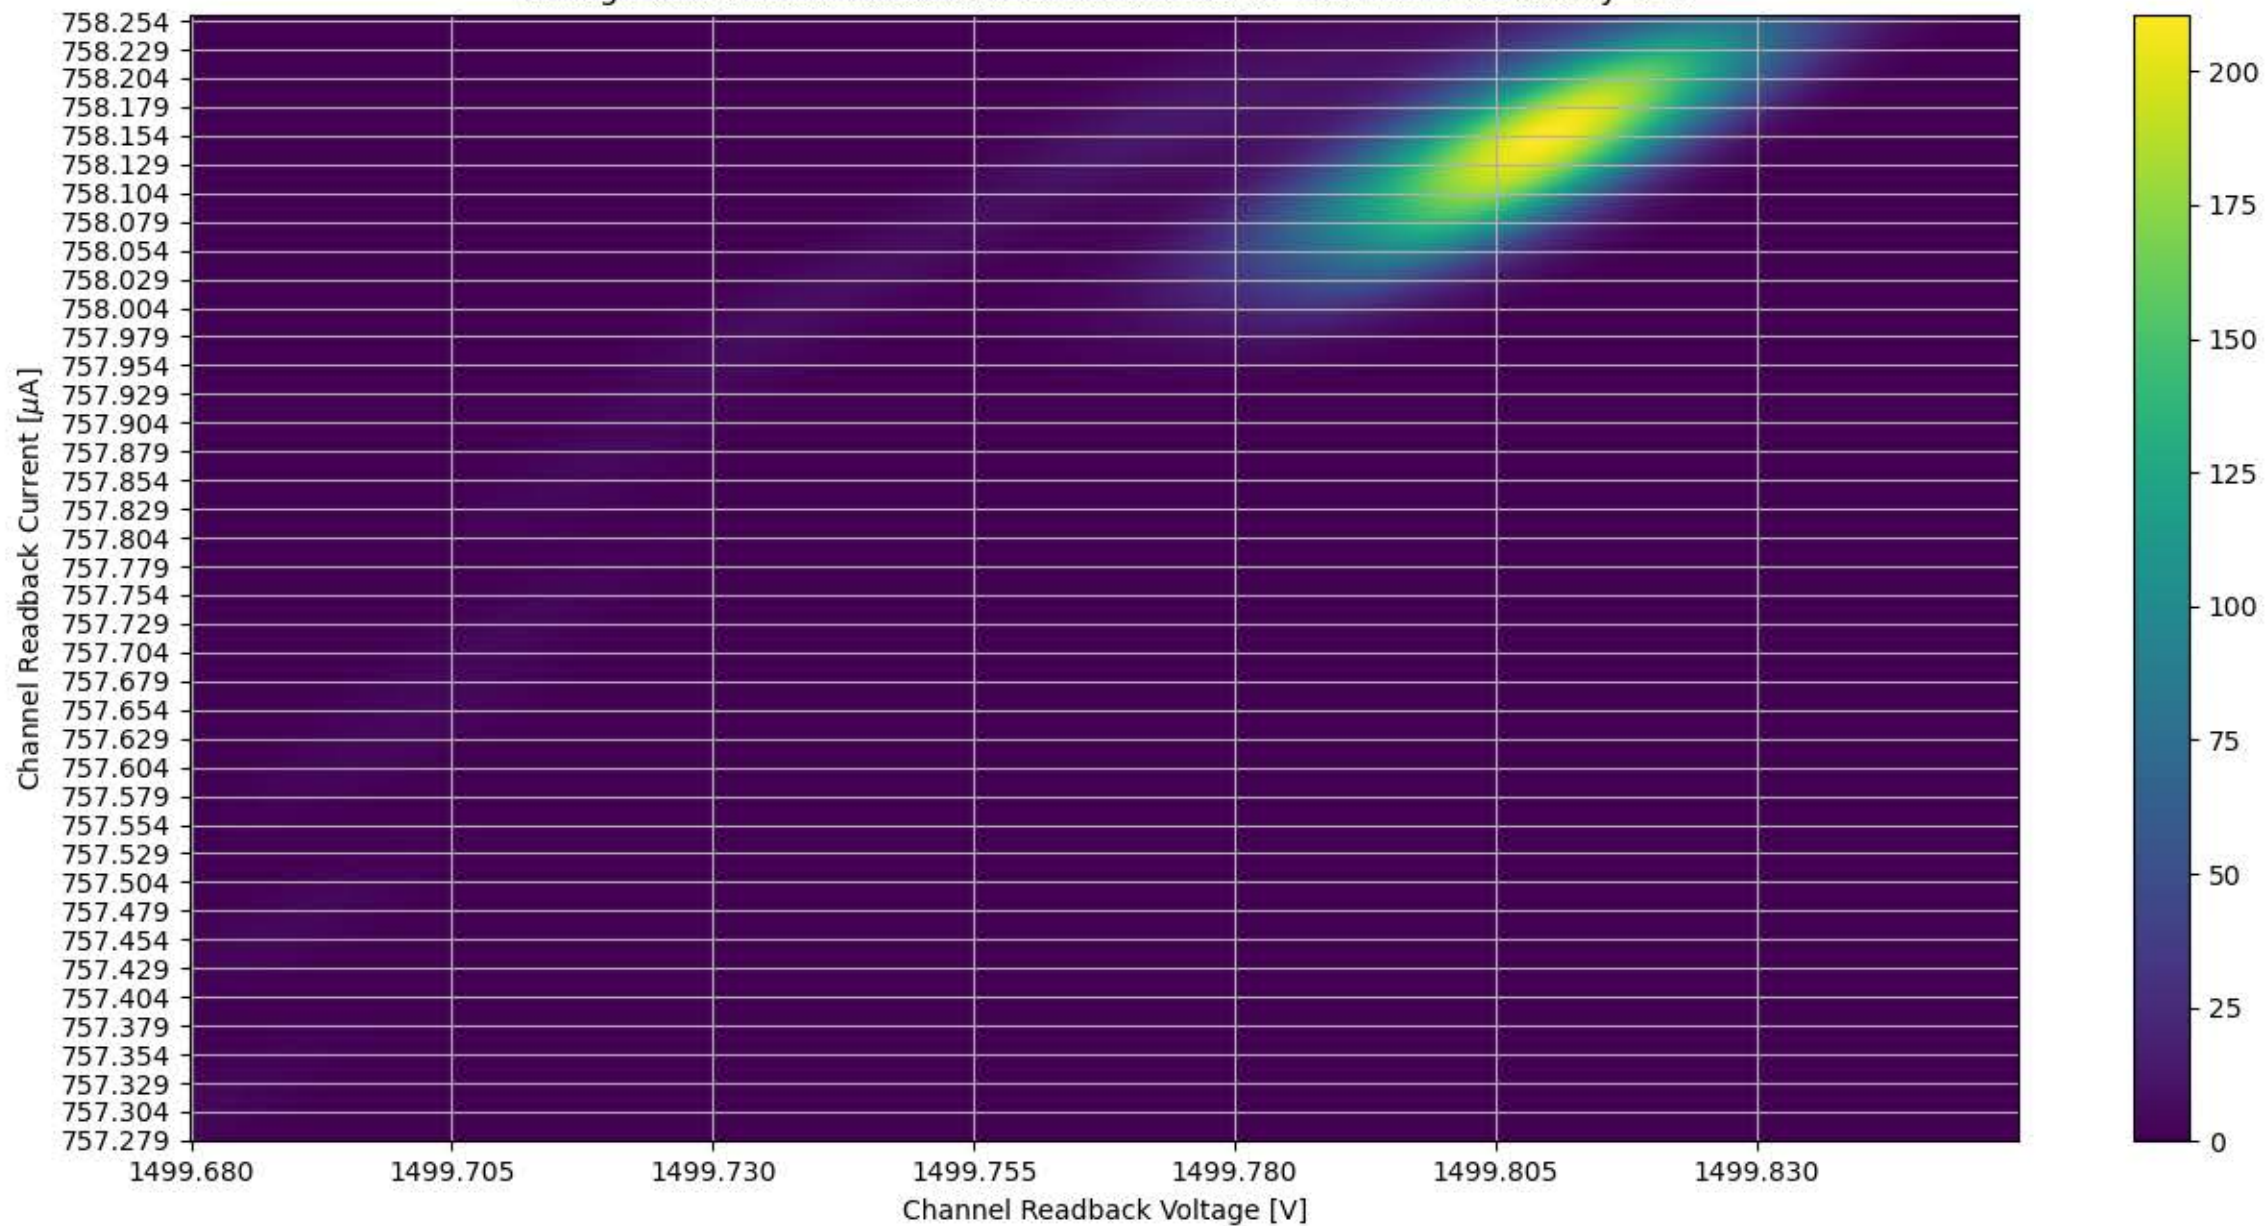

Voltage and Current Readback for Module #349 Channel 22 Stability Test

Voltage and Current Readback for Module #349 Channel 23 Stability Test

Voltage and Current Readback for Module #349 Channel 24 Stability Test

