

JEFFERSON LAB LOW EMISSION PARKING INFORMATION

Parking in designated "Low Emission Vehicles" (LEV) parking spaces throughout the Lab requires a parking permit, available for qualified vehicles. To obtain a parking permit, please complete this information form and submit to Facilities Management and Logistics Division, attention Aubrie Davie (adavie@jlab.org), ext: 7840.

Note: Enter text as indicated for your contact, location, and vehicle information. Specification and/or emission standards information can be located by visiting [GreenerCars Ratings | Greener Cars](#). Please use the comments section provided for any additional information, comments, or questions.
