

Region II Physical Science Teacher Night for Elementary and Middle School Teachers

April 15, 2009
6:30 p.m. - 8:15 p.m.

Do those taxes early!

You won't want to miss the Second Annual Region II Teacher Night at Jefferson Lab. This year's focus is on physical science activities for upper elementary and middle school teachers.

Format for the Evening

Think of a Science Fair with enthusiastic students lined up at tables waiting to show you their projects... Teacher Night will be similar, except enthusiastic teachers will be waiting to share one of their favorite classroom activities with YOU! All teachers will have handouts and many will have starter supplies to accompany the handouts - that's right, **FREE MATERIALS!**

Activity Topics

Friction ~ Electrolysis ~ Water Cycle ~ Engineering Design Challenge
Exothermic Demos ~ Energy Conservation ~ Electricity ~ Polymers
Scientific Investigation ~ Science Games ~ Sound ~ Force & Motion
Periodic Table ~ Diffraction ~ Solar System ~ Static Electricity
Renewable Energy ~ Compounds & Mixtures

Who will be there?

Teachers participating in the Jefferson Science Associates' after school program, JSAT, JLab Science Activities for Teachers, will be presenting many of the activities they have used in their classrooms this year. These teachers have spent many hours learning new science and teaching methods - now they want to share it all with YOU!!

Event Location

This event will be held at the Thomas Jefferson
National Accelerator Facility (Jefferson Lab) in Newport News.
The address is 12000 Jefferson Avenue, Newport News, VA 23606
See directions on the back!

Please help Jefferson Lab buy the correct number of supplies!
Please contact David Abbott @ 757-269-7633 or davida@jlab.org
before April 10 to sign-up.

See you on the 15th ~ eat a light dinner ~ we'll have lots of munchies!

Door Prizes ~ Tidewater Association of Chemistry Teachers (TACT) Presentation ~ Door Prizes
