

DSG-GEM upgrade meeting

Date: May 6, 2024

Time: 2:15 pm – 2:30 pm

Attendees: Pete Bonneau, Aaron Brown, Pablo Campero, Lawrence Hurt, George Jacobs, Tyler Lemon, Marc McMullen, Zach Remele, Holly Szumila-Vance, and Ezekiel Wertz

1. Super BigBite

Holly Szumila-Vance

1. Hall A is installing high purity filters ([Matheson 6164-P4FF](#)) on the SBS per recommendation of Kondo Gnanvo to match the BigBite distribution system
2. Requests assistance from DSG to develop a filter mounting system that will align eight filters with the output gas lines of a distribution chassis
3. Hall A will install the filters and connect the gas lines
4. DSG will ensure all channels are being monitored after the installation

2. BigBite

Holly Szumila-Vance

1. Hall A is relocating the BigBite distribution chassis close to the SBS distribution system
2. DSG will ensure all channels are being monitored after the installation