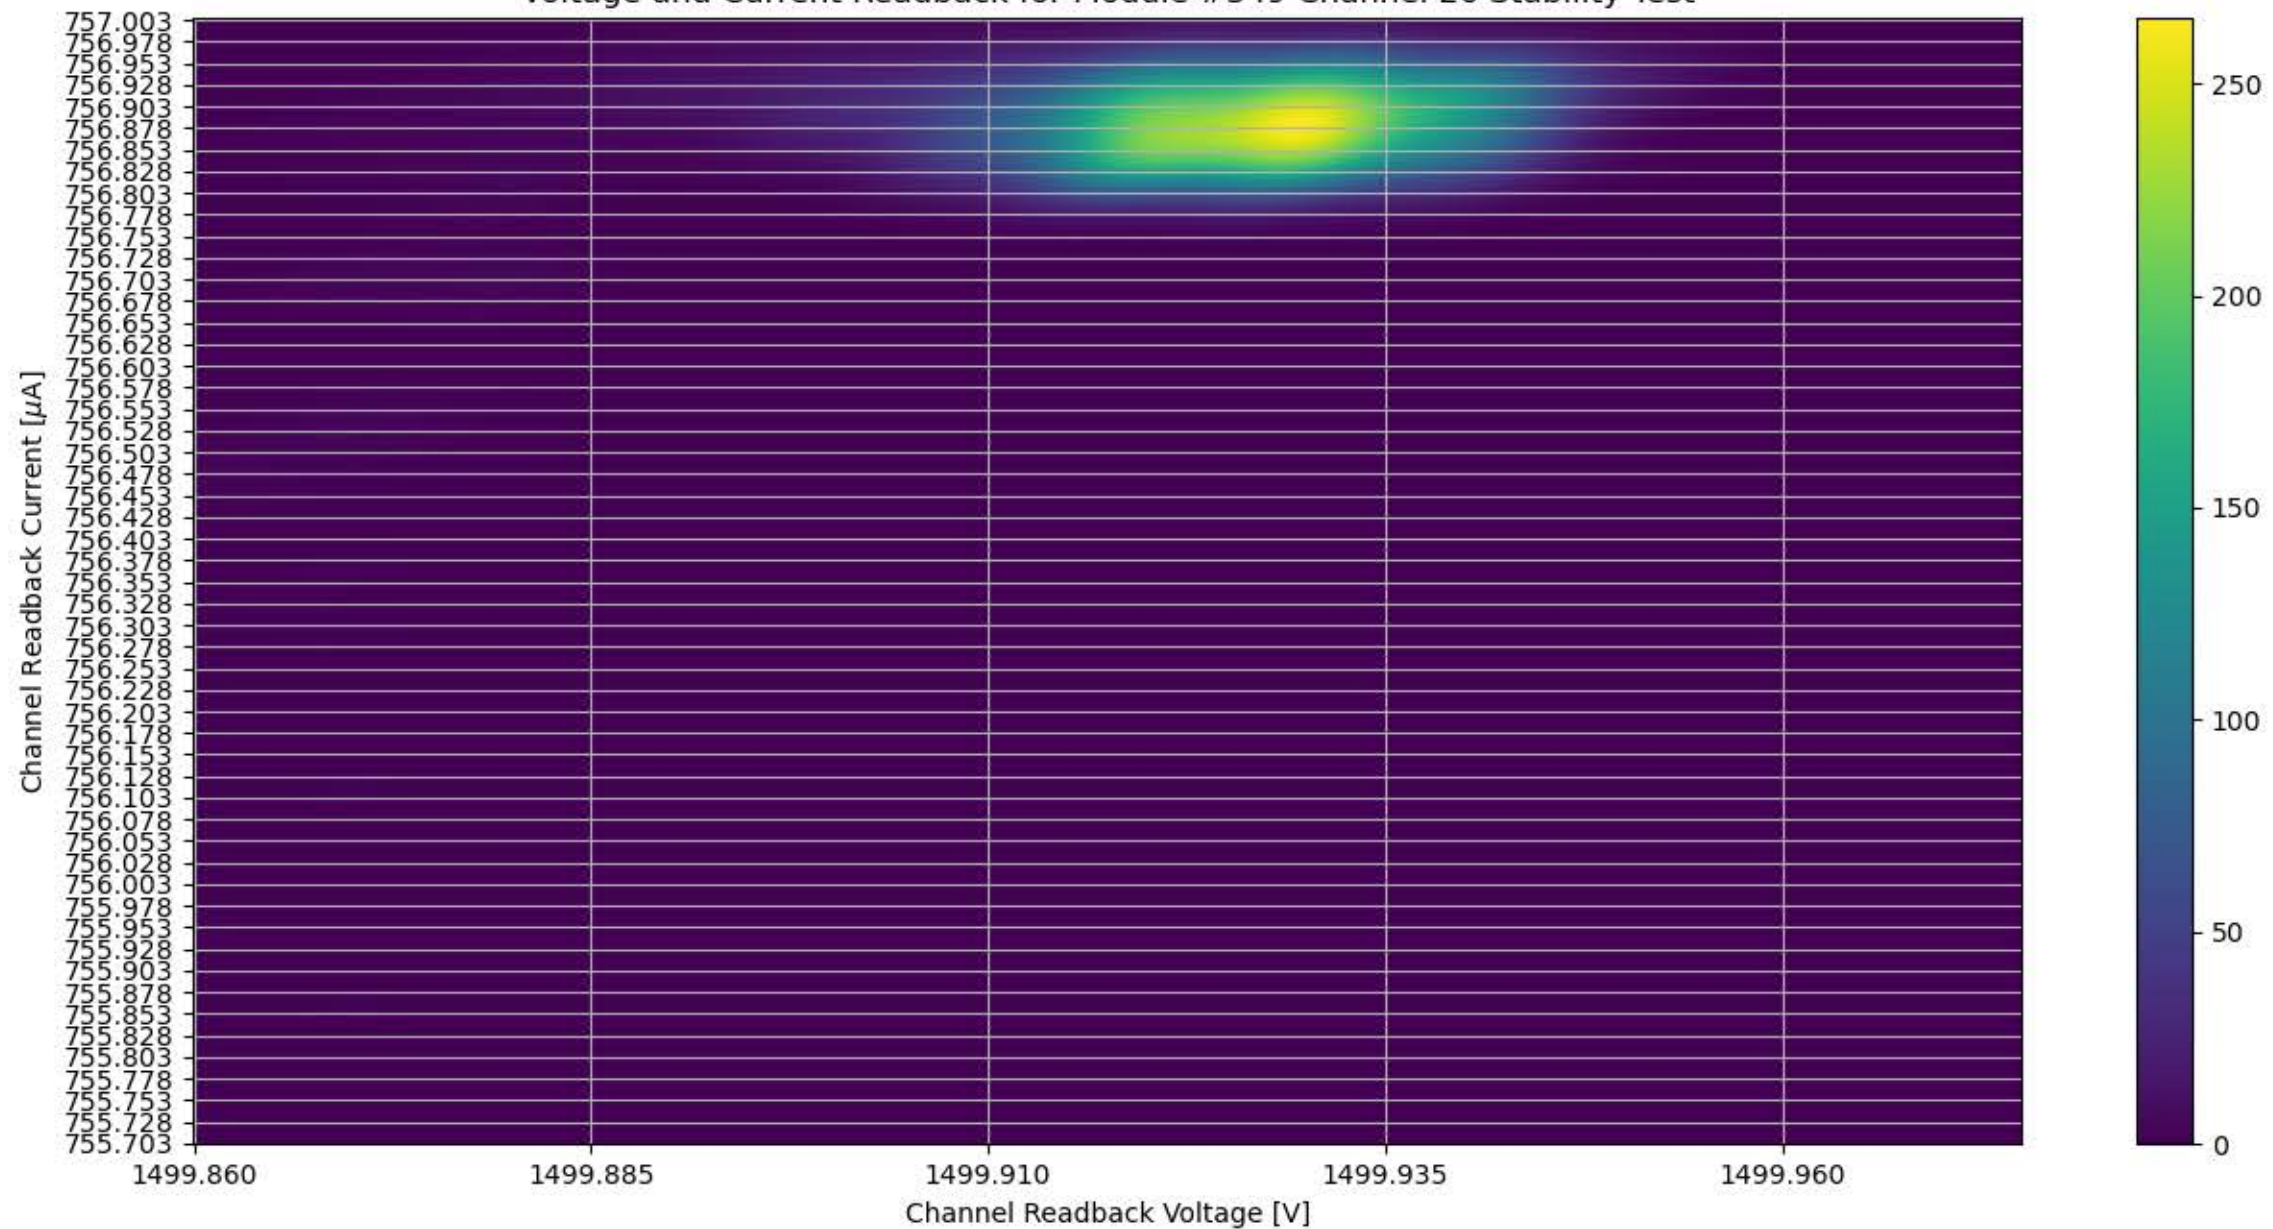

Voltage and Current Readback for Module #349 Channel 25 Stability Test

Voltage and Current Readback for Module #349 Channel 26 Stability Test

Voltage and Current Readback for Module #349 Channel 27 Stability Test

Voltage and Current Readback for Module #349 Channel 28 Stability Test

Voltage and Current Readback for Module #349 Channel 29 Stability Test

Voltage and Current Readback for Module #349 Channel 30 Stability Test

Voltage and Current Readback for Module #349 Channel 31 Stability Test

Voltage and Current Readback for Module #349 Channel 32 Stability Test

Voltage and Current Readback for Module #349 Channel 33 Stability Test

Voltage and Current Readback for Module #349 Channel 34 Stability Test

Voltage and Current Readback for Module #349 Channel 35 Stability Test
