

JEFFERSON LAB WALKING TRAIL

JEFFERSON AVE.

CANON BLVD.

WALKING TRAIL
TURN-AROUND

This plan shows the Jefferson Lab Walking Trail. It is yours to enjoy... we hope everyone will help keep it clean. In wooded areas, the trail is marked in selected spots with small square white markers (usually on trees). Most are used to identify turns in the trail. Due to ongoing construction activity, please note the turn-around point near Canon Boulevard and follow the trail back the same way you came in.
