Introduction

I am currently the President of Towne Bank – Peninsula/Williamsburg Region and the first Black President for Towne Bank.

My prayer is that I will be remembered for far more than that because some of the most impactful roles that I have are loving wife, mother, sister, daughter and friend!

Things I would tell my younger self....

• Be courageous! Being out of your comfort zone - will bring about growth!

• You have a voice – use it for good! BE KIND!

• You belong where God leads you! Walk in your purpose.

• Everything you go through will help develop you into who you were called to be.
My inspiration
"Behind every successful woman is a tribe of other successful people who have her back."
Thank you
