

TO: MEMORANDUM TO FILE

DATE: March 14, 2012

SUBJECT: Technology and Engineering Development Facility Cd-4a  
Recommendations

The purpose of this memorandum is to document completion of the following actions to address TEDF CD-4a Peer Review Recommendations 7 and 8:

Develop and post evacuation plans for the facilities

Tour emergency personnel through the facility

Brief occupants on hazards and emergency procedures and conduct training on safety systems

These actions have been completed.

  
Rusty Sprouse, Project Director

Concurrence:   
Richard Korynta, Federal Project Director
